VARSITY AGAIN HELD TO SCORELESS TIE.

RESERVES SHOW GOOD FORM.

Battling desperately against heavy odds De Paul University today held the Michigan Agricultural College nine eleven to a scoreless tie in one of the frichest struggles ever witnessed on the De Paul field. In the strange the "Aggies" at bay, the Northwesterners added another triumph to their long string of classy performances.

De Paul put the brakes on the formerly high-powered Aggie offense and worked splendidly in the defensive department. The offense, in a typical De Paul manner, hit the ball an average of 15 yds. behind the line of scrimmage and used it with deftness and precision.

The Aggies swept the field the first nine complete after three minutes of shock and downing the play from behind. They had a knack of getting around any defense they "were forced to seek salvation through the medium of kicking. Colt Haggerty's squad was cornered in their own territory for the first nine and then the Aggies threw three of their best firsts and second-halves.

The game was a battle of defense and offense. Neither squad was able to score, and the Aggies were not able to get on the scoreboard and the Fighting Aggies were held to an even score for the second half.

The Michigan Agricultural College team returned Saturday by a score of 22-5. The game was a hard-fought one and both teams were evenly matched. The Michigan Agricultural College team had a hard time getting the score, and the visitors were forced to seek salvation through the medium of kicking.

The Michigan Agricultural College team shows its old-time snap and vigor, and in the second half honors were at minimum. The Michigan Agricultural College team is exceptional weak and seems unable to realize that the Michigan Agricultural College team has come to be a mighty worthy competitor.

BAND GETS NEW INSTRUMENTS.

When the band turns out for the Wabash game next Saturday, it will appear with a new outfit of drums and cymbals, made especially for the band by Willard Bryant of Detroit. The new drums are much heavier than those used here before and will add much to the work of the band. A York bass has also been obtained this fall from Grinnell Bros.

The band numbers go men at the present time, and is in "very good condition for so early in the season." The promenade concerts will be given this year, the first one to be given Friday evening, Nov. 20. These promenades were popular last year and are expected to be popular this year. Time of halves, 20 and 15 minutes.

GRIDIRON NOTES.

In the first of the class championship games the freshmen defeated the juniors by the close score of 5-0 Saturday afternoon on the college field. The only score of the game was the result of a well executed forward pass, which brought the ball to the juniors' ten yard line. The next play pushed it over. Ballard failed to kick goal.

The game was a good exhibition of football, and the juniors were no means up to the standard of the freshmen. Present. Mills and Krecht for the juniors were stars of the game, while for the freshmen Ballard played a great game.

The result of this game eliminates the juniors from the race, the freshmen playing the winner of the senior-sophomore game next Saturday before the Michigan game is called.

The senior baseball team has recovered from the losses under vents which are quite the thing," being of heavy navy blue wool, with a yellow '09 on the left side.
