THE FOREST WALK.

The Forestry Walk was "polled off" on Saturday, October 17th. The men were given their route number the evening before which gave them the hour of starting. Promptly at 6:15 Saturday morning nine men who had drawn the seven o'clock start were given their routes, and after having signed up the condition of the walk, were photographed, and at seven o'clock sharp were started. Maps of Ingham county on which were outlined separate routes for each man were given as guides for the walk. At eight o'clock a second division of thirteen men made their start.

The conditions of the walk were as follows:

1st. To accept no aid in covering the ground, but to walk the entire distance.

2nd. To follow absolutely the route outlined on the map, or to carefully designate any changes made in the route.

3rd. To post a card at each post-office indicated on the map of the route followed.

4th. To correctly indicate on the map the point reached at the expiration of the ten (10) hours.

5th. To report promptly at the Forestry to the secretary any return from the walk, and return reports.

6th. To be fair and square.

Twenty-two men started and finished the walk. Except for slight lameness the next day, none of the men were the worse for the trip.

The following is a list of the men who walked, with the number of miles covered in each case:

THE CAMPUS IN AUTUMN.

"COMMON TREES AND THEIR UNCOMMON FLOWERS."

LECTURE BY DR. J. HORACE McFARLAND, PRESIDENT AMERICAN CIVIC ASSOCIATION, MICHIGAN STATE AGRICULTURAL COLLEGE, APRIL 13, 1908.

The second meeting of the Forestry club held in the armory Oct. 12 was a marked success and attracted a large audience.

The speaker of the evening, Dr. McFarland, President of the American Civic Association, was introduced by Dr. Bird. Dr. McFarland's subject, "Common Trees and their Uncommon Flowers," was illustrated with some optical views, some of which were made with the new lensar process of color photography.

The views were especially good and brought out the exceptional beauty of the flowers, fruit, and leaves of many of our native trees. While the lantern was being adjusted Dr. McFarland spoke on the vanishing hard wood supply. Unless a definite forestry policy be adopted our children will be sitting down to concrete tables and using iron chairs, providing there won't be enough wood left to make the pattern. The people of the United States should demand that such a policy be adopted even over the barrier imposed by the head of the house of representatives. The 500,000 acres of state land in Pennsylvania is but a drop in the bucket compared with the amount of timber land owned by individuals and corporations. As an illustration of the profit to be had from tree planting thirty years ago a friend of his planted thirty acres of vines of white pine and then abandoned the land, considering it of no value. Recently the 50 acres was sold for $6,000, as the second growth white pine was worth $200 per acre in 30 years. In view of these facts why not adopt systematic forestry methods and restock our waste lands?

Throughout his lecture Dr. McFarland made repeated appeals for the protection of shade trees for their aesthetic value and deplored the work of the "tree butcher" who mutilates beautiful street trees for the profit to be had from tree planting. Thirty years ago a friend of his planted thirty acres of vines of white pine and then abandoned the land, considering it of no value. Recently the 50 acres was sold for $6,000, as the second growth white pine was worth $200 per acre in 30 years. In view of these facts why not adopt systematic forestry methods and restock our waste lands?

GRAND RAPIDS ALUMNI EXCURSION.

WILL RUN ONE TO COLLEGE OCT. 31.

The Grand Rapids M. A. C. Association will run an excursion to the college Oct. 31, leaving the Union station at Grand Rapids at 8:30 a.m. and returning at 6:30 p.m. Fare for round trip, $1.40. Tickets may be secured of Wm. M. Adams, Adams & Hart, 37-39 N. Division St., Grand Rapids.

This is the day of the Wabash game, and a second of the bleachers has been reserved for the Grand Rapids crowd. Students having tickets in that city are urged to notify them so that they may take advantage of this excursion to visit the college. This association is hustling and is doing much for M. A. C. in its city. Let's make it make a great game, and a good time while they are with us.

CHORUS NOTICE.

The organization of the chorus has been postponed several weeks beyond the usual time because of the illness of Miss Freyhofer. The next meeting will be held next Monday evening at 6:45 at the College chapel, at which time the officers will be elected for the year and the rehearsal begun.

The cantata, "The Seasons" by Hayden has been selected for the work this year. It is a very beautiful composition, full of melody and charm, both in chorus and solo parts. The parts have been assigned according to the voices with which they harmonize best.

NOTICE TO SPECIAL STUDENTS.

The question has arisen in regard to the matter of having special students wear caps.

With this object in view the Student Council passed the following resolution:

Resolved, That all special students who have the majority of credits in the freshman class shall be required to wear a freshman cap, and all others having a majority of credits in the sophomore class shall be required to wear sub-freshman caps.

Sec. Student Council.

A letter from J. W. Baite says, "My young heart is so enthusiastic over that game (Mich. vs. M. A. C.) that I have been practicing tackling the cat for the past several nights. Shall one day see successor of Verdancy. As some tall derby (continued on page 5.)

PLAY BY HALVES.

M. A. C. kicked off to Normals, who were forced to punt almost immediately. Courtright receiving and advancing the ball, he was

wheeler hurdled and was penalized 15 yards. Malesky punt 50 yards, Normals were downed on 45-yard line.

Exelby made 25 yards through tackle, and on the next two plays the ball was on Normals' 25-yard line, where M. A. C. lost the

ball. Normals were held for downs and kicked to "Court." A quarter back run netted 35 yards off left end. Soules was injured in tackling Courtright and time was set for a

quarter, while Malesky replaced Soules. A delayed pass by Exelby, a crossing pass, was intercepted by Wheeler and Malesky, and

M. A. C. scored her first touchdown.

McKenna kicked goal. On the next kickoff Whitney put the ball on Normals' 40. Malesky punted out of the 25-yard line for 60 yards. On a forward pass Whitney was

intercepted by Frazier on the two-

H. S. Earle, defeated candidate for governor on the Republican ticket, has a new lecture, Wednesday evening. Miss Freyhoffer has so far recovered from her recent illness as to be able to take up her work again at the college.

The members of the football team attended the Quincy Adams Sawyer performance at Baird's opera house Saturday evening as guests of Manager Williams.

The Grand Rapids M. A. C. Association will run an excursion from Grand Rapids to the college grounds October 31st, leaving the Union station at 8:45 a.m., and returning at 5 p.m. from the college. Fare $1.40 round trip. Tickets may be obtained from Wm. M. Adams, of Adams & Hart, 47-49 N. Division St., Grand Rapids.

H. S. Earle, defeated candidate for governor on the republican ticket, has a new lecture, Boots, Matches, Candles and Other Deserving Young Man.

Amy Hurlburt, '08, visited M. A. C. friends Saturday. Only two more home games this season, Wabash Oct. 31 and Alma Nov. 4. The first meeting of the chorus class will be held in College chapel next Monday evening. See notice in another column.

Rev. Corbett, of the East Lansing church, has moved his family from Adrian. They will occupy a house in Lansing until one is available in East Lansing.

Several of the oak in front of the library building were ruined in the early days by horses grazing them. Mr. Gunson has lately been reinforcing the trunks hoping to preserve them for a few more years.

At a preliminary test of the East Lansing well last Friday it was found that only 60 gallons per minute were available. It is now down 300 feet and will be driven 50 feet farther. The rock is much farther beneath the surface than at the college wells.

About 60 couples were in attendance at the first Hesperian party of the year, which was held in the armory Saturday evening. The decorations (autumn leaves and corn stalks) and the refreshments served (cider and doughnuts) were typical of the season. Music furnished by the M. A. C. orchestra. Dean and Mrs. R. S. Shaw and Coach and Mrs. Brewer were the chairmen.

The Thomian Society gives its opening event Saturday. Some rush posters are still left, and are for sale at 15 cents. "Cherly" Edwards will have charge of the Athletic dope for the Raconteur for the remainder of the year.

The College has been asked to loan its real valley for the purpose of rolling the gravel road east of the College. Seats for Wabash game will be on sale at 12:30 Monday in Coach Brewer's office. Exchange your season ticket coupon for them.

At a meeting of the faculty Saturday a new schedule affecting afternoon classes was adopted. Hereafter until further notice the afternoon bells will ring at 1:15, 3:15, 4:15, 5:35 and 6:00.

The young people of the college are cordially invited to a Halloween social by the Y. P. S. C. E. of the First Presbyterian church, Lansing, Friday night. Pumpkin pie and sweet cider.

About 150 students met in the college chapel Friday evening and formed a republican club with the following officers: Pres., C. J. Oviatt; Vice Pres., C. W. Mason; Sec., C. C. Taylor; Treas., J. A. Mitchell. The executive board is composed of P. G. McKenna, R. V. Tanner and A. J. Hutchins. The club was organized under the auspices of the National College Republican League.
