FOOTBALL SUMMARY.

We take pleasure in presenting to our readers this week a cut of our Championship 1905 football team. Of all the good teams M.A.C.has had, the 1905 team will go down in history as the best that ever represented the institution. In the regular five championship games the team scored 143 points to 10 for opponents, winning all five games decisively. In games outside the intercollegiate, the strong Armour Institute team was defeated 15 to 0 and two touchdowns were scored against Northwestern University, one of the big five in western football. The schedule was especially long and hard but the team went through the season without an appreciable slump of physical condition, and in most of the games were able to pile up the score in the latter half when good condition began to tell.

The most satisfactory game of the season was when, on Nov. 11, Albion, with her team of giants, was smashed and routed under an avalanche of eight touchdowns.

Following is a short statement of each player and the position on the team.

C. G. Burroughs, center, a big powerful man, good tackler and will be a star in years to come. First year on the team and will be in college three more years.

H. A. Wright, guard, a big strong guard, steady and a hard worker. His work was interfered with by sickness, but he was in most of the games and did especially good work in the Kalamazoo and Albion games. Won an R sweater last year and this year his monogram.

G. P. Boonsliter, guard, light for a guard, but strong active and a tireless worker. He is a Tau Beta Pi man, one of the best students in the institution, and a credit to the team in every way. He graduates in June and will not be back next year. This year is his second on the team.

Bert Shedd, guard and tackle, the only man on the team who had not been a candidate for the team at least one year before. Light for a line man, but fast, active, fearless and a hard worker. Will be in college three years more and with this year's experience should prove a star.

Jim Fisk, tackle, one of the best linemen in the intercollegiate. A strong defensive player, conscientious, a hard worker, impossible to hurt or tire out. He graduates in June and will be a serious loss to the '06 team. He won his second monogram sweater this year.

H. B. McDermid, tackle, second year on the team and a hard worker. One of the best men on the team in advancing the ball and fairly good defensive tackle. He will be back next year and should prove one of the stand-bys around which to build the team.

W. G. Hollsworth, left end, Glen A. Boyle, right end. The best pair of ends ever in the intercollegiate and picked for the All-Michigan team by every critic in the state. Both excellent defensive men and stars at carrying the ball and fairly good and solid men.

Walter Small, quarterback. The lightest man on the team but the biggest little man that ever stepped into a suit. Has directed the play of the team for three successive seasons, and will be back next year.

ATHLETIC ELECTION.

The new scheme of election used by the Athletic Association Saturday was an entire success. About 400 votes were cast, which is nearly four times as many as ever before. The race for director, football and baseball manager was especially interesting. The results were as follows:

Members of council: J. Fisk and K. B. Stevens, senior; B. B. Cline and H. I. Glasser, junior; Glenn Boyle and W. G. Hollsworth, sophomores; W. B. Frazer and G. H. Allen, freshmen. The general ticket was as follows:

M. I. A. A. director: S. B. Lilly, 96; E. R. McKenna, 217; L. H. Hitchcock, 75.

About the Campus

Here's best wishes from the Rec­
dord for a pleasant vacation.

Everybody (1) is working hard
on examinations this week.

Found.—A watch,—loser may
have same by calling at Secretary's
office and identifying same.

The football pennant and Brackett
cup now occupy a place in the library.

Let's keep the cup for a "series" of
years.

Mr. Charles Arthur Fields of
Regina, Canada, was the guest of
Mrs. Gilchrist and daughters for a
few days last week.

Mr. John Biselli, of Detroit, pres­
itent of the state forestry associ­
union, made the forestry department
a pleasant call on Wednesday of
last week.

Hon. J. H. Allen of Pocahontas,
Iowa, visited at the College the first
definite of last week. Mr. Allen and Byron,
after a ten days' stay, left with him
for Des Moines on Monday night.

The members of the 1905 foot­
ball team have presented to Director
and Mrs. Brewer a handsome silver
tea service of four pieces, upon
which is engraved the name of each
player.

C. D. Beebe, with '01, with a
party of six or seven friends visited
the College Thursday of last week.
Mr. Beebe is located on the old
homestead in Lenawee Co. and seems
healthy and happy as ever.

Miss Jessie Imnel recently of
Milwaukee has located in College-
village and is prepared to do sewing of
all kinds. She will make engage­
ments to sew by the day at the home
of her patron or may be found at
Miss Wellmans'.

Mrs. Whitmore entertained the
students and instructors rooming at
her home at supper Sunday evening.

The boys express their appreci­
ation of her thoughtfulness in
making this one of the most pleas­
ant evenings of the term.

A set of nine very pretty souvenir
postal cards have been received at the
library from Chaia A. Mosler and
will be arranged on a large
card according to the number­
ing. The cards present views in
and about Leland Stanford Univer­
sity, California.

The large drilling machine being
set up in the machine shop proved
to be very satisfactory as to driving
power in a test made last Saturday.

The feed gearing, which in some
machines of this class is weak,
showed a high degree of efficiency
in the M. A. C. machine.

Miss Edith H. May of Boston
was the guest of the Women's De­
partment Monday and Tuesday of
last week and gave two most inter­
esting informal talks on the condi­
tions and needs of India. Miss May
has spent several years at Alrhabad
under the Woman's Union Mission­
ary Societies. He is the oldest of
the Women's Missionary Societies,
having been organized in 1850, be­
fore the various church boards
were organized, and includes work­
ers of all denominations.

The party given by the sub faculty
Saturday evening was a very enjoy­
able affair. Everybody was on the
reception committee and it is believed
that every body is better acquainted
than they were before. In the base­
ment of the Women's building the
large hall, the Ferronian and The­
sonian rooms and the waiting
rooms were used for the occasion.

After an hour of hand shaking and
visiting, dancing and games occupi­
ped the time until 10:30 when the
forty guests assembled in the The­
sonian rooms where chafing dish re­
freshments were served. The com­
mittees are certainly to be compli­
mented upon the success of the party
and it is hoped that this may be only
the beginning of many pleasant
evenings spent together.

The 6th annual banquet of the
Olympic society was held in their
Olympic rooms Saturday, Dec. 9. A fishing
party of six or seven friends visited
Chas. A. Mosler and was found in a canoe fishing very
diligently. The fishing not being
very good, they occupied the time
in telling fish stories and some very
good ones were told. Dancing was
indulged in following the literary
program and continued until 1:30
when the guests retired to Club A
where the following menu was
served.

Menu

Oyster Cocktail
Salted Wafers
Olives
Pickle
Salted almonds
