FOOTBALL

M. A. C. 18—ALMA 0.

The last game of the season was played, and the result was as shown above. The team left Lansing at 7:50, took dinner in Owosso on the way out, and arrived just in time for the game." It was the big game of the season for Alma as mass meetings had been held during the week to arouse enthusiasm and get the team ready to make a good showing. Just as the game started it began to snow, and the whole game was played on a slippery, muddy field, with two hard fouls, impossible for either side. There was no question as to the winner from the start. Alma’s left guard made one gain of 20 yards. Outside of this they made first down just three times. They had one good chance to score when McKenn- a fumbled the ball on a pass back to the 10-yard line. From here Fisk and McDermid were consistent goal趋向ers. McKenna went out three times. They had one question as to the winner but one half hour and 15 minutes for Alma was the star, breaking through the line several times and spilling our players. For Alma, A. C. Kraus, Boyle, Doty, Fisk and McDermid were consistent ground gainers. McKenna went out three times. Small played a good game, bish in handling the wet ball fast and running back punts. At the beginning McKenna kicked off and Alma was immediately forced to punt. M. A. C. took the ball in the center of the field and moved to the 3-yard line where Alma held. They were held in turn and the ball was this time carried over the line for a touch-down.

Alma now kicked off and with much effectiveness. When this was registered, Alma again kicked off and on a crisis from Kraus to Doty. Small played a good game,)b in handling the wet ball fast and running back punts. At the beginning McKenna kicked off and Alma was immediately forced to punt. M. A. C. took the ball in the center of the field and moved to the 3-yard line where Alma held. They were held in turn and the ball was this time carried over the line for a touch-down.

The American Federation of Agricultural Students will hold its first annual banquet Tuesday evening. The Peddigeo Record Building, Union Stock Yards, Chicago.

All Agricultural Students is more firmly cemented territory most of the time in this half with the exception of the friendly contest and at its close our last touch-down. Goals were in turn and the ball was this time on the ten-yard line. From here Doty was sent over for the third and last touch-down. Goals were secured each time.

The second half was cut short in order that M. A. C. might catch their train. The ball was in Alma territory most of the time in this half with the exception of Alma scram-bled on the seven-yard line spoke of, and at the close of the game it was on their one-yard line.

The game was certainly a very friendly contest and at its close our fellow students cheered Alma and they in turn cheered Alma. It is a pleasure to see a contest in which at its close the friendship of two colleges is more firmly cemented than ever before. Alma plays a good clean game of ball and we are glad to know that Alma does get the same of M. A. C.

All the regular team was in the game, which was the last of the season. McKenna was relieved by Boyle at half, Frazer going in at R. E. In two weeks we hope to issue a special football number, giving results of the season, picture of the state champions and something concerning each player.

MILITARY HOP.

The officers of the Battalion give their first military hop on the evening of Wednesday, November 29. The dance will start at 7:30 and will last until 12:00. It is desired that as many as possible will wear their uniforms. New men who have ordered uniforms but who have not as yet received them, will be admitted for the same price as uniformed men.

The admittance will be $1.00 for uniformed men and $1.50 for non-uniformed men.

THE A. F. A. S. BANQUET.

On Thursday evening, Nov. 29, the second of the senior dinner was given by Miss Reed. The guests were Mrs. L. F. Nevell, Miss Sarah Avery, and Miss Ruth Shools of Lansing. The table decorations were pink roses and maiden-hair ferns, with pink roses as favor.

Miss Lawrence acted as matroness.

Y. M. C. A.

The Thursday evening meeting was a great success. About one hundred boys gathered for the service project conducted by Mr. A. E. Robinson '96. After short talks by Mr. Robinson and several other students the men were addressed by Mr. Voorhees and Mr. Ellis two leaders at the army's insitutions. These men gave helpful remarks on the place of the christian in the world and the need of religi in the course of one's college work.

Prof. Sawyer delivered an ad- dress to the students in the chapel Sunday evening, his subject being chosen from the parable of the talents. "The true nobility is made up of those who work for others." These are some of the thoughts brought out by Prof. Sawyer.

Prof. Beatty will have charge of the meeting next Sunday evening. Every one should be present at this meeting. The quartet will furnish music.

Mr. L. E. Buell, state secretary, took time from the building canvass in Lansing to meet the cabinet of the Y. M. C. A. Sunday evening. The boys' conference of the state associations will be held in Grand Rapids Dec. 30 to Jan. 1. Mr. Buell will leave charge of the con- vention on state camps Saturday evening, Dec. 30.

Paul Fisher with 1897, visited frills last until on the campus last week.

SPECIAL DINNER.

At the Senior dinner given Tuesday, Nov. 21, at 1 p.m., Miss Belle Farrand was hostess, and Mr. and Mrs. Rembert of Lansing and Miss Gilchrist were her guests. The color scheme in green and white was very prettily carried out. The table decorations consisted of white roses and sepasagirs ferns. The place cards were handpainted in green on satin ribbon.

The M. A. C. RECORD.

THE '05 CLASS.

The M. A. C. RECORD, Agricultural College, Mich. Dear sir,—A thrill of joy passed through my heart this morning as I read the M. A. C. RECORD and found out that we had won the football game from Albion with such a good score too. I could hardly contain myself; but felt as if I must maintain some dignity as I was having my laundry class. I enjoy my work very much and they all tell me I am doing remarkably well in managing the Indian children, which are much different from white children. During the past week I have found my knowledge of cutting up a beef very useful as our man suddenly took French leave. We women were alone and a beef had to be cut up, so I did it, with the assistance of two small boys. It seemed almost endless at first, but I finally succeeded. We are twenty miles from a railroad, receive mail three times a week. I have found my Weeks pass by at a time that we do not see any whites except our own associates. I look forward to all my College friends,

Very truly yours,

Paul Fisher, '97.

St. Elizabeth's School,

Editor of the M. A. C. RECORD,

Miss. P. E. RAVEN,

St. Elizabeth's School,

Charles J. Oviatt received a visit from his brother, O. O., of Oviat, last week.

The State Board held a meeting in the College board rooms Wednesday afternoon of last week. Those present were, President Monroe, Messrs. Graham, Buskirk, Marston, Wallace and President Synder. A committee was appointed to investigate the question of a local telephone exchange.

The College architect was directed to prepare a sketch of an engineering building.

The poultry plant is to be located in the Experiment station plots to the north of the site formerly se-lected.

THE M. A. C. RECORD.

Prof. Hodsworth was given
a leave of absence for the winter term.
Instructor Curtis received a visit
from his father, W. H. Curtis, of
Mason, the past week.
The lady institute workers from
outside were entertained at the
Women's building last week.

H. A. Wright is confined to the
hospital with erysipelas. He is
cared for by his mother.

Mr. J. H. Hathaway of Benton
Harbor, visited his son Walter, of
the sub-freshmen class recently.
Mr. Hathaway was on his way to
Texas to take charge of a large
farm.

Lost—Dark brown fur boa in
front of Williams Hall, Nov. 23,
1905. Liberal reward. Finder
please leave at president's office.

Mr. J. H. Hathaway and
Mrs. J. H. Allen and
son, Byron, of Poohousta, Ita.,
are visiting at the Women's Building.
Mrs. Allen is a sister of Dean Gil-
christ and will, with her little son,
remain here for two or three weeks.

Former students to attend the Ero
Alphian society Friday evening
were Miss Sadie Richardson, Edith
Gunn, Mary Bray, Alta Gunnison
and May Quick. The latter is
spending several days at the Col-
lege as the guest of Miss Ashler.

The Egyptian Society gave
a very pleasant party to their friends
last Saturday evening. The "foot-
ball" idea was carried out in the
decorations and program. Prof.
and Mrs. Ryder, who acted as
chaperons, declared ten o'clock
too early for closing such a party.

Mrs. J. F. Hogan stopped at M.
A. C. on her way home from the
east, where she has been visiting,
and spent Saturday and Sunday
with her son Harry Hogan, '06.
She very pleasantly chaperoned the
"Tie" party on Saturday evening.

Mr. Miny of the Pilgrim Cong.
cern is giving a series of Sunday
evening sermons on The M. J. M.
and His Friends", Dec. 3; "The
Man and His God", Dec. 17.

A game was played Saturday be-
fore closing such a party.

The Normal Institute, held at the
College the past week, was atten-
died by about thirty-five institute
members throughout the state.
Good number of students also taking
part in many of the sessions.

The program, with one or two ex-
cceptions, was carried out planned,
and all seemed to feel that the time
had been well spent, and that the
time and inspiration gained by
attendance at this institute would
go far toward the success of the
various county institutes to be held
in the coming winter.

THANKSGIVING IN 1621.

The following is a copy of a letter written by Edward Winslow, afterward governor of Plymouth, to a friend in England under date of Dec. 11, 1621:

"Our harvest being gotten in, our Governor sent four men on fowling ; which four in one day killed as much fowl as 50 or 60 men of us might eat, besides part for our dogs. They are preparing to offer a hearty thanksgiving to God the King of Heaven, and are much rejoiced that on this side the Atlantic they are at length arrived in a place where they hope to live and die amongst Englishmen."

THE GOOD FELLOW.

Professor Frank J. Miller, of the University of Chicago, in a speech, spoke of the young men of college as being a "good fellow." In a letter to the students he said: "It is not good for man to be alone; therefore cultivate the social graces. By this I do not mean going to balls seven times a week, or even six. Dances are all right, but there are other places than ballrooms to learn the social graces. Leave to gain access to your fellow men. It is worth a fortune to be a 'good mixer.'" He means a life full of happiness. The really successful man gets around among men and does not hold himself apart.

There is good advice in this, especially for the young man, and the difference between this and Mr. Rockefeller's advice is in the different interpretation of "good fellow." The oil king's idea seems to be that the reader may test his knowledge of the work if he is so disposed. The book as a whole is undoubtedly the best one on machine shop practice that has yet appeared, and should be owned by all students and young machinists who desire a book on this subject.
