DEBATING CLUB.

Michigan 46—M. A. C. 0.

Defeated by no means diserved were the wearers of the olive green when they stacked up against "Harry Up Year's forecastable machine on Friday night last Saturday afternoon. The score was 46 to 0, but taking all into consideration, the team made another splendid showing and should not be found fault with. Coach Brewer expressed himself as well satisfied with the work of the team.

Capt. Small and his men were given a rousing send off Saturday morning when they left for Ann Arbor and every man went away knowing the students were behind them and they fought to the last ditch.

Of course, the university men greatly outweighed us and this combined with good football was the team's defeat.

Michigan scored five touchdowns and three goals in the first half, but in the second half M. A. C. had the upper hand and all Michigan could do was to cross our goal line three times.

During this half McKenna on the negative gave a rousing send off Saturday night and assisted Coach Brewer in drilling the line men. The left side of the line still seems to be a little weak, most of Michigan's gains going through that side. It is hoped this weakness will be remedied before the Wabash game.

McKenna has shown up well the past week as a drop kicker and with more practice, promises to become a star at that branch of the game. Vaughn still continues to host the ball well and is doing some star work at half. He and McKenna are showing great form in the use of the forward pass.

Courtright is doing good work at fullback. Sheffield has been playing left end in his old time form, while Frager has been holding down right end. Wheeler seems to have first choice for right tackle, while Tiny Parker is in his old place at right guard.

McWilliams, Campbell, Octy Moore, Allen, Dunlap, Leman, McGraw and Anderson are all playing good ball.

Capt. Small, the old reliable, is still shouting signals, but a succes- sor will soon have to be found to fill his place as it is doubtful whether he can play in any of the championship games. McGraw and Court- right are the most likely candidates.

The game with Notre Dame which was to be played next Saturday has been cancelled, as the Wabash game is to follow a week later, and as this will be the biggest game ever played at M. A. C., the management deemed it unwise to play three big games in three weeks. Instead of playing the Hoosiers, a regular game will be played between the varsity and the reserves.

This ought to prove a more interesting game than if some weak team were played.

M. A. C. SECOND TEAM VS. OLIVET RESERVES.

While the Varsity was battling at Ann Arbor, the second team remained at home and fought it out with the Olivet reserves. It was a hard fought game, the two sides being almost evenly matched. M. A. C., however, had a slight advan- tage and in the first half scored a touchdown and a safety. In the second half Olive secured a touch- down on a fluke and kicked a goal, making the score 7 to 6. The half ended with the ball in Olive's ter- ritory, no more scores being made. The second team lacked team work but almost every one played a good individual game. The team has had but little chance thus far to practice together, but before the end of the season they will hold their own with any of them.

The Columbian Literary Society gave their fall term eleven o'clock party in their rooms in Williams hall last Friday evening. The beauty of the decorations has seldom been surpassed. They consisted chiefly of autumn foliage and harvest-time suggestions. A very pretty old English room was represented in one of the rooms, which was furnished both in original and the usual Parker’s orchestra furnished the music for dancing. Dean and Mrs. Sawyer and Prof. and Mrs. Ryder act as chaperons.

COLUMBIAN ELEVEN O’CLOCK.

Next Sunday evening, Oct. 20, the union meeting will be addressed by Judge C. B. Grant, under the auspices of the Prohibition League. Mr. Grant has been a judge of the supreme court for a number of years, and is well known for the stands he has taken on the important problems of the state. The many addresses he has delivered throughout the state have been favorably received, and we are very fortunate in getting him to speak to us. We should show our appreciation of his good work by greeting him with a large attendance.

THE AVERAGE man are as colorless as average clothes. College men are outside the average—their tors—College Brand Clothes are. Just a bit more dash to ‘em, a great sight more style and the precisely right amount of fit. Though exclusive their price isn’t enough to exclude you from wearing ‘em.
