"Wireless" Grand Opera concerts will be given as a special feature of each evening meeting in the College Gymnasium during Farmers' Week. The music, which is to be sent out from Pittsburg, will be caught by the College wireless apparatus and delivered in the Gymnasium. The use of special amplifiers will make the music clearly audible to the hundreds of visitors at the meetings. Trial tests held this week proved highly successful.

The George E. Lawson prize essay contest, an annual event open to all men students, has been announced for this year by the English department. A prize of $25 is awarded the winner. The fund which makes this contest possible was established as a memorial to Mr. Lawton '82, by a friend and classmate. Mr. Lawton died in 1916.

Six senior co-eds are doing special practice work at the Merrill-Palmer School in Detroit this term. The Merrill-Palmer School specializes in child training and mental development, carrying on a great deal of experimental and research work. The M. A. C. girls have active, daily care of a large group of children between the ages of one and five. They work under the direction of experienced specialists, and are gaining unusually valuable training in child development and education work.

An all-college mass meeting, the first of the Winter Term, was held in the Gymnasium Thursday afternoon. Presentation of varsity and All-Fresh sweaters won in football and cross country work last fall, discussion of the part students must play in entertaining Farmers' Week guests, and a big send-off for the basketball team on its trip to Ohio were features of the meeting. N. O. Well '17, presided as chairman, while Coach Lyman Friderig '17, and Howard Rather also '17, were included among the speakers.

All M. A. C. will pass in review before the assembled guests at Farmers' Week, when the great parade, or pageant, forms on Thursday afternoon, Feb. 2. Every division and department in the college, whether directly connected with agriculture or not, will take its place in the line of march. The military organization, headed by the varsity band; delegations representing all athletic and student activities: much of the livestock and movable equipment of the agricultural division, and sundry miscellaneous groups will stretch out for more than a mile. The parade has been officially, and correctly, designated as "M. A. C. on Parade."

Col. Wm. E. Cole, military inspector from Washington, dropped in on the College R. O. T. C. unit unexpectedly last week, and went away with words of praise for the M. A. C. department. Equipment and training of the men were commented on favorably by the regular army man.

Organization of a special Woman's Athletic Association of M. A. C. is a possibility for the near future if plans announced by members of the "co-ed" athletic department materialize. The object of the association would be to promote the interests of women's athletics at the College, and to develop advanced courses in physical training work.

Suggestion that pledging of men to the various college societies during the first week of the Fall Term be done away with, as a practice which militates against the best interests of individuals, societies, and the College alike, was made in an open letter to the last issue of the Holcad, the M. A. C. student paper. General demoralization at the beginning of each school year was the chief objection raised to the present system.

The annual co-ed prom, held in the Gymnasium last Friday night, lived up to the standards set in recent years. Costumes are reported to have been brilliant beyond description. Several hundred co-eds, members of Home Economics faculty, and East Lansing women gathered for the merry-making. At the same hours the men were busy with a "stag" smoker of their own over at the Armory.

The fortieth annual meeting of the Michigan State Veterinary Medical Association will be held at the College on February 7 and 8. Several members of the M. A. C. Veterinary Division faculty are scheduled for addresses at the different meetings.

Charles A. Walker, beef cattle herdsman at M. A. C., has been presented with a gold watch by the American Aberdeen Angus Breeders Association. The watch was given in appreciation of the work Walker did in fitting the College Angus steer which won the grand championship in the carcass class at the recent Chicago International Livestock Show.

A proposal to widen Grand River and Michigan avenues within the city limits of East Lansing has been made by residents of East Lansing, and a special committee has been appointed to consider "ways and means." Widening of these thoroughfares, which border the campus, would add greatly to the beauty of the College grounds and approaches.
Sororians Organize Alumnae Ass'n.

Fifty Sororian alumnae gathered in the society room in the Woman's Building on Saturday morning, January 21, to celebrate the twentieth anniversary of the founding of the society. At that time the Sororian alumnae association was organized and officers for the coming year elected as follows:

President, Fannie Beal; vice president, Kate McDonald Smith; secretary-treasurer, Iva Beach; executive committee: chairman, Lenora Smith VanHalteren '09, Jennie Taylor Hale, Arda Strong Boucher, Helen Edmonds Coulter.

The next meeting will be held in June. On Friday evening the alumnae attended the Coed Prom and afterwards enjoyed a supper at the Woman's Building. Saturday noon, following the business meeting luncheon was served at the Flower Pot. In the afternoon the active Sororians held their formal initiation and banquet.

Detroiter's Column

The peppiest football meeting ever pulled off by an alumni body took place at the Tuller Roof Garden December 17, when we entertained Barron and his huskies and Coach Rynearson and his city champs from Northern High.

Northern High became the possessors of the M. A. C. Club football cup, an imposing silver creation which becomes the permanent property of the high school team that wins the city championship three times.

Marc Small and the Kampus Klowns furnished jazz that was irresistible. Marc's "Mormon Song" brought down the house and almost pulled the roof with it.

Frances Klasell '17, and Miss Bertha Stark, while attempting to board a street car recently at Mt. Elliott and Heidelberg, were struck by an automobile and seriously injured. "Swede" suffered a broken collar bone and severe scalp lacerations. She has recovered very nicely and at last report was back on the job at Parke-Davis Company. (While "Swede" was laid up she couldn't play her saxophone and Elmhurst Ave. was very quiet).

Look out now, folks! Her next door neighbors, Herb and Gladys Straight, announce the arrival of twin boys on Saturday, January 14. The whole family is doing famously. Herb says they are good looking, like their dad. Remarkable how conceited these proud fathers get.

E. H. Gunnison '12, is now in charge of the Detroit office of the American Three-Way Luxfer Prism Company, covering territory of Michigan, Ohio and Indiana.

B. L. Fralick is now Michigan representative of the Irving Iron Works, with offices at 205 Kresge Building.

S. B. Lee, '17.

ATHLETICS

Indoor Minor Sports Open This Week

With the varsity wrestling team meeting Indiana University in the College Gym Saturday night, and the swimming squad engaging Detroit Junior College in the pool Friday night, winter "minor" sports will be ushered in this week.

Final eliminations to pick members of the wrestling team were finished last Monday, and Coach Dever has spent the rest of the week in grooming his charges for their first intercollegiate meet. Indiana won the Western Conference championship last year, and will be a hard team for the boys to meet so early in the season.

Little is known of the strength of the Detroit swimmers, nor of the M. A. C. representatives, for that matter. This meet, as is the case with wrestling, will mark the inauguration of the sport as an intercollegiate event at M. A. C.

Sophs Win Interclass Track Meet

The sophomore class won the interclass track meet last Saturday, scoring a total of 45 points. Seniors were second with 26, while Freshmen and Juniors followed with 12 and 5 points, respectively.
Kalamazoo Breaks Varsity Winning Streak

Kalamazoo College sent about as clever a basketball team as has been seen on the local court in recent years to East Lansing last Saturday night, and succeeded in breaking the varsity's long winning streak by the score of 39-28. Previous to this, Frimodig's men had won seven straight victories on the home floor, and the defeat came as somewhat of a surprise.

The varsity started with a rush, and it looked for a time as though the game would prove a repetition of the comparatively easy victories which had preceded it. At one time the score stood 18 to 5 in favor of M. A. C., due largely to long shots by Gilkey, Heasley and Foster. Kalamazoo braced near the end of the half, however, and ran the count up to 20-16 at the whistle.

The second half ushered in the most surprising bit of basketball the varsity has been called upon to face all season. Not even Wisconsin or Michigan uncovered anything like the offense the visitors from Kalamazoo carried with them. Getting the jump at center, passing down the floor with speed and accuracy, and shooting with uncanny certainty, the Kalamazoo quintet scored almost at will, bringing their total to 32 before the varsity could find itself.

The last eight or ten minutes were played on even terms again, with the result that the final count showed a margin of only eleven points for the winners.

While the varsity seemed to be a trifle off form, it must be admitted that Kalamazoo is probably the strongest team in the state this year. Their 41 to 20 victory over Notre Dame on the Irishmen's own court last week speaks for itself.

Summary:

M. A. C. KAZOO
Heasley R. F. McKay
Gilkey E. L. Kern
Foster C. Voorhees
Matson R. G. Vroeght
Swanson L. G. Lambke

Score at end of first half: M. A. C., 20; Kalamazoo, 16.
Field goals-M. A. C.: Heasley, 4 - McKay, 3; Foster, 4; Gilkey, 3; Matson, 3. Kalamazoo: McKay, 6; Hinga, 4; Vroeght, 2; Kern, 2; Spurgin, 2. Free throws-M. A. C.: Gilkey, 6 out 9. Kalamazoo: McKay, 7 out 11.

Referee: Horton, Detroit Y. M. C. A.

Valparaiso Proves Rather Easy

A 30 to 21 victory over Valparaiso University, Thursday evening of last week, gave Coach Frimodig a chance to try out his second string men in actual competition. The regulars ran up a lead of more than 20 points early in the second half, and could, apparently, have increased the margin considerably. Wilcox, Fessenden, and Brown were sent into the game at this point, and although they failed to work together as smoothly as might be wished, individual ability shown gave promise of great development later in the season. Valparaiso observed the "reserves," cutting the lead down to nine points.

Calla Kreutel Eylar sends this, "I am able once a year to write a few lines with the aid of the questions on the blank. Mrs. Alfonso Palacio's criticism of the class of 1907, in a recent issue of the Record, is well founded and justifiable; we welcome the Record with more than ordinary enthusiasm; it is like the visit of a relative with all the family news, to those of us so isolated from M. A. C. or M. A. C. people, but we are slow to respond. Perhaps, as in my case, there is no news to relate. All I can say is: Some old thing, maintaining a dairy herd on an irrigated farm in the Rio Grande valley. This valley is a beautiful section, not Western desert land, as some believe, and a climate that cannot be rivalled. Most important to us, is the rearing of our little daughter Ann, who will be on her way to M. A. C. before we are aware." Mrs. Eylar may be addressed at LaMesa, New Mexico.

Until Dec. 1 he was connected with the extension department as assistant state leader of boys’ and girls’ clubs. At present he is working on mutual, fire, livestock and farm insurance and work for use in the short course classes.

Stanley Marsden is instructor in Poultry Husbandry at the University of Nebraska at Lincoln.

Marie Merriman is teaching in Flint and living at the Oak Grove Club. She sends us the announcement of the birth of Jeanne Lorraine on November 11, to Mr. and Mrs. I. N. Newman. Mrs. Newman was formerly Ruth Huddle. They are living at 2515 Buchanan Avenue, Detroit.

Miss Hunt at Tea Room.

Miss Clara Hunt, known to hundreds of M. A. C. alumni during her years as manager of Club “C” and director of women’s dormitories, is temporarily in charge of the Flower Pot Tea Room. Miss Hunt is soon to open a commercial cafeteria in East Lansing, but has promised to “stay by” the Flower Pot, through Farmers’ Week, at least.
