ST. LOUIS HOSPITAL
East Lansing's leading Grocer.
M. A. C. GATHERING AT SAGINAW

By far the largest crowd that ever graced a gathering of M. A. C. teachers at the State Teachers’ meeting met at the Canoe Club, Saginaw, October 28th, for a noon banquet. Chairman E. L. Grover, '07, of the State Teachers’ M. A. C. Association, had a fine program arranged and the occasion left nothing to be desired. Acting President F. S. Kedzie performed the duties of toastmaster. Pauline Creswell, '14, in a clever poem responded to “The Joys of Teaching.” “The Duty of an Alumnus” was very ably handled by Earl P. Robinson, '07, E. C. Peters, '96, spoke of “M. A. C. and the Business World,” and the program was concluded by a toast to “The Girls,” in which many local hits were made, by Frances Kirk, '11.

Besides those mentioned above, the following were present from the college: Mary E. Edmonds, Louise L. Clemens, C. N. Rix, W. H. French, Paulina Raven, Mrs. C. M. Cade, Dr. J. L. Snyder, Mrs. L. L. Pennoard, E. D. Lindemann, from the State: Wm. J. Smith, '89; Frank F. Rogers, '89; Coral Havens, '90; Grace Elliott, '92; Mr. and Mrs. Wm. Frakken, '92; Florence Hall, '93; Belle Hubbard, '93; Linda Himmelein, Jane Rigerink, '10; Glena Pacecoast Hayden, '10; Mrs. Earl P. Robinson, Daniel H. Ellis, '07, and Mrs. Ellis, J. P. Dick, F. J. Gibbs, '11; A. M. McVittie, '11, and Mrs. McVittie; A. J. Runner, '12; W. A. Wood, '12; Harry Taft, '12; Sara VanDervoort, '12; Grace M. Mack, '13; Laura E. Crane, '13; A. E. Warner, '13; Mr. and Mrs. Wallace, George R. Wheeler, '14; C. R. Garlock, '14; Flora Roberts, Z. W. Storrs, '14; Marion Sly, '14; Margaret Pratt, '14; R. H. Stone, '14; Clara Rogers, '14; Sophie Dodge, '14; Jesse M. Whitney, '14; Janet Renwick, '14; Jannia Northway, '14; Hazel Ramsey, '14; H. B. Vasold, '14; Fred Smiley, '15; K. H. Miller, '15; Hazel Mundy, '15; Gertrude Thompson, '15; Mae Hamilton, '15; Jean Fry, '15; L. B. Aschein, '15; Julia P. Grant, Helen Brohl, '15; Helen Boyce, '15.

In addition to the election of officers the following resolution was adopted:

Resolved, That the M. A. C. Association, thro its assembled members at Saginaw, do hereby express their extreme sorrow over the untimely death of Frank H. Hurst, who has been such a powerful influence in the lives of so many young men of the State of Michigan, whose first interest was always with Alma College, his own alma mater, but who was also deeply interested in the welfare of M. A. C., where he was at one time Y. M. C. A. secretary and assistant coach. Be it further

Resolved, That the family of Mr. Hurst and the officers of Alma College be informed of our high regard for his usefulness as a citizen of the State of Michigan and especially for his splendid services to the two institutions mentioned.

ADDITIONAL INSTRUCTOR FOR SOIL DEPARTMENT.

The increase in work in the Soils Department is seen in the necessity for the appointment of an additional instructor which action has just been authorized. The person selected is C. E. Millar, who begins work at once, under the title of assistant professor. Mr. Miller has his B. S. ('99) and M. S. ('11) in chemistry from the University of Illinois and his B. S. A. from Kansas Agricultural College. He taught chemistry one year at the University of Illinois and then went to Kansas where he had charge of work in soil analysis and also charge of work in soil research course for advanced students. He will do both teaching and experiment station work at M. A. C.

U. OF M. WINS X-COUNTRY.

The varsity cross country team from the University of Michigan took first place in the first annual cross country hike at M. A. C. last Saturday morning. The course was five and one-fourth miles long and Addington, of Albion, who made a wonderful sprint at the finish and came out ahead, made the trip in 29 minutes and 38 seconds. Carroll, of Michigan, came in second and Michigan got also fourth and fifth places, giving them the race. Albion received second place and M. A. C. third, Sheldon winning third place in the race. The Michigan all-fresh team was last.

TUESDAY, NOVEMBER 2, 1915.

M. A. C.'S GLEE CLUB.

If the vim and enthusiasm exhibited at the several practices so far are any indication of success, Director Fred Killean will have a Glee and Mandolin Club this year that will compare favorably with that of any college in the university in the country. And we see no reason why it should not stand up under comparison. M. A. C. has come to expect big things of every representation she has in the field and the Glee Club should be no exception.

Plans are under way to make the Glee Club this year an M. A. C. organization that will be as typical of the college and receive as much support as does the college band. This is a big contract, but it should be fulfilled. The slogan of the club is "To much about what is said as about how it is done." These letters are what make the paper alive. We believe that this should set the pace for M. A. C. and one that would show the M. A. C. students, represent the M. A. C. Glee Club, that those who have gone before them are loyal to M. A. C., thereby kindling once more the spark of loyalty smoldering in the present student body. Let's get behind this Glee and Mandolin Club and push.

CORRESPONDENCE.

M. A. C. Record:

In order to forestall "Old Bill Over-times by the midnight sun," I would like to suggest that M. Sera, of 1893, also be encouraged to contribute this time. I don't believe I have ever heard of him since he left college. It would indeed be pleasant to hear from him through the columns of the RECORD, and I am sure that many others of the boys of our time will second me. By the way—this reminds me that we haven't heard much of anything regarding the boys further back than 1900 lately, and can't some of them be induced to come out of their shells? It is always in the interest of the RECORD to be informed of any ambitious plans for the near future to search through toy departments for gifts for their heirs, they will very likely see such toys as "Wolverine Automatics." If you do, think of B. F. Bain, who had a lot of fun digging them out and sometimes buying them. I am happy to say that they have taken splendidly and our whole 1915 production is more than sold out. This enterprise was started about four years ago as a department of my business, but has developed so that it constitutes the greater part of our production.

I have gone to this length in describing the feelings of the members of the club, in the hope that some of the other boys, and particularly those near my time, may also be induced to reciprocate and come across with a letter telling what they are doing. These letters are what make the paper interesting to me, and I don't care so much about what is said as about how often it is said.

Very truly yours,

B. F. Bain, '93.

MORE COMMENTS ON THE UNION.

In the letter from President K. L. Butterfly of Amherst, which was read at the Union committee meeting, October 30th, the point was broached that whatever is done about the M. A. C. Union, the organization headquarters should be primarily useful to the students—so useful as to become indispensable. This opinion was echoed by the members present. It was broached that the average alumnus would use a Union building about once a year for fifty years, or fifty times while undergraduate students would use such a building once a day for two hundred days in each of his four college years, or eight hundred times—the result being the historic ratio of sixteen to one.

This seems to be the general sentiment—that the M. A. C. Union should be the "very heart of our future college spirit where all alumni and students can turn for inspiration and encouragement."

I want to put myself on record in favor of using College Hall for the M. A. C. Union as suggested by President Haigh and seconded by Garfield and others. The building may not be beautiful, but it is a great deal of sentiment clusters around it and no doubt all will agree that it should be preserved for the use of the alumni, including those who have known it from the earliest day of the institution.

A. H. Voight, '81.

Los Angeles.

I forgot that I intended saying that I think the M. A. C. Union is just what we want at M. A. C. and I'll boost it all I can this winter.

C. G. Ryther, '12.

Lackawanna, N. Y.

I am much interested in the future of our dear old Alma Mater and trust plans will be formulated for the furtherance of the Henry A. Haigh plan to perpetually preserve "College Hall." I most heartily endorse this movement and many of the ideas already advanced in the RECORD regarding the future purpose of the building.

Frank M. Paule, '89.

Traverse City.

Prof. F. H. Sanford spent the first part of last week at Frankfort, Mich., where he went to advise means of stopping the advance of sand on a piece of land north of the city. He is working out extensive systems of planting which will control the sand.

Prof. Chittenden of the Forestry Department made a trip to Grand Rapids last week looking up the willow project.
THE SECOND GENERATION.

(Continued from page 2.)

Oscar, and a member of the class of '63, has two sons, W. K. Clute, '86, and R. L. Clute, '96, both of whom graduated.

W. W. Tracy, '67, seedman with the U. S. Department of Agriculture, Washington, D. C., has the distinction of having four sons graduate, all of whom attended the M. A. C. W. W. Tracy, '93, seed grower at Rocky Ford, Col.; H. W. Tracy, '91, seed grower at San Juan Batista, Cal.; S. W. Tracy, '96, travelling agent with D. M. Perry, San Francisco; E. W. consulting seedman, Washington, D. C. Samuel Tracy, '58, crop investigator for the U. S. Government at Biloxy, Miss., is a brother of W. W. Tracy, Sr. John B. Tracy, '95, of Los Angeles, another son living in Pasadena, has a son, Robert.

H. G. Reynolds, '70, now retired and living in Pasadena, has a son, Robert.

R. L. Clute, '96, both of whom graduated.

A. Thorn Swift, '99, now in the lumber business in Portland, Ore., has a brother of W. W. Tracy, Sr. John B. Tracy, '95, of Los Angeles, another son living in Pasadena, has a son, Robert.

W. K. Kedzie, deceased, of the class of '70, was the father of Pearl Kedzie, '98, and another daughter, Fanny, now in college. The class of '83 gets the second generation banner.

C. B. Collingwood, '85, circuit judge of Lansing, has a son, Harris, who graduated in '11, now attending the college. W. A. Bahlke, '83, of Alma, had a daughter, now Mrs. L. C. Plant, East Lansing, has a daughter, now Mrs. Jacob Moore of Grand Rapids.

Bessie Bemis, '95, now at the University of Minnesota, is a daughter of C. H. Bemis, '74, of the class of '73. Mrs. Vaugh Tanner, Munith, Mich., was the daughter of R. M. Bates, '85, of Grand Rapids, and another daughter, Fanny, now in college. Helen Emery, '10, now Mrs. H. C. Pratt, and Laura Emery, Mrs. W. H. Turner, '81, of Memphis, Tenn., has a daughter, Ruth, who graduated in '14, and a son who is a member of the class of '16. Jason Woodman, also '81, has a daughter, now in college, and another son, David, lately in attendance.

J. E. Coulier and Alice Weed Coulier, both '82, have had three sons in attendance, Edward, a member of the class of '16, and another son, Douglas, with '13, and W. M., a member of the class of '18. W. L. Snyder, '82, has a daughter, Margaret, in the freshman class now and a son who attended the college. D. B. Hall, '92, East Lansing, has a son, D. B. Hall, in school now.

F. F. Rogers, '83, of Lansing has two daughters, Mabel and Clara, who graduated in '10 and '14 respectively, and another daughter, Fanny, now in college. C. L. Lillie, '84, has daughter, Dorothy, in the class of '19. E. A. Holden, of I. J. Quigley, with '94, of Grand Rapids.

A. N. Hall, '15, is a son of William A. Taylor, '88, chief of bureau of plant industry, D. C., has a daughter, Ruby, in college now, member of the class of '18, and another daughter, Fanny, now in college.

B. K. Bentley, '90, of Ceresco, Nebr., has a son, John, who graduated in '14, and another daughter, Ruth, who graduated in '14.

W. S. Holdsworth, '78, of Springvale, Mich., is the father of Dorr Skeels, now head of the forestry department at Montana Agricultural College, and Tix Skeels, now in attendance, Edward, a member of the class of '16, and another son, David, lately in attendance.

J. E. Coulier and Alice Weed Coulier, both '82, have had three sons in attendance, Edward, a member of the class of '16, and another son, Douglas, with '13, and W. M., a member of the class of '18. W. L. Snyder, '82, has a daughter, Margaret, in the freshman class now and a son who attended the college. D. B. Hall, '92, East Lansing, has a son, D. B. Hall, in school now.

F. F. Rogers, '83, of Lansing has two daughters, Mabel and Clara, who graduated in '10 and '14 respectively, and another daughter, Fanny, now in college. C. L. Lillie, '84, has daughter, Dorothy, in the class of '19. E. A. Holden, of I. J. Quigley, with '94, of Grand Rapids.

A. N. Hall, '15, is a son of William A. Taylor, '88, chief of bureau of plant industry, D. C., has a daughter, Ruby, in college now, member of the class of '18, and another daughter, Fanny, now in college.

B. K. Bentley, '90, of Ceresco, Nebr., has a son, John, who graduated in '14, and another daughter, Ruth, who graduated in '14.
registered in the last quarter, one of them following another long pass—Huebel to Oviatt. DePrato kicked goal eight times out of ten. Huebel was responsible for Marquette's touchdown in the third quarter when he fumbled and Lyons picked up the ball and toted it thru the open field to the goal line—the only chance Marquette had to get a glimpse of it during the whole game.

Hewitt Miller was unable to be in the game on account of his knee and thus lost a chance to play in the last varsity game of his college career. He, with his brother Blake, and Gideon Smith, Jerry DePrato, and Howard Beatty receive their diplomas next June, and thus lost a chance to play in the last game on account of his knee and thus lost a chance to play in the last game.

Summary of Saturday's game:

M. A. C. MARQUETTE
W. E. Gammon, '86, Los Angeles, Cal.
Wm. G. Harte, '86, Chicago.
Clark Hubbell, '88, Dawson City, Alaska.

Ray F. Minard, '07, Denver, Col.
Charles Marshall, '03a, Santa Ana, Cal.
Prof. J. A. Bulkeley, '09, New South Wales, Australia.

The annual (?) orchard has been set out with the usual care by the sophomore Hort. students. There will be a Student Recital in the parlors of the Woman's Building Friday evening, November 12.

Dr. Chamberlain gave a short demonstration on epenizing at the meeting of the Veterinary Association last week.

Plans for the winter term Hort. Show are already under way. W. J. Atchison, '16a, has been elected general manager of the show.

Edward Davis Allis, ex-'03, was a campus with last week. He has been farming in Benzie county, but has sold out and is now in Lansing.

Prof. and Mrs. W. W. Johnson entertained the members of the English Department at their home on Faculty Row Saturday evening.

Miss Maud Kellar, Dean of the Women's Department at M. A. C. from '92-'01, is now assistant head mistress of the Westover School, Middlebury, Conn.

For M. A. C. People

NEWS AND COMMENT.

The Sesame party occurred Friday night in the Agricultural Building, with Mr. and Mrs. Publow, Mr. and Mrs. Kiefer, and Prof. and Mrs. Baldwin chaperoning.

The Sesame girls were entertained at the home of Mrs. Baldwin last Saturday night, from 5 until 9, by Mrs. Baldwin, Mrs. Kiefer, Mrs. Publow and Miss Louise Clemens.

D. P. Flower has been selected to instruct the short course men in gas engines. He has had a good deal of practical experience, both with stationary engines and farm tractors.

Miss Maud Gilchrist, former Dean of the Home Economics Division, is at Pocahantas, Iowa, again this year. She writes that she is always glad to receive news from M. A. C.

Another post graduate student has arrived in the person of Paul C. Kitch, a graduate of Ohio State, '15, in forestry. Mr. Kitchen is majoring in botany, making a special study of the anatomy of some woods, and minoring in forestry.

W. A. Melzer of the Dairy Department talked at the Forestry Club meeting last week on his experiences in the Forest Service. Mr. Kitchen, post graduate student in botany, and a graduate of Ohio State, told about the O. S. U. forestry school.

C. D. Ball, instructor in chemistry, and a graduate of Penn State, spoke at the last meeting of the Hort. Club, on growing palms under glass. His father has extensive greenhouses and Mr. Ball has had much practical experience along the line of his topic.

The laboratory guide in bacteriology which the bacteriology department has had under preparation for some time is just about completed. It is so inclusive that it contains laboratory directions for all the undergraduate bacteriology. It is expected that there will be a large call for it from other schools.

The Glee and Mandolin Club has over half of last year's veterans back in the line-up and some excellent new material. The following officers have been elected: G. R. Warren, president; Art Turner, vice-president; B. J. McClure, secretary and treasurer; J. W. Moore, manager; W. C. Roman, assistant manager.

The Hesperians held their annual fall term party in the Agricultural Building last Saturday night. The room was prettily decorated with autumn leaves, and music was furnished by Lankey's orchestra. The patrons were Mrs. Gardner, Mr. and Mrs. Donovan, Dr. and Mrs. Lyman, and Mr. and Mrs. Leroy.

The members of the Engineering Society were favored with an illustrated lecture on the Panama Pacific Exposition by H. E. Morton, '16. Morton used pictures which he took himself and this gave added interest to the lecture and made the audience fully aware of the fact that the speaker enjoyed a rare privilege in the trip thru the West.

The Girls' Glee Club of sixteen members, have elected the following officers: Claribel Pratt, president, and Bernice Coors, secretary and treasurer. The girls have been practicing for some time and made their first appearance at the dinner given to the State Federation of Women's Clubs recently. The club is planning to give a concert in the Armory some time this winter.

Mr. F. Eric Millen, state inspector of apiaries, addressed the members of the Farmers' Club on Tuesday evening last, and gave a general talk on "Beekeeping." In his remarks Mr. Millen explained the life of the bee and their work, how nectar was gathered and the value of the honey bee in the pollination of many kinds of flowers, which meant a more abundant crop of seeds and fruits. The speaker stated that honey was one of nature's most healthful sweets and should be eaten in larger quantities. If it were not for the honey bee thousands of tons of honey would be wasted every year and our crops of fruits and seeds materially decreased.

In the program for the annual meeting of the Michigan State Horticultural Society to be held in Grand Rapids December 7, 8, and 9, we find M. A. C. represented by the following: C. F. Schneider, '85, "The Use of Water as Protection from Frost;" Prof. C. P. Halligan, "What the U. S. Department is Doing for the Fruit Grower;" Prof. R. H. Pettit, "Fruit Pests;" Prof. M. M. McCool, "Soils Suitable for Fruit Growing;" and Don W. Francisco, '14, "Going After the Consumer's Dollar." At this meeting there will be the usual prizes offered to college students in judging fruit and speaking. In the latter contest, however, the selection of the ten candidates has been provided for somewhat differently than in the past. Fifteen will be nominated and five eliminated by contests at the college before they journey to Grand Rapids. It has been usual just to elect the ten.

Frank R. Hurst, secretary of the Y. M. C. A. at M. A. C. from 1904-1906, died at his home in Detroit, Wednesday morning, October 27th. Mr. Hurst was a graduate of Alma college and came to M. A. C. directly after, where he gained a great place in the affections of every one with whom he came in contact. His many friends throughout the state will greatly mourn his death and extend to the bereaved wife and three small children their heartfelt sympathy.

Robert Smith Printing Co.
Lansing, Michigan
A H. Phinney, is now on the retired list, at 107 Collingwood, Detroit. In his reminiscences he brings up an interesting point in the fact that he was suspended for organizing the first night-shirt parade.

T. D. Hinebauch, assistant state veterinarian of Towar City, N. Dak., visited M. A. C. recently. It was the first visit Mr. Hinebauch had paid the college in 15 years and was very pleased with the progress seen, especially along veterinary lines.

Roy C. Bristol (a) is sales manager of Hope Engineering & Supply Co., Mt. Vernon, Ohio.

L. L. Appleyard (m) is salesman for Strong Carlisle Hammond Co., Cleveland, Ohio. Appleyard lives at 4 Lambert St., East Cleveland.

Irving Gingrich (a) last year director of music in the schools of Miami, Fla., is now chorus and orchestra director at Wesley M. E. Church, Chicago. Gingrich lives at 646 Belden Ave., Chicago.

Jesse P. Knickerbocker (m) has gone into the business of growing fruits and vegetables at Newfane, N. Y.

L. G. Copeman (with '05e) is now a member of the firm Copeman Electric Stove Co., Flint, Mich. This company has an exhibit at the Lansing Industrial Show this week.

George H. Ellis (e), engineer with the U. S. Reclamation Service, is now stationed at Fort Shaw, Mont. He writes that a U. S. man in the same office explained to him that the U. S. M. A. C. game was a practice game. (Must be an old alumnus—the new ones know differently.)

P. C. Schroyer (e) is in engineering work with the Union Steel Products Co., Albion, Mich.

Amos Hall Crosby (a) is farming at New Buffalo, Mich.

C. J. Oviatt (a), part owner of the Sheridan Creamery and Cold Storage Co., of Sheridan, Wyo., is successful in the endeavors to put out the best product on the market. At the Wyoming State Fair this year Charlie won for the second time first prize on his "San-i-Dairy Butter."

"Frenchie" Brault (f) is lumber grader at Hoquiam, Wash.

C. P. Thomas (e) works in the engineering department of the Reo Motor Car Co., Lansing. He has recently had charge of getting out the book of instructions for Reo cars.

S. B. Onkes (with '12e) is now with the Copeman Electric Stove Co., of Flint.

A. G. Bovay (a) who has been teaching agriculture the past year in the Jackson public schools, Jackson, Minn., has just been appointed county agricultural agent for that county. He is in the same county as Duddles, Sandhammer and Juergens, all '12 people.

Ruth Brusselbach (h) is teaching sewing in the public schools of Davenport, Iowa, and lives at 120 Kirkwood Blvd.

"Larry" Holland (a) with all the sleekness, suavity and embonpoint of a typical traveling man, "made" M. A. C. last week. He has been "on the road" for the past year with M. Rice Co., of Philadelphia.

Ezra Levin (a), who is teaching science in the Kalamazoo high school, was on the campus last week. Born, to Arthur W. Kohler, '14, of Michigan, and Lucile Titus Kohler, '14, of M. A. C., a son, Arthur William Kohler, Jr., Oct. 23, at Chicago, Ill.

Roy F. Irvin (a) is now instructor in poultry husbandry at New Jersey Agricultural College, New Brunswick, N. J. Mr. and Mrs. Irvin (Alice Wood, '14) and Patricia Ruth live at 206 Townsend St., New Brunswick.

Don W. Francisco (a) and Miss Constance Little, of Passaic, N. J., were married in Passaic, Oct. 22. Mr. and Mrs. Francisco will live in Chicago, where Don is assistant advertising manager for the California Fruit Growers' Exchange.

James R. White (a) is teaching science in the Mesa high school, Mesa, Ariz.

M. J. Shley (v) is veterinarian with the U. S. Bureau of Animal Industry, headquarters at 422 Federal Bldg., Milwaukee, Wis.

T. W. Churchill (v) with Parke, Davis & Co., of Detroit, has been transferred to Parkedale Farm, Rochester, Mich., where he has been given assistant directorship of the biological farm, with substantial increase in salary.

A. N. Hall (e) dropped down out of his flying machine on the campus last Tuesday (a dream). Hall is at the Wright Aviation School at Dayton, Ohio, picking up some pointers on engine construction for aerial work. Always with a "flighty" tendency in college, "Nelse" has a leaning towards aviation and he hopes to get in the manufacturing game.
