NOTRE DAME IS BADLY BEATEN

M. A. C. 17 - NOTRE DAME 0

About 4,000 people witnessed the game on Saturday last when Long- 
man's big team went down to defeat in the nose of 17 to 0. It was one 
of the biggest best behaved crowds ever seen on the field and also one 
of the closest, for the upstart team of games. Results are all the more gratifying 
when it is known that the team was not in prime condition and the starting 
prevented. Previous to the banquet an hour was spent in handshaking and 
visiting.

The best feeling prevailed, and in the banquet the band was 
played a most excellent game. The best that can be said about the 
M. A. C. is vastly underrated. There is no team in the west that 
can defeat the farmers' school on the field. We were licked and the sting 
of defeat is allayed by the fact to such spectators like bunch of men. When we de-
feated them at Notre Dame last year they showed themselves to be 
as game losers as any team I ever saw. M. A. C. is one of the most 
sportsmanlike, best spirited schools ever saw.”

FOOTBALL NOTES.

Ex-Capt. Redden, of Mich., was 
on the side lines Saturday.

The band was on hand and added 
very materially in the enjoyment of 
the day.

N. D. outweighed M. A. C. 12 

pounds per man, but lacked the 

snap which Brewer’s men showed.

The association clears about $500 

on the game. N. D. was paid $200, 

and other expenses were practically 

$200.

Brewer, Marquette’s coach, and an old Wis. star, and Capt. Hanley, 
of the Marquette team, witnessed the game.

The largest number of old stu-
dents ever returning for any game 
were here Saturday, some coming 
500 miles. They were satisfied, of

course.

Unusual recognition was given us by the press. Both Free Press 
and Detroit News Tribune sent 
special sporting writers to write up the game.

A big demonstration followed the game Saturday evening, when 
several hundred students painted Lan-

cing red. A big bonfire was built 

near the Bijou, and Lansing busi-

ness men responded heartily to calls

for speeches. In the big parade as 

heading for a trip to Ontario, New, 

York, and other points and will be 
at home after leaving, on a tour to 

Maple-side farm, Howell, Mich.
