DEATH OF MR. BURDETTE.

Very seldom does the death of a student comparatively unknown to the student body cause such a sorrow as did the death of John W. Burdette, of Berea, Kentucky. Mr. Burdette was a mechanical freshman and entered last September from Berea, Ky. He was 23 years of age, strong in body, mentally alert, and very popular. He was a member of the second foot ball team, and while playing a practice game with the first team a week ago last W. D. evening he received a bump on the left side. This was so slight that he did not stop playing and the coach and team were not aware that he had been injured. He attended classes and attended the C. A. meeting before going to his room. About ten o'clock that night he was taken to the hospital with very severe pains through the abdomen. Dr. Bruegel was called and gave him some relief. He had pains at times but seemed to anticipate anything serious. On Saturday he went to the college hospital. While sitting in a chair in a reading room Monday evening he was seized with most excruciating pain. He was taken to his room and immediately called Dr. Hazo. They feared the trouble was serious.

The next morning the patient was taken to the hospital. Mr. Burdette was a member of the Franklin Quartette which was to have performed at the college concert on Friday evening. Memorial exercises were held by the members of the college friends.

His parents, a brother, two sisters and a brother-in-law were present during the last two days of his illness. He was courageous and sweet in the last moments of his life. His parents, his roommate and also Berea, the funeral party, were present at the service. The patient's body was sent to his home in Kentucky.

Memorial exercises were held by the members of the college friends. The funeral party consisted of Berea, the funeral party, the college friends and Mr. Burdette's family.

Miss Yakeley spent Thanksgiv­
ing at her brothers’ in Quincy. Mr. Earle and daughters spent Thanksgiving at Clarksville, Mich. Miss Besse Covell, ’08, is receiving a visit from her sisters of Whitehall.

Instructor Curtis entertained his father and sister Thanksgiving day.

Instructor Harry Reed received a visit from his father on Thank­sgiving day.

Miss Margaret Korvis, sp. ’03, spent Sunday, November 20, with College friends.

Prof. Sawyer is receiving a visit from his mother. Mrs. Sawyer lives near St. Louis.

Miss Blanche Larry, sp. of Howard City, received a visit from her mother the past week.

The horticultural department is in receipt of a fine box of semi-tropi­cal fruits from Lake City, Fla.

Miss Gertrude Alden, of Grand Rapids, was the guest of her sister, Cecil Alden, a few days the past week.

Mr. Robert Kirker, employed by Prof. Barrows as stenographer, spent Thanksgiving at his home near Bancroft.

Miss Zella Walker, sp. ’03-'04, of Iro­wood, Mich., spent a few days with her cousin Miss Calla Krentel the past week.

Dr. F. M. Edwards was called to Virginia last week on account of the illness of a sister. His wife accompanied him.

Mr. Joel Kenney and wife, of Port Huron, were the guests of their son, P. C. Kenney and family, Thanksgiving day.

Mrs. Frank Hendrick, assistant in the department of history and political science, spent the Thank­sgiving vacation in Detroit.

Mrs. Ellis Kedzie left last week for a visit with her daughter, Mrs. Plant, of Peoria, Ill. She will visit the Exposition at St. Louis on route.

There will be a meeting of all students interested in electrical work in the physical lecture room Friday, Dec. 2, at 7 p.m. This meeting is for the purpose of forming an electrical club.

Mr. C. C. Wilcox, a brother of Mrs. Bogue, and wife, of Saginaw, spent Thanksgiving with Prof. and Mrs. Bogue. Mrs. Wilcox will remain at the College for a few days.

Miss Bessie Beiss entertained the following college people at her home in Ionia on Thanksgiving day: Mrs. Landon, Miss Besse Pauldine, Miss Florence Beebe, Mr. W. R. Sheid and Mr. C. A. McCue.

Mr. C. P. Parsons, who was for sometime stenographer for Prof. Taft, made College friends a flying visit on last Friday. Mr. Parsons is in the employ of Butters’ Salt and Lumber Co., of Ludington.

The arboretum has been receiving some attention the past week. The dead trees have been removed and several poor specimens and those much crowded were also cut out. Marks were put on trees to come out before the leaves fell.

Among the young ladies who returned for Thanksgiving festivities were the Misses Ethel Hunne and Ernestine Dimnick of Owosso, Miss Alma DeFrenn, with ’04, Miss Lena Stevenson, ’08, of Detroit, and Miss Bell Farrand, with ’03.

The European Larch is much grown in Europe for timber. It grows rapidly, makes good timber and makes a nice tree. It resembles our tamarack, but grows faster and grows on dry land. The Larch in this country seems apparently worthless for forestry purposes as those put out die off very rapidly.

The Ohio Northern University invited our foot ball team to come to Ada for their Thanksgiving game guaranteeing the association $750.

The telegram was received on Tuesday and on Tuesday even­ning a mass meeting was held in the chapel. It was decided the team remains and play Kaczow as scheduled and that the band be asked to fur­nish music.

Practical work for the class in stock judging has been going on during the past week, the work be­ing confined to the judging of horses.

Two perchersons were leased for the purpose—one owned by a company at Eaton Rapids, and the other by a company at Hastings. Both ani­mals were good representatives of the breed, the one from Hastings being an especially fine individual.

There was also a representative of the coach type in a hackney fur­nished by Mr. Hurd, of Lansing, and also some good types of draft horses loaned for the purpose by the Hall Lumber Company, of Lansing.

The following alumni and former students were at M. A. C. for the Thanksgiving football game or mili­tary:

Dr. H. W. Wiley, Chief of the Bureau of Chemistry of the De­partment of Agriculture, Washing­ton, visited the College on Thank­sgiving day as the guest of Prof. Smith. He had delivered a lecture in Detroit on “Food Quantity and Quality” and had visited the plant of Parke, Davis & Co. and the Solvay Works. While in Lansing he inspected very carefully the sugar factory which he said was running as smoothly as any he had ever visited either in Germany or this country. His visit at the Col­lege was confined to Thursday afternoon, Thanksgiving day, and hence the laboratories were closed and the men away, but he saw enough of the College to surprise him as to its magnitude and the quality of the work done here.
THE M. A. C. RECORD.

Two senior dinners were given this past week, the first on Monday by Miss Paddock, and the second on Tuesday night by Miss Maynard. Miss Paddock's menu was on the following basis: Protein, 39.8; fat, 44.5; carbohydrates, 17.9; 6565 calories, cost, 85 cents.

When football was unknown and men had not yet acquired the habit of betting.

The accounts of the several boarding clubs for the fall term will be audited on Friday and Saturday.

Miss Mae Reed, '06, entertained her friend, Mr. Glen Vandenberg, of Howard City, Thanksgiving day.

Born, to W. R. Bradford, and wife, of Calumet, on Nov. 12, a daughter. Mr. Bradford was for several years foreman of the College wood shop.

About fifty students left last evening for Chicago to attend the big stock show. The judging team consisted of the following students: J. Anderson, A. C. Anderson, W. C. Moore, W. E. Moore, and John Bowditch. The judging took place on Saturday.

Mr. and Mrs. T. J. Steele, after spending two weeks with college friends, have returned to New York City.

Mr. and Mrs. Steele expressed themselves as being highly pleased with the surroundings at the mountains. A. C. and their appreciation of the many courtesies extended them during their stay at the Collegetown.

The class in forestry recently visited the Old Motor Works factory in the city viewing the mounds and casting. Two afternoons were spent in the work. Instructor Bickert is a member of the class so he has the boys visited so much and gained many valuable pointers.

The large boilers for the new power plant have been placed in position and will be connected up as soon as possible. The pipes being taken to the tunnels and this part of the work will soon be in progress. It is expected that connection will be made and piping done so as to heat the buildings on the east branch by New Years.

On Monday evening, Nov. 21, Prof. Kedzie met with an accident which, while it did not prove serious, has caused him to feel it is wise to take a few days' rest from his work.

As he alighted from the car on his way to Professor's House, he noticed that the car was not eating at all. The crowd included the use of the fingers in eating instead of knives and forks. The third step includes the use of the plate. The fourth stage was quite an improvement over the last. The fourth stage was not eating at all. The fifth stage is the way we are eating now. The stage where is moving along satisfactorily.

Mrs. Will Carleton died at her home, 103 Washington Ave. N., November 23. She was a member of the first class of L. M. C. and was well known for her acquaintance with people and for her ready wit.
