The Thursday evening prayer meeting was led by Mr. A. F. Fisk. Theme: "What does it cost to be a strong Christian." To this, Mr. Fisk said: "Christian means that we must have our lives hid with Christ in God. All we have to offer. All we hope to be. Body, soul, and spirit. All we yield to Thee."—Thy kingdom come, Thy will be done, on earth as it is in heaven. Amen.

DEBATING CLUB.

The question debated May 8th was: "Resolved, that capital punishment should be established in Michigan." The affirmative side was argued by W. K. Wonders and R. O. Elmer on the negative by N. D. Rudolph and J. H. Taylor. The affirmative made their strongest argument upon the fact that a man need not fear further punishment when he is receiving the full penalty of a crime already committed and so would not hesitate to commit a second crime. Under capital punishment this would be impossible.

The negative argued the impossibility of rectifying a mistake if the jury should happen to make a wrong decision, and the injustice of killing a man who has committed murder in a sudden frenzied moment. The decision of the judges was one in favor of the negative and one in favor of the affirmative.

The Nebraska University baseball team has been making an excellent tour through Iowa, Illinois, and Indiana. Northwestern and Notre Dame have defeated Nebraska, the latter scoring the score of 2-1.

The new gymnasium of the University of Chicago will be one of the largest in the West when completed.

About the Campus.

(Continued from page three)

Prof. U. P. Hedrick's little girl was very ill last week. For several hours her life was very uncertain.

Moses E. D. Hall, W. J. Gelb, and A. G. Craig have recently passed civil service examinations for medical aides in the Central Lycemnum Bureaus to make arrangements as far as possible for the education of the class's course of instructions.

Nothing definite was done, but the following lecturers and entertainers were considered with a strong sentiment in favor of the first named:

H. J. F. Dunlevy, Geo. R. Wendlung, each distinguished orators; Miss Jda Benney, an able reader; the Wesleyan Male Quartet and Harmony; the Botonien Male quartet, assisted by Carl Grange; Duroo-Emmett Co., famous magicians; De Witt Miller, a reader; John Temple Graves; Roney's Boys Concert Co.

In making these selections the committee aims to have as wide a range of entertainments as possible, comprising some of the best spoken word, readers, actors, and magicians, thereby ensuring the interest of the whole College community. More highly qualified professor to the most enlisted student.

The course of entertainments will probably be definitely decided upon during this week.

The M. A. C. Entertainment Club Committee met in the president's office, Saturday. Representatives from the Central Lyceum Board met with the Central Lyceum Bureaus to make arrangements as far as possible for the education of the class's course of instructions.
