M. S. C. Shadows

I.
M.S.C. we love thy shadows
When twilight silence falls,
Flushing deep and softly paling
O'er ivy covered walls;
Beneath the pines we'll gather
To give our hearts to thee,
Sing our love for Alma Mater
And thy praises M.S.C.

II.
When from the scenes we wander
And twilight shadows fade,
Our mem'ry still will linger
Where light and shadows played;
In the evening oft we'll gather
And turn our thoughts to thee,
Sing our love for Alma Mater
And thy praises M.S.C.

Bernard Traynor
M. S. C. Fight Song

On the banks of the Red Cedar — is a college known to all;
Their specialty is winning, and those Spartans play football.
Spartan teams are never beaten — All through the game they fight,
Fight for the only colors, Green and White.
Smash right through that line of blue, Watch the points keep growing,
Spartan teams are bound to win, They’re fighting with a vim.

RAH RAH RAH

See their line is weakening, We’re going to win this game.

Fight Fight Rah team fight

Victory for M.S.C.
A SINCERE welcome from the Dean of Students Office to incoming women students.

It is hoped that those coming to college for the first time and those who have been here before will find this year a happy and successful one.

You will enjoy your experiences in learning to live together successfully and happily. You should take full advantage of all of your time here.

You will enjoy knowing and working in co-operation with A.W.S. It is a fine and successful student organization and deserves your full support.

All the services of the office of Dean of Students are available to you at any time.

TOM KING,
Dean of Students
WE ARE GLAD to extend a most cordial welcome to both old and new students.

We are pleased that the new student has chosen Michigan State College and may you find here the things that will prepare you for a happy and useful life.

There will be many perplexing and troublesome problems for some who may receive help for the asking. You will find the administrative officers, counselors, faculty, hostesses and upperclass students all interested in your welfare.

Michigan State College has a long established tradition of being a friendly institution. We invite you to practice this spirit and pass it on to others.

My best wishes for a successful college year.

(MRS.) LURLINE LEE
Assistant to the Dean of Students
Advisor to Activities Board
DEAR COEDS:

A.W.S. on our campus works co-operatively with students, faculty, and organizations for the best interests of our college and its women students. We hope you will take an active part in Student Government and experience the satisfaction of being a member of our college community who does her share in maintaining high standards and in promoting all that is good and fine.

You are automatically a member of A.W.S. when you pay your fees, but you are an active member only as you volunteer for the many duties which need your help. Let us make National A.W.S. of which we are a member proud of our program and progress.

Sincerely yours,

MABEL F. PETERSEN,
Assistant to the Dean of Students
Advisor to Judiciary-Legislative Board

Greeting from Co-Presidents

WELCOME! The Activities Board and Judiciary-Legislative Board of A.W.S. wish you a happy and successful year.

As members of A.W.S. upon your registration here at M.S.C. we know you will do your individual part to make this a better, friendlier campus. To acquaint you with our customs, traditions, and laws, we have compiled this handbook which, if taken to heart, will guide you to happier college years.

In future days, A.W.S. will become a familiar term to you as it should since you are a part of it. Members of the Activities and Judiciary-Legislative Boards of A.W.S. are composed of girls from the various living units and organizations on campus. A.W.S. is a representative organization that has been set up to help you and serve you in any way that will better your college life at M.S.C. Your representative is there to interpret the handbook, and to help you with any problems or ideas you might have. Feel free to call on her any time.

Remember, A.W.S. and its laws and customs; carry them as your individual responsibilities. Best of Luck!

A.W.S. Judiciary-Legislative
Traditions

M.S.C. has grown to unprecedented heights in the last few years with the addition of many more students, many more buildings, many more professors, organizations, and friends. Yet with all this growth, we are becoming continually aware that much that is old has become so closely integrated with our college life, that it would be impossible to tear them from M.S.C.

Traditions are among the old. Many started with the first freshman class and have been kept alive by succeeding classes. They're not written laws . . . but they are a part of what makes M.S.C. your college, and they will add to the memories of your life here if you will share in carrying on these customs.

HOWDY

Our college is known to have a friendly campus, and with good reason, for it is traditional here to say “Hello” to everyone, whether or not you’re acquainted. Put out the old WELCOME mat for visiting F.F.A.’s, 4-H’s, and visiting teachers . . . Public relations, you know! A smile once in awhile won’t hurt its recipient . . . or you . . . a bit!

WHAT’LL I WEAR?

Sweaters and skirts are still “what the well-dressed coed is wearing” on campus—that is for classes and those “grilling” hours. When kept cleaned and pressed, a more appropriate outfit couldn’t be had. If winter breezes chill you to the quick, dig out the slacks for that trek to South Campus. But beware . . . don’t overdo it! Preserving manhood in the stronger sex necessitates your remaining feminine.

Shorts? They’re permitted, but only when worn under a long coat.

As for evening wear for college functions, don’t forget, that even at home stockings and flats were
expected for concerts and the dra-mah! Shouldn’t M.S.C. rate the same?

ABOUT SMOKING

... Not while you’re walking across campus, please. You light up in the Union or in your dormitories, but in classrooms or on the sidewalks ... it just ain’t done. Old cigarette butts are not conductive to the growth of struggling grass, nor, for that matter, are your feet. So keep them on the walks ... both of them.
LOVE IS WHERE YOU FIND IT

Twelve o’clock and all is well . . . that is, if you’re his Mary, and he’s your Johnny, and you’ve just concluded a happy evening with that midnight kiss in the shadows of Beaumont Tower. It may not be love, but at least you’ll never forget that it was Johnny who initiated you to the rank of “Official Coed of Michigan State College.”

Beware the engagement bench nearby, however, unless you’re wearing that crystalized carbon on your third-finger-left-hand. It’s not a rest stop on your tiresome trip to the Library. If he takes the final plunge, and you find yourself a qualified squatter, then be prepared also for a tubbing from your dormmates. Everyone has a splashing good time . . . even you (?)

Pinnings (besides rating a dunking, also) usually draw out the brothers to serenade you beneath your window. If you’re the Fortunate Miss, don a white dress or robe . . . carry lighted candle in hand . . . and stand at the window. If on the other hand the serenade is for the whole house, show your appreciation by clapping . . . or better yet sing back.

An engagement or pinning means another serenading, also. Friends in the house should give forth with “I Love You Truly” for the betrothed, and “Sweetheart” for the pinned.

SIS

You’ll call her “Big Sister” but she’s really a friend. She’ll be around when you have problems. Feel free to call upon her at anytime . . . whether it’s to find your way to the Union or South Campus or just to talk . . . she’ll be there. Remember . . . she’s not just an “Orientation Week Institution.”
FOR MEN ONLY

The fair female may have taken over just about everything else on campus, but the Smoke Shop remains the stronghold of the men. Don’t let anyone send you inside, for it’s male territory with no exceptions.

QUEEN FOR A DAY

Do you yearn for honors? They can be yours at the PanHel, Blue Key, Co-op, Harvest, Homecoming, J-Hop, and Coronation Dances, when a king and queen are elected from and by the student body. And don’t forget that there’s no night more exciting every year than your own class dance. Whether it’s a formal or informal affair, you’ll enjoy whirling across the Auditorium floor at the J-Hop, Senior Prom, Frosh and Soph annual dances. Programs go on your pin-up board and memories in your heart.

CHANCE OF A LIFETIME

Girls! Here’s your chance to ask that Handsome Hank in your Effective Living class to a real dance without feeling embarrassed. S.W.L., Mortar Board, and Tower Guard sponsor the Spinster’s Spin, a winter formal dance, with coeds popping the question, calling for their dates, providing an appropriate corsage, and all the rest that goes with an evening of hilarious entertainment. Believe me, he’ll bask in the fun of having you help him on with his coat, and revel in the delight of spending a free evening out with you.

MUSIC AND MOONLIGHT

Students dot the lawn, sitting on blankets and coats, the band shell lights up as twilight falls, and everyone listens... for good music can be expected at the Fraternity and Sorority Sing. The
Sing Cup is the prize for the most effectively presented song, and the fraternity or sorority which places first for three successive years, owns a fine mantle ornament as a reward.

ON THE FIFTY YARD LINE

There you are all decked out in the colors for fall . . . green and white . . . in anticipation of a wonderful game. Your team sees you are there . . . let them hear you, too. Sing out good and loud at pep rallies and football games, and cheer with all your might. The Alma Mater (M.S.C. Shadows) and the Fight Song are State's own songs, so learn them quick like a bunny. Admitted we can't win every game, but Spartans always take the cake as good sports.

OF LANTERNS AND MAY MORNING SINGS

The first day of May finds coeds early in the morning gathering in front of Beaumont Tower. May Morning Sing is the time for the tapping of new members for sophomore and senior women's honoraries. These honors are awarded on the basis of service, high marks, and extra-curricular activities, so a word to the wise, keep up and aim for those honors.

A spectacular sight can be seen during senior week when women from all classes gather at twilight, light their lanterns, and wind across campus to a meeting place where graduating senior women will be honored. Those who have given outstanding service to the college are recognized, and the new officers of A.W.S., Tower Guard, and Mortar Board are installed. To conclude the ceremonies, the seniors pass their lanterns to the juniors; the juniors to the sophomores; and they to the freshmen, thus signifying the passing on of class responsibilities.

And when you're seniors graduation means another dunking . . . so you'd best be prepared dur-
ing Senior Week for your friends' last tribute to you.

THE RED CEDAR, IN WAR AND PEACE

If you were good at Tug of War in your high school days, be on hand for the annual Freshman-Sophomore day when the two classes line up on opposite sides of the river in an effort to pull the other team in. An award is given to the winning class to retain until the following year's competition.

Rivalry takes the form of serene beauty when each housing unit prepares a float for the annual Water Carnival. Held in the evening along the Red Cedar, otherwise ordinary stage settings dabbed with tempera and held together with scotch tape take on a polished professional look when subjected to appropriate music and colorful spotlights.

AND THAT'S ABOUT ALL

We find traditions when we come,
We enjoy them while we're here.
For other's pleasure, let them live,
And increase from year to year.
STUN - At Your Service

Students, here's your chance to buy your textbooks cut-rate!

A.W.S. is offering a big service to all students. STUN, Student Texts, Used and New, has been set up to enable you to buy books at a fair rate.

WANT TO SELL A BOOK?

Come to the A.W.S. office and purchase a card for a nickel. List your book in the STUN files and a buyer will be calling you.

WANT TO BUY A BOOK?

Come to the A.W.S. office and ask STUN for the book you want. You pay a nickel for the card, see the owner, and the book is yours for the price asked on the card.

If the book you desire is not listed, fill out a request card and your troubles are over.

STUN will operated from the beginning of each term to the end. The first three days of classes you can find STUN in the concourse of the Union. After that it will be located in the A.W.S. office, third floor of the Union.

You can find not only books but also equipment needed for drawing courses in STUN files.

STUN is inexpensive, easy, fast, and no red tape attached!

WANT TO BE OF SERVICE?

Then watch that point average. Every spring, Tower Guard, the Sophomore women's honorary, and Mortar Board, the Senior women’s honorary, look for the gals with the high scholastic averages who have demonstrated their characteristics of high character, leadership, and service.
Tower Guard is our local service honorary, a group already famous for helping poor lost souls at registration, reading to blind students, and working on numerous other jobs with other organizations.

Mortar Board is a national service honorary, very well known and very highly regarded. Is there anything with which your organization would like some help? Call on Mortar Board. Its program is filled with many tasks, but it can always squeeze in one more!

Who the new members of these groups will be is a big secret not to be divulged until the lovely tapping ceremonies at the May Morning Sing. But if you'd like a hint as to who the new members are to be, keep a sharp ear open the night before, 'cause both groups will be serenading at the places where their members-to-be live. It might be YOU!
Student Activities

Eligibility

Are you taking part in any extra curricular activities? Then take a look at the eligibility rulings of Student Congress.

You must have an all-college 2 point average and a 2 point the term preceding your election to be eligible for any office, or to be elected as a Queen. You must maintain a 2 point all-college average during your term of office. If you fall below an all-college 2 point average you are honor bound to tender your resignation.

These regulations are similar to those which are followed in other Big Ten schools. They are designed to foster your effectiveness both academically and in your extra curricular activities. To serve as an officer or to be honored as a Queen is a reward of merit.

Records

Each term you will be asked to bring your list of activities up to date on an Activities Card which is kept on file with the cards of your housemates. Be sure to list all your activities because they will serve you well. While you are in school they will serve as references for organizations such as Tower Guard, Mortar Board, sororities and others when they are seeking women eligible for membership. This information will be sent to the adviser of A.W.S., in the Dean of Students office at the end of each school year to be kept on file and to serve as reference material. Your future employers will be interested in your extra curricular activities as well as your academic record.

Don’t be a joiner just for the sake of listing your memberships in the Wolverine. If you limit your activities to those organizations you are really interested in and really work for them, you will contribute to your own growth as well as to the
growth in strength of the organization without reducing your academic achievement. Whatever you do, may your goal be to do it well. It is not so much how much we do as how we do it that really counts.

II. INFRACTIONS

A. Residence Penalties

1. A record of late minutes will be kept by the housemother. An accumulation of fifteen late minutes during the term requires that the girl be automatically campused for one weekend night, and is made up as follows:

a. First 15 late minutes: 1 weekend night within the following 2 weekends.

b. Second accumulation of 15 late minutes: 1 complete weekend (consecutive Friday, Saturday, and Sunday nights) within the following 2 weekends.

c. Third 15 late minutes: 1 full week, to begin immediately following accumulation.

d. Repeated breaking of any residence rules will be dealt with by the Judiciary-Legislative Board.

e. Penalties recommended by House Council must be approved by the Judiciary-Legislative Board of A.W.S. prior to enforcement.

f. If a girl receives between 30 and 45 late minutes at one time and they are her accumulation of late minutes, she will be given one complete weekend campus. If she receives more than 45 late minutes at one time she must petition the Judiciary-Legislative Board.

B. Campusing

1. When a girl is campused:

a. She must remain in her room after
8:00 p.m. until the next morning at 5:30.
b. She must notify the housemother and counselor in person at 8:00 p.m. or before of intention to take campusing.

e. She may have one recess of fifteen minutes taken consecutively but she may not leave the living unit during this time. She must notify her floor counselor or housemother at the beginning and end of this period.
f. She must have a sign on the door notifying the girls of the campusing. Signs are to be obtained from the housemother.

2. In an emergency, campusing may be postponed or re-arranged by petitioning the Judiciary-Legislative Board in advance. An additional penalty may be given in this case.

3. For sudden emergencies, postponement of campusing may be obtained by calling the President of the A.W.S. Judiciary-Legislative Board or the adviser to A.W.S. in the Dean of Students office.

4. Any breaking of campusing must be referred to the Judiciary-Legislative Board.

C. During Exam Week

1. If a girl acquires five late minutes which brings her total to fifteen, she must forfeit one weekend night. (campused)
2. If a girl acquires any five late minutes which do not make her total 15, she must
forfeit one week night. (campused)

3. If a girl is unable to complete her campusing during her exam week because of early departure, the campusing will be carried over until the next term. She then has two weeks in which to make it up unless the penalty has been issued by the Judiciary-Legislative Board, in which case it is made up immediately.

4. If a girl is able to complete her campusing and does not do so, her case is referred to Judiciary-Legislative Board.

D. Any penalties given by the Judiciary-Legislative Board must be made up immediately. A penalty for accumulated late minutes is made up within the next two weeks.

VI. PERMISSIONS

A. Late Permissions:

1. Definition: A late permission is a 1½ hour extension of time beyond the regular closing hours. (One hour if used on a Sunday.)

2. Six late permissions will be granted to Sophomores, Juniors and Seniors, except those who do not maintain an all-college two point. Freshmen women will be granted 3 late pers each term if they maintain two point average.

3. A student should consider late permissions a privilege. This privilege may be restricted or withdrawn by A.W.S. or the college if the necessity arises. Use of late permissions in excess of allotment will be severely dealt with by the Judiciary-Legislative Board. Students are therefore urged to keep track of their permissions and to check with the housemother in advance if in doubt as to the number already used.

4. Arrangements for using a late permission must be made with the housemother before closing hours by signing directly with the housemother on a special sheet as well as noting “late permission” on the regular signout sheet. The student must personally telephone her housemother directly, before her expected time of return to request use of a late permission and confirm its use on the special sheet when she returns.

5. The penalty for incorrect signing in or out for a late permission will be three late minutes.

6. Conditions governing use of late permissions:
a. They may be used at the discretion of the student, but only Sunday and Tuesday through Thursday. Late permissions may not be used on Mondays.

e. All-College functions covered by the student activity book may be attended without using a late permission.
f. College functions not included under “e” will require the use of a late permission. The Judiciary-Legislative Board will publish a list of functions which do not require late permissions.
g. Permission for plays, concerts and lectures held in Lansing covers the duration of the program plus direct return to the residence. Late permission must be granted for each approved program. The housemother must be notified in advance and the ticket stub presented to her upon return.

7. Cancellation: If a student does not use her late permission after requesting it, she must so report to the housemother
directly upon her return to her residence in order to have this permission for another time.

8. Use of late permission Sunday night: A late permission Sunday night allows a girl to remain out until 12:00. When women are returning from out-of-town, they should plan to be in East Lansing by 11:00 and use their permission only in case of emergency.

B. Overnight Permissions:

1. Permission to be absent from a college residence to stay overnight or longer must be sent directly by the parents to the housemother before the student may be permitted to leave her college residence. This may be covered by the A.W.S. "yellow slip" sent by parents directly to housemother.

2. Permission to stay in an out-of-town hotel must be sent directly from parent to the housemother each individual time a girl wishes to stay overnight in a hotel. The Michigan League in Ann Arbor is considered a hotel.

3. A student is permitted to remain overnight in a Lansing hotel only with her parents and then only if her parents talk to the housemother directly.

4. Each student may have one overnight permission in either Lansing or East Lansing (within city limits) each term which can be taken at any time providing she has permission as stated in Part 1 or 6 of this section. This means one night, not a weekend.

5. East student is granted two overnight permissions in another college residence a term which can be taken at any time
that guests are allowed. A college residence is a residence where hours are kept, i.e., dormitory, co-operative house, approved off-campus house, or sorority house.

6. A girl may take no overnights after a dance or term party without specific written permission from home in advance of each occasion unless she is to stay in another college residence. The letter must be sent directly from home to the housemother, not to the girl.

2. A girl who finds it necessary to return between 11:30 p.m. on week nights (or 12:00 midnight on Sunday) and 7:00 a.m. must have special permission from the A.W.S. adviser in advance and must make arrangements with the housemother.

3. College residences close officially at 8:00 p.m. of the final night of exam period. Any girl wishing to remain in a college residence later than 8:00 p.m. on this night or more than 24 hours after her last exam must see the A.W.S. adviser.
