VIOLA PAULUS

Some notices concerning Miss Paulus, contralto, who will sing at the Oratorio, Jubilee week:

Chicagos, Illinois, Musical Leader—Miss Paulus is a young singer of excellent promise. She was heard in a concert given by the American Conservatory last spring, to excellent advantage, again in the German performance of "Elisabeth," at Grace church. She was heard in the solo part and her singing brought no thing of it remarkable. At the University concert in the group of songs, she sang with a rarely beautiful charm, her singing always being given with special significance. At the University concert in the group of songs, she sang in an unaffectedly sincere and intensely musical way. Harris, "The Hills o'WAYS," Mac Duffell's "Sammer Song," and Mrs. Beach's, "There's the Spring," The Scotch song was sung with a nately beautiful feeling, and a most appealing tone quality, the line, "My weary, weary heart," being given with special significance. Miss Paulus pronounces her words with great facility and never for a moment allows her breath to gross at the sentiment she is interpreting.

Chicagos, Illinois, Musical Leader: Miss Paulus has a beautiful voice and a charming style, her singing always meeting with pronounced success.

Evanson, Illinois, Prens: Miss Paulus has come to the front of contraltos very rapidly and in nothing she has done yet she has approached to such advantage as with the Evanston Quartette.

W. J. Glasgow, in college '96-'97, will be here for the big reunion. His address is Rock Home, Alto, Mich.
M. A. C. 15 — KALAMAZOO 16

The game with Kalamazoo on Wednesday was sort of a barlyic on the national game. The field had been freshly graded, but was not only soft but covered with gravel and stones. It was simply the team that could hit the hardest and the longest was the winner, and M. A. C. was able. "New started in the box, was replaced by another in the seventh. The feature of the game was the all-round hitting of our own team. Vaughn hit clean hits—a single and one double —Krats, 3; Crissey, Knopp, Mills each 1, and each for the team each one. The following shows the scores by innings and summary.

1 2 3 4 5 6 7 8 9—R. H. E.
M. A. C. 0 0 5 4 12 0 3 1—16 19 8
Alma 2 0 0 0 0 0 0 1 0—3 3 3

In one of the cleanest bull games yet seen on our field, M. A. C. defeated by Alma Saturday by the above score. The day was ideal for a baseball game and the two teams very evenly matched. This victory puts Alma in the semi-finals, having won both of the other teams.

Alma started off with a rush, running in two scores in the first inning. This seemed to be a breeze to the home team and they did not cross the plate again until the eighth. In the second Crissey hit a base runner, stole to third and scored on a pass ball.

In the third Kratz made a single, advanced to second on a sacrifice by Ellis and finally scored on an error by Duncanson. Vaughn reached third but Mills and Thatcher failed to hit safely. The score remained till until the eighth and some very good pitching was done by both Albers and Duncanson. In the eighth Duncanson singled, reached second on a wild pitch, third on a passed ball, and scored on a hit by his brother. Kratz reached third, but the next three batters could not find the ball and this was the only change from tie score. Both teams played excellent ball and as usual the best of prevailing throughout the game. The four hits secured by M. A. C. Crissey is credited with 2 and Vaughn and Kratz each 1.

Innings.

1 2 3 4 5 6 7 8 9—R. H. E.
M. A. C. 0 0 5 4 12 0 3 1—16 19 8
Alma 2 0 0 0 0 0 0 1 0—3 3 3

THE M. A. C. RECORD.

The rain at DePauw on the 6th, prevented the game schedule for that day.

ATHLETICS.

The team made an exceptionally good showing against the strong Notre Dame team on May 7, which is considered the strongest college team in the west, and had been defeated this season. M. A. C. was also weakened by the loss of Capt. Grissom who was not able to return to action on threatened blood poisoning, just before the game. Mills was shifted to second and Vaughn was placed at short in which position he played a star game.

The interscholastic meet is an almost perfect fielding game, and N. D. conceded it to be one of the very best of the season. The team played a wonderful game, allowing the Hoosiers but two hits. Our opposition was in the sixth, Cerris was hit with a pitched ball and scored on a sacrifice and a scratch hit to right field. M. A. C. hit the ball hard all through, but fast fielding prevented runs. Crissey played his position in fine shape.

LILLIAN FRENCH READ, SOPHANO

Another soloist of note who will sing on the 29th in Lillian French Read. No soprano now in Chicago occupies a more enviable position in the musical world than Lillian French Read. Endowed with a clear, true soprano voice and a charming personaliy, Mrs. Read has moreover been fortunate in having the best opportunities for study afforded by this country and Europe. Mrs. Read is soprano soloist at Sinai Temple (Rabbi Hirsch). Although she has been before the public a few years her success has been very great and she has appeared as soloist with many of the well-known musical clubs.

Mrs. Read has a voice that carries well, is of good quality, and is handled with discretion. Whatever she contributed to the oratorio was enunciated clearly, and her aria in the first part was given with great beauty. (Ann Arbor May Festival —Detroit Free Press.)

The soprano of Mrs. Lillian French Read was all that could be desired. Her soprano voice, while somewhat narrow, was admirably suited to the voice of the Virgins, who expect to become teachers or to devote themselves to the public school building. The election of officers for the new city board will be held the following Tuesday, May 21.

A letter from Mr. McGregan to the city council regarding the city hall last week in Chicago, states that he is now located in Phoenix where before long they expect to do business at 180 degrees. Mr. McGregan says, "I am the greatest town for bicycles he ever saw, one man doing a $70,000 business last season. He met two M. A. C. men while in California — J. F. Wright and C. S. Alcove. He has looked in vain for a familiar face so far, but hopes luck will later turn his way. The city is now rooming in a pleasant place, but hopes soon to go out on a ranch."

He seems to regard to his many M. A. C. friends

The senior horticultural students are to receive some practical work in photography including the manipulation of the camera and the taking of photographe of different subjects in different lights and in developing. To be able to present the subjects properly is an essential in the training of those who expect to become teachers or experimenters in horticulture.

Everything on the campus has been at a standstill for so long on account of the continued cold weather that it is the ambition of some to get things growing in good shape by the 29th.

A fine large snow storm on May 10. Don't forget the slates.

The Lansing high school team won from our freshmen last week, 5 to 0.

Hillsdale comes for a baseball game tomorrow. Game called at 4:00 p.m.

Third and last call on the catalog. Let's hustle it along. Our supply of 1906 is exhausted.

No half term reports to be handed in this term. Students must wait for their F's and D's until the end of the term.

The cry is “On to Ypsilanti.” Everybody wishes both debating teams success in their contest with the Normal's.

A big mass meeting was held on the campus directly in front of the Women's Building on Wednesday noon. Watch announcement for the one this week.

Prof. Holdsworth and wife returned from the south on Thursday evening of last week. The professor believes the trip has done him good and has decided to remain at the College during the summer.

The debating team together with the baseball men leave for Ypsilanti on Friday morning at 8:45, via Jackson. Only party rates have been secured which will be $1.40 each way. Those desiring to go should deposit the necessary amount with Mr. Brewer on Thursday. The return trip will be made early Saturday morning.

The letters continue to pour in acquainting the authorities with the fact that “I'll be there.”

The legislature has appropriated $1,000 for the maintenance of the State militia during the week of President Roosevelt's visit.

The admission fee to the Oratorio, Elijah, Wednesday evening of Jubilee week as fixed by the general committee will be 50c. with an additional 50c. for reserved seat.

By recent action of the Board the following instructors were given the title of assistant professors: W. G. Sackett, E. H. Ryder, H. S. Reed, L. L. Appleyard, and H. L. Curtis.

A professor in the California State Polytechnic School, in speaking to a friend on the subject of forestry schools, states that M. A. C. gives “a complete course in forestry, second only to Yale College.”

Dr. J. W. Ferguson, who has been taking treatment for rheumatism in Toledo, died last week and the body was brought to his home at Okemos for burial on Wednesday. His daughters, Maud and Mildred, both College students, certainly have the sincere sympathy of their college friends.

Mr. Reeves, of the Bureau of Entomology, Washington, D. C., has been detailed to do some special work in Michigan on the Hessian fly. Mr. Reeves will make M. A. C. his headquarters for six or eight weeks and has a desk in Prof. Pettit's office. Mrs. Reeves accompanies her husband.

Miss Louise Allen, of Chicago, received a visit from her mother recently.

Miss Allen of Detroit was the guest of her son and daughter, G. H. and Mary, over Sunday.

Prof. Bogue is sitting up quite a good portion of the time now, and is doing considerable work in spite of his illness.

Word has been received that G. P. Bloomster, A. E. Falconer and F. A. Farley, of the class of '06, will be here for the big celebration.

Former instructors Swanger and Boyer recently attended the conference of food chemists on the staff of the Bureau of Animal Husbandry held in Chicago.

Mr. Thomas Geilert, special for ten weeks, has returned to his home in Benton Harbor. Mr. Geilert has been paying special attention to chemistry as related to the manufacture of vinegar.

Yesterday was the fiftieth anniversary of the opening of the college and the exercises conducted by Press Snyder consisted of a short review of the program as carried out at that time.

Those who heard Mr. Rogers in his talk Thursday evening were greatly pleased. Mr. Rogers always has something of interest to give to the students and his visits are greatly appreciated by the students. The association is aiming to have a good delegation at the Niagara Student's Conference which is to be held immediately at the close of the spring term.

Miss Nell Stringham of Tecumseh was one of the out of town guests to attend the Military hop, Friday evening.

Senator Small attended the M. I. A. Board meeting held at Jackson on Friday. The detail work for field day was finished up including the selection of officials.

Mr. F. R. Hurst paid a visit to the College Sunday, shaking hands with his old friends. His address at the meeting Sunday evening was listened to and enjoyed by a good audience.

In the class games played Saturday the sophomores won from the freshmen 5 and 4; the seniors from the juniors 13 to 3; and the sub-freshmen and sophomores played a tie 4 and 4.

Mrs. M. Newlon, mother of Lulu Newlon, ap. last winter, died at her home on college heights, Wednesday, April 13, at 12 o'clock. She had been a sufferer from rheumatism and organic heart trouble, and had but recently returned from Mt. Clemens where she had been taking treatment. Mrs. Newlon has lived in the vicinity of Lansing during the whole 50 years of her life, having moved to the college two years ago. Miss Lulu was called home recently from the normal to care for her mother, and her many friends, as well as the college community, will extend sincere sympathy to herself and her aged grandmother. Besides these she leaves a sister, Mrs. W. Smith, who lives north of the college.
DOIN' DOWN IN INDIANA.
At 8 p.m. while pa and me
Helped settle in with sin,
Both Tom and May in distant seas.
Not far apart like this.
At 9 p.m. as pa withdrew
And sought his room upstairs.
There remained some photographs
And near to brought their chairs.
At 10 p.m. bad decamped.
And, ye gods, what blim;
These lovers sat till quite
About Columbus—eh?

IF I WERE A BOY AGAIN.
If I were a boy again, and set
Back where I used to be,
I would not gaze at the hills nor fret
For countries o'er the sea;
But I'd understood that the lane and vale
Hold much for a master's ken.
And I'd make the most of my narrow
Place, if I were a boy again.

If I were a boy again, I'm sure
I'd envy no man—not I,
Nor chafe that youth must so long enve
If I were a boy again, there's none
Whoes least of chains should be—
Whatever might entangle, secrets none
Should come 'twixt twist mother and me.
I were a boy—but that the winds are true
And holds my hurrying pen.
Oh, many the lessons I'd put to use
If I were a boy again.

On Friday, the 10th, Professor Barrows visited Goodrich, Genesee County, and spent the afternoon in examining the natural history collection of Mr. Samuel Spicer. Mr. Spicer has resided on the same farm since 1845, and during a large part of that time has been observing and gathering birds and mammals of which he has a fine collection. A specimen of the Carolina Wren, taken several years ago, is the sole record for Genesee County and the collection contains numerous other interesting specimens, one of which Mr. Spicer had recorded as the black vulture proves to be the somewhat more common turkey buzzard. There is no record of the black vulture for Michigan.

Mr. Geo. E. Stone, who studied and worked under Mr. Newell a part of last year, writes Prof. Sawyer that he has settled at Seattle, Wash., where he is with the Seattle Electric Co. He states that Seattle is now a city of 25,000 and is still growing. He has an excellent position with good prospects for advancement.

Prof. Fitcher is preparing a plan for the planting of North Side Park near Hastings, Barry county.
