**THE MILITARY BAND AT M. A. C.**

The best military cadet band in the country. The band which has aided, by its excellent music, every occasion when such aid was requested. The band which has given us open air concerts on each Wednesday evening of the spring term. M. A. C. appreciates such an organization.

**COMMENCEMENT.**

With a graduating class numbering more than 125 members, this year's commencement will be a record breaker in attendance as well as in other particulars. Plans are going on rapidly for the various events, and a good time is assured our seniors during this, their last week in college.

The committee, having in charge the senior reception, is composed of Prof. Eastace, Prof. Vedder, and Miss Gilchrist. This has come to be one of the most important features of the commencement festivities, and will be looked forward to with much pleasure by all.

The program as arranged is as follows:

Friday, June 15—Commencement Parties.
Saturday, June 17—Faculty reception to seniors, 8 p.m.
Sunday, June 18—Baccalaureate sermon, by Rev. A. W. Wishart, of the Fountain St. Baptist church, Grand Rapids, 3:00 p.m.
Monday, June 19—Senior class-day exercises, 2:00 p.m.
Monday evening—President's reception to senior class.
Tuesday, June 19—Commencement exercises, at 10:00 a.m. Address by Dr. James K. Patterson, of Kentucky State University.
Tuesday evening—Commencement parties.

The seniors hold their annual picnic at Pine Lake, on Saturday, June 17.

A large number of alumni and former students are expected back to join in the week's festivities.

The senior girls have a house party at Pine Lake on Tuesday.

---

**CAMP NIGHT.**

The big farewell to the seniors, known as cap night, will be held on Thursday night of this week, and it is hoped and expected that every one will turn out and help make this event one long to be remembered.

The program will consist of speeches, music, fireworks, and the usual number of stunts will be carried out. Last year a large number of Lansing friends, as well as College and East Lansing people, witnessed the festivities, and everyone enjoyed the same immensely.

The program will start promptly at 7:30, so be ready to swing into line. The classes will gather in groups, as indicated on the posters. They will then join in a parade, headed by the band, and the way to Steeple Hollow will be illuminated by colored lights. At Steeple Hollow the program proper will be carried out around the big camp fire.

The music will be contributed by the College Military Band, the girls quartet, and the Aeolian quartet. Speeches will be made by the junior and senior class presidents, C. J. Oviatt, of Bay City, class of 1906, by Mayor Gunson, and others. A good display of fireworks will be a feature of the evening.

The burning of the senior book, and the freshmen and prep caps will be carried on with due ceremony, and the program will be fun from start to finish.

Led by the band the entire gathering will sing Alma Mater at the close of the evening program. Cap night has become one of the important functions of the season, as the classes are brought into the closest relationship, and the old and the new are more firmly cemented together.

69.

George R. Torrey, a student at M. A. C. during the years of 1887-1896, was a college visitor the past week, for the first time since the semi-centennial in 1907. He is connected with the C. H. Little Co., of Detroit, dealers in building supplies. Mr. Torrey has been with the above firm since 1896, and is still able to visit his offices each day and take care of his share of work. "A visit to the campus brings to mind many interesting events of the early days," said Mr. Torrey, and, while they were not all the most pleasant, he was perfectly willing to tell of them. Mr. Torrey was on hand before the shavings from the first building were swept out. Saints' Rest, the half way stone and "hard back and cheese" were all commented upon, and Mr. Torrey believed there had been progress all along the line.

92.

Edwin J. Freeman, of Minneapolis, Minn., paid the college a short visit on Saturday for the first time in 15 years. He was both surprised and delighted at the progress of the old school. Following his graduation, Mr. Freeman was professor of physical sciences at the State Normal, Woonsocket, R. I., until '97; when he accepted a position as professor of chemistry at the Northern Institute of Osteopathy in the same city. He is now connected with a large manufacturing concern in Minneapolis, and when here was on a trip in the interests of his company. The company manufacture automobile supplies, and are doing a rushing business in these days of rapid transit.

69. Chas. G. Watson, with '96, was on the college grounds a day or two last week, doing a little superintending work on the new addition to the chemical building. Mr. Watson is a contractor of Detroit.

**WASHINGTON NOTES.**

A. E. Kocher, '92, is in from soil survey work in Texas to spend the summer.

H. E. Young, '02, editor of the *Farmer's Review*, Chicago, visited Washington M. A. C. alumni on the 9th. He was on an extensive eastern tour in the interests of his paper.

E. J. Krause, '07, research assistant in horticulture at the Oregon experiment station, was in Washington a few days recently on some work in connection with his post graduate work at Cornell University.

W. H. Lapham, '99, in charge of the western division of the soil survey, has left Washington to spend the summer in supervising survey work in the Pacific and Rocky Mountain states. His wife and little daughter accompanied him to Colorado.

Word was received recently from the Philippines to the effect that R. L. Clute, '96, has severed his connection with the bureau of agriculture, as an agricultural inspector, to finish work on a text book of elementary agriculture for Philippine schools. C. M. Conner, '92, is assistant chief the bureau of agriculture.

COMMENCEMENT PARTIES.

The second annual banquet of the Officers of the Military Department was held at the Hotel Downey on June 5, 1911. The affair was in the nature of a farewell to Capt. Holley, who leaves the college to join his regiment in the regular army.

After a delightful dinner, the following program of toasts was given, with Capt. C. W. McKibbin as toastmaster:

1. Army of Life—Sargent, P. J. Cross, S. A.
6. Adios—Capt. G. M. Holley, U. S. A.

At no time in the history of the college has the Military department been in better condition, and each speaker took occasion to compliment the work of our popular commendant.

Capt. Holley spoke interestingly on the subject of International Peace, and stated, that as a class, no one is more anxious for peace than the soldier, himself. Home ties have been established, and he is loath to leave these for the privations of a life in the army. The speaker reviewed his work at M. A. C., and stated that he had enjoyed the work during the past two years very much indeed.

The officers of the college regiment, numbering fifty, attended this banquet in full dress uniform. Prof. F. S. Kedzie was among the guests.

The menu cards were of the college green, an excellent picture of Capt. Holley appearing on the cover.

TAU BETA PI.

The year's activities of Tau Beta Pi were brought to a fitting close last Thursday night when Mr. G. W. Williams, '95, was initiated as the honorary member. Mr. Williams received the advanced degree of Bachelor of Science from this college in 1891, and is now superintendent of a manufacturing firm at Dundas, Ontario. After his initiation, the college adjourned to Club G, where a good feed was in readiness. Prof. Wil- lliams' speech as toastmaster, and the following toasts were responded to:

2. The Engineering Profession—Dean G. W. Bissell.
3. The Present—G. W. Williams, '95.

The alumni members present were:

The members graduate this June, leaving the chapter with an active membership of eight with which to begin the work of next year.

COSMOPOLITAN CLUB FARE-WELL BALLET.

The second annual banquet of the club took place last Wednesday evening, June 7th, in the parlors of the club. The tables were daintily decorated with carnations in red and white, which are the colors of the club. The menu was in the nature of a strawberry feast, augmented with enough solids to make the feast unsurpassed.

Toastmaster E. C. Lindemann called upon the following gentlemen, who ably responded to their toasts:

A. Innes, '11: "Launching the C. C. at M. A. C."

C. Okolski, "Looking Backward." J. F. Campbell, "Cosmopolitan Athlete in Action;"

Mayor T. Gunnson, "The Man and the President;" A. Dillon, "Farewell, Seniors;" President-elect H. Haugh, "The Outlook for 1912;"

The assembly favored the suggestion of E. C. Lindemann to publish an alumni leaflet. The banquet left the members in an invigorated spirit for productive activities in the coming 1912.

A SURPRISE.

On Monday evening, June 6, Miss Cool was given a dinner party by the department teachers. The party, which was a surprise, was in honor of her approaching marriage.

A delightful menu was served, after which the following program of toasts was given:

1. The Groom—"None but himself can be his parallel." Miss Cool.
2. The Mother-in-law—"And all her pets are gone." Miss Cool.
3. The Bride—"Angels are praised fair to look upon." Miss Cool.
4. Miss Rosemond Kedzie.
5. The Yet to Be—"Be wise today, 'twas madness to defer." Miss Freyhofer.

MCDERMID IS UN-Anlous Choice For Treasurer.

The junior class met on Thursday night last, and placed in nomination candidates for the several offices. On Friday the election was held, and, though very close, the result was fairly decided. With the exception of treasurer, the successful candidates were elected by four to eight votes. F. H. McDermid was unanimously chosen for the second time as treasurer. HORT. CLUB BALLET.

Another most enjoyable banquet was that of the Hort Club on Tuesday evening of last week. Nothing was included, either in the menu or in the decorations, that was not a fruit of some sort. Every fruit which the market affords was served and served in all sorts of ways. The banquet was held in Williams Hall, and the institution of the club, its peaches, the menu, and the floral decorations, made a very pretty scene.

The third annual banquet of this club, and the event was in the nature of a farewell to the seniors. The members, together with their guests, gathered at the Hort, building at 7:30, and marched in a body to the banquet hall. Secretary and Mrs. Brown were guests of honor.

After the banquet was served, C. R. Taber, president of the club, presided as toastmaster, and called upon the following for short talks:

M. Brown, Prof. H. J. Eustach, L. B. Scott, of Auburn, J. Mayson, President, and R. Garden, of the Michigan Horticultural Society, and Benton Gebhart, of the Hort.

The affair was a fitting close to the successful year's work accomplished by the club.

ELECTIVE ELECTION.

The Eclectic Society held their annual election of officers for the fall term of 1911, Saturday, June 3. The following is a list of the candidates elected: Harry V. Collins, president; P. L. Allen, vice-president; Harmon N. Storms, treasurer; Glenn T. Calk, marshal; Leon J. Hughes, Recorder editor. Leon J. Hill, house inspector.

After the election a smoker and tenderfoot was given the new officers, and a general good time was enjoyed.
Student pay day Wednesday. All bills should be in today.

Miss Katherine Collins, with V8, is employed as nurse at Cottage D, in connection with a case of fever.

Miss Margaret Chaffee, who has been ill at her home for several weeks, is again at her post in Prof. French's office.

The track team and base ball team were photographed today, and these pictures will be added to the group pictures now displayed in the athletic department office.

The junior class team won two of the series of games with the preps. The championship now lies between the juniors and sophomores, and these teams will play the final series this week.

Honor Eaton, '09, who is connected with the city gas works at Flint, was a college visitor the past week. After graduation Mr. Eaton was with the Gas Co. at Jackson for some time, then at Saginaw, and now in the same line of work at Flint.

An ordinance granting the M. U. R. to change its road bed on Grand River Ave., M. A. C. Ave., and Linden St. in such a manner as will straighten what is now a difficult curve, is proposed. When the lines are completed it is planned to have through cars from Owosso to Jackson. The ordinance will be voted upon at a special election, to be held at the public school house on June 19, a three-fifths vote being necessary in order to pass same.

Dean Lyman was called to Vicksburg, Mich., Saturday, on official business.

See Brown was in Schoolcraft a day or two past week, looking after his interests at that place.

Verne C. Schaffer, '11, of Sturgis, and Miss Tass Gardner, of Lansing, are to be married on June 20.

Miss Rosamond Kelzie, who has been teaching at Jacksonville, Ill., the past year, is at home for the summer vacation.

The board, as audited in the various clubs for the spring term, is as follows: A, $2,935; B, $2,855; C, $2,333; D, $2,333; E, $33; G, $2,930.

The band will not give their usual concert on Wednesday evening. A number of the players will be absent, and it was thought best not to make any promises for that date.

The last meeting of the athletic board of control for the year was held Friday, and was well attended. A review was taken of the past year's work, and plans were talked over for the coming year.

Five members of our present graduating class are sons or daughters of former M. A. C. men. Here is the list: Miss Margaret Kelzie, daughter of G. E. Kelzie, '73; Ralph W. Sloss, son of W. J. Sloss, '76; Robert Holdsworth, son of W. S. Holdsworth, '78; B. S. Porter, son of Benjamin C. Porter, '87, and Geo. H. Collingwood, son of Judge C. B. Collingwood, '85.

Mrs. Eustace entertained at dinner, Wednesday evening, in honor of Mrs. A. J. Fatten.

Mr. Samuel Cochrane is building a new house on the Chese and Angel addition, near Pine lake.

U. C. Zehff, '14, has been obliged to drop out of college on account of illness, and has gone to his home in Seneca Falls, N. Y.

Dean Shaw was in Adrian on Saturday, where he made two addresses before the farmers' organizations of that community.

Prof. Macklin has secured a game of football with the Ohio Northern University, which practically completes the list of games. The schedule will be published in our last issue of the Record.

M. C. Greenleaf, of the present graduating class, has been tendered a position at Flint with the City Gas Works. He, however, had already decided to go to Detroit, where he will be employed by the gas company of that city, in whose employ he has already served two years.

The Idler party given in the Armory on Friday evening was in the nature of a shirt-waist party, which added to the comfort of the evening. The college orchestra furnished excellent music. A special feature dance was given by six girls in costume, and was greatly enjoyed. The patrons for the evening were Prof. and Mrs. Babcock, Prof. and Mrs. Wilson, Mrs. Lan- don and Mrs. Robson.

Miss Mary G. Allen, '09, who has been teaching at Cape Girardeau, Mo., this winter, paid college friends a visit the past week.

F. A. Burt, instructor in zoology, has a fellowship at the Chicago University, and will spend his summer vacation in study at that institution.

Miss Agnes Crumb has resigned her position as assistant librarian. Her place will be taken by Miss Betty Pilen, a member of the present graduating class.

Messrs. Hargrave, Chas. Robinson, and B. A. Sias took the third degree of Masonry at the Okemos lodge room on Thursday evening of last week. Several of the Lansing members were out.

C. F. Barnum, junior ag, was at Akron, Ohio, the past week, making a re-test of the milk produced by a registered Guernsey cow owned by O. C. Barber, of that place. This cow, known as Sperrywood Daisy Pearl, has a record of 450.62 pounds of butter fat in six months. This exceeds any previous Guernsey record by 35 pounds.

The lawn fete given by the soph- omores on Friday evening was in the nature of an out-of-door ten o'clock. Ice cream and wafers were served. The class cleared over $17 on the venture. The band, always ready to aid everybody, was on hand, and the thanks of the entire class are tendered for the music furnished on this occasion.

M. A. C. 2—OLIVET 3.

In the final baseball game of the season the home team lost out on Oliver ground, Saturday, by the above score. Although the home team hit harder and offered, failure to hit at opportune times was a feature. Twice the bases were filled, but the lucky hit was not forthcoming.

Olivet made one run in the first and one in the second. M. A. C. bunched and put two over the home plate, thus tying the score. With no one on bases Olivet sent in a man who put the square over the fence and tallied No. 3, and the winning score in the sixth. The fielding was of a high order on both sides, and Olivet furnished a good crew of loyal roosters who claimed the victory of the day.

A summary of the games will be published in the last issue of the RECORD.

Mrs. J. F. Baker entertained a much invited group of friends Saturday and Sunday evenings.

FACTOR-Y-SENIOR GAME.

A goodly number of college people witnessed the faculty-senior baseball game Tuesday afternoon, which game was treated to a good class of ball. The faculty started out strong, and had the game ended with the first inning it would have been different, as at that point the odds were in their favor 5 to 3. Rec defeated his fielding and batting, and also got a difficult put-out and one double. Dean Lyman secured the first run in the first inning. In the second two more runs were made, which closed the scoring for the faculty.

Those who took part in the contest were: Prof. Macklin, s; Dean Shaw, p; Prof. Walker, s; Pres. Snyder, s; Sec. Brown, 3; Prof. Halligan, f; Fielders, Prof. Reed, Prof. Wendt, Dean Lyman, and Dean Hissell.

The complete batting list was not available, but there were several at least, so say the seniors.

For the seniors, Lindy and Watts were used in the box and Anderson for catcher.

The final score was 7 to 3 in favor of seniors. The roosters were satisfied, and everyone enjoyed the game.

Dean and Mrs. Bissell entertained a large number of faculty guests at dinner on Wednesday evening.

Miss Palm and Miss Felton entertained the senior girls Monday evening at the home of Miss Felton on Grand River Ave.

Mrs. Sanford entertained at dinner Friday afternoon, in honor of Miss Grace Talbott, whose marriage to Prof. Kunze has been announced.

The New York State Veterinary College has presented the veterinary division of this institution with a complete file of its publications pertaining to veterinary science.

Miss Gilchrist is in receipt of a beautiful bouquet, sent to her from Amherst, Mass. The flowers were the gift of Miss Proud, for so many years a resident college student.

The senior engineers had a class picture taken on Wednesday of last week, and on Thursday a picture of the entire class was made. We hope to publish same in next issue.

Pres. Snyder is attending the commencement exercises of Oberlin, his alma mater, this week. The president graduated from the above institution twenty-five years ago.

Mrs. Landon and Miss Yakede entertained at dinner Thursday evening, at the home of the former, in honor of the brides-to-be, the Misses Cool, Farnard, Crumb and Talbot.

Following the usual custom, there will be no issue of the RECORD during this week, the following week an extra number will be issued, in which will be given the news of the commencement.

Prof. and Mrs. L. R. Taft have invited missions to the marriage of their daughter, Grace Pauline, to Prof. Edward Joseph Kunze, on Saturday evening, June 24, at 8 o'clock. Miss Taft is a graduate of M. A. C. with the class of '09, and Mr. Kunze is assistant professor of agricultural engineering at this institution.
