Report by Pres. Wharton re 3 HEW contracts

President Wharton informed the Trustees that the Department of Health, Education, and Welfare had incorrectly specified that unless the University accepts a new set of affirmative action standards by July 1, 1975 it would lose three federal contracts. An internal review has showed that none of the three contracts is of an emergency nature or necessarily eligible for affirmative action pre-award compliance review as specified by HEW. Vice President Perrin will be in Washington June 20 attempting to resolve the misunderstanding along with other universities similarly involved.

Adjourned.
