D. The personnel items related to Director of Intercollegiate Athletics and Head Football Coach George Perles were presented by Dr. Scott. The following discussion occurred:

On January 23, 1990, the Board of Trustees resolved that in addition to his head football coaching duties, George J. Perles would assume with no additional salary, the responsibilities of the Athletic Director, effective July 1, 1990. This arrangement was subject to a one year review based on criteria to be developed by the administration in consultation with the Athletic Council and approved by the Board of Trustees.

On July 20, 1990 and June 7, 1991, the Board approved evaluation criteria for the Director of Intercollegiate Athletics and for review of the arrangement of the dual position of Director of Intercollegiate Athletics and Head Football Coach. The review was to begin July 1, 1991 by the Office of the Provost and thereafter transmitted to the President for consideration.

On November 21, 1991, Provost Scott recommended to the President a separation of the positions of Director of Intercollegiate Athletics and Head Football Coach and that Mr. George Perles relinquish his contract as Head Football Coach to be Director of Intercollegiate Athletics. The President concurred with the recommendation and on November 27, 1991, Mr. Perles was formally offered the position of Athletic Director under specific terms and conditions which he rejected. The Provost then recommended to the President, and the President concurred, that Mr. Perles relinquish his duties as Athletic Director with the understanding that the University would honor the provisions of his written contract as Head Football Coach. (Correspondence and related materials are included with the Board Agenda in the Office of the Secretary of the Board of Trustees).

To remove any question regarding the President's authority to take final action regarding the recommendation of the Provost on this matter and so that there is no question regarding the relationship between the position of Director of Intercollegiate Athletics and Head Football Coach, and the current status of Mr. George Perles, the following resolution was presented:

1) The Board of Trustees reaffirm and ratify the President's decision to separate the position of Director of Intercollegiate Athletics from the position of Head Football Coach effective December 1, 1991;

2) The Board of Trustees reaffirm and ratify the President's decision that Mr. George Perles continue as the Head Football Coach of Michigan State University pursuant to his written contract as Head Football Coach, the terms of which are currently in force, given that Mr. Perles rejected the offer of an appointment as Director of Intercollegiate Athletics under specified terms and conditions; and
3) The Board of Trustees approve the appointment of Mr. George Perles as Director of Intercollegiate Athletics on an interim basis, effective December 1, 1991, until such time as a new Director of Intercollegiate Athletics is appointed.

On a motion by Mr. Pridgeon, supported by Ms. Sawyer, THE BOARD VOTED 6 to 2 to approve the personnel actions related to Director of Intercollegiate Athletics and Head Football Coach Perles. Mr. Ferguson and Mr. Weiss voted in opposition of the action.

E. A motion was made by Mr. Pridgeon and supported by Ms. Cook to delegate to the President authority for the appointments and other personnel actions of the Director of Intercollegiate Athletics and three Head Men's Coaches as set forth below.

Delegation: On October 24, 1991, the Board of Trustees voted to continue to approve, without delegation, appointments for the following positions and delegated to the President authority for other personnel actions, including salary increases, leaves, resignations and terminations for these positions:

Director of Intercollegiate Athletics
Head Men's Basketball Coach
Head Football Coach
Head Hockey Coach

Redelegation: It is now recommended that the Board of Trustees delegate to the President the authority for these appointments and other personnel actions, including contract terms, salary increases, leaves, resignations and terminations.

F. On a motion by Ms. Cook, supported by Mr. Reed, THE BOARD VOTED to amend the previous motion to separate the position of Director of Intercollegiate Athletics from the Head Coaches positions. The vote was 4 to 4 (Trustees Cook, Pridgeon, Reed, and Sawyer, affirmative; Trustees Ferguson, Reinhold, Shingleton, and Weiss in opposition) so the question returned to the original motion to vote on the four positions.

G. THE BOARD VOTED again 4 to 4 (Trustees Cook, Pridgeon, Reed, and Sawyer, affirmative; Trustees Ferguson, Reinhold, Shingleton, and Weiss in opposition) on the original motion to delegate to the President as stated above.

During the discussion and in response to Ms. Sawyer's suggestion, Chairperson Reed indicated he would appoint a committee to review the delegation document.

10. On a motion by Mr. Reed, supported by Ms. Sawyer, THE BOARD VOTED to approve the Gift, Grant and Contract Report for the period September 14, 1991, through November 8, 1991, with a total value of $26,547,876.79. Board of Trustees Resolution of Appreciation to Thomas H. Reed for his Service to Michigan State University

The Board of Trustees of Michigan State University today extends its appreciation and best wishes to Trustee Thomas Reed.

As a member of the Board of Trustees since 1981, its Vice Chairperson from 1985 to 1989, and its Chairperson in 1991, Thomas Reed has served his alma mater with dedication and distinction.

Trustee Reed’s devotion to the ideals, traditions and mission of Michigan State University began long before his tenure as a Trustee. As a child on the family’s centennial farm in Clarklake, as an Animal Husbandry major at MSU, as a Cooperative Extension Service Agricultural Agent in Gratiot and Jackson counties, as a leader in Michigan’s agricultural industry and currently General Manager of the Michigan Livestock Exchange, Trustee Reed has exhibited a lifelong devotion to the development of Michigan’s agriculture industry.

Trustee Reed came to the MSU Board of Trustees with a strong background in agriculture and quickly grew to understand and appreciate the vast array of faculty, staff, students and programs which comprise Michigan State University.

During his tenure as Trustee, Michigan State University has experienced continued growth, with construction of the Clifton and Dolores Wharton Center for Performing Arts, the K100 and K1200 Superconducting Cyclotrons, the Plant and Soil Sciences Building, the Jack Breslin Student Events Center, and expansion and renovation of the Engineering Building and Veterinary Clinical Center.

At the same time, the University has faced financial challenges and prepared to educate the leaders of the next century through comprehensive evaluation of its curriculum, revitalization of its outreach and public service efforts, and renewal of its commitment to foster the diversity of its people.

For his insight, conscientious service and leadership during a dynamic decade of the University’s history, for his support, advice and counsel, the Board of Trustees, on behalf of Michigan State University and the citizens of Michigan, extend to Thomas H. Reed our sincere gratitude and best wishes for the future.
December 6, 1991

Mr. Weiss agrees that the University needs to express its support. Trustee Sawyer indicated support for the proposal. The Development Program will pursue these possibilities and report back to the Board.
