MINUTES OF THE MEETING
of the
MICHIGAN STATE UNIVERSITY
BOARD OF TRUSTEES
June 25-26, 1981

President Mackey called the meeting to order in Room 105, Kellogg Center, at 7:10 p.m., June 25.

Present: Trustees Bruff, Fletcher, Lick, Reed and Sawyer; President Mackey, Provost Winder, Vice Presidents Breslin, Cantlon, Dickinson, Schonbein, Stewart, Thompson and Turner; Associate Vice President Wilkinson, General Counsel Carr, Assistant to the President Simon, Faculty Liaison Group, and Student Liaison Group.

1. Approval of Proposed Agenda

Trustee Bruff moved approval of the proposed agenda with the addition of three items: 1) Under Section 8 of the Open Meetings Act, the Board will hold an Executive Session for the purpose of discussing negotiations relating to collective bargaining (this was voted upon later in the meeting); 2) Discussion of the Neogen (Biotechnology Corporation); 3) Item D. 16. Compensation and Benefit Program. Seconded by Trustee Lick. Approved by a vote of 5 to 0.

2. Work Session—Parking Program

The Board went into a work session for the purpose of discussing the University's parking program. Vice President Breslin, assisted by Mr. Tom Kehler, Director of Campus Park and Planning, presented a historical review of the parking program. They summarized the proposed academic facilities which may be constructed on east campus and related parking needs. Proposed Parking Ramp 3 was discussed, including alternative funding plans (information on file in the Secretary's Office). During this discussion Trustees Howe, Krolikowski and Martin arrived.

3. Executive Session

A roll call vote was taken for an Executive Session to be scheduled for 8:30 a.m. on Friday, June 26. The purpose was to discuss collective bargaining. Unanimously approved. Voting Yes: Trustees Bruff, Fletcher, Howe, Krolikowski, Lick, Martin, Reed and Sawyer.

4. Approval of the April 3-4 and May 21-22, 1981, Minutes

Moved by Trustee Howe, seconded by Trustee Bruff, to approve the minutes of the April 3-4 and May 21-22, 1981, Board meetings. Approved by a vote of 8 to 0.

5. Work Session—Board Meeting Format

The Board returned to a work session to discuss the format of Board of Trustees' meetings (copy on file in the Secretary's Office).

The Board recessed at 10:02 p.m.

The Board reconvened at 8:35 a.m., June 26, Heritage Room, Kellogg Center, for an Executive Session to discuss negotiations relating to collective bargaining issues. (A copy of the minutes is filed in the Executive Session Minutes book in the Secretary's Office.)

Present: Trustees Bruff, Fletcher, Howe, Krolikowski, Lick, Martin (arrived at 8:53 a.m.), Reed and Sawyer; President Mackey, Provost Winder, Vice Presidents Breslin, Stewart and Thompson; Associate Vice President Wilkinson, General Counsel Carr, Assistant Vice President Groty, and Director Baker.

The Board recessed at 8:57 a.m.

During the recess there were meetings of the Board Committees on Audit, Investment, and Land and Physical Facilities.

6. Work Session—Neogen

The Board reconvened at 11:00 a.m. for a work session to discuss Neogen (Biotechnology Corporation). Vice President Cantlon distributed materials which summarized various questions raised during the Academic Governance review of the matter and incorporated his responses (copies on file in the Secretary's Office). It was also noted that General Counsel Leland Carr had forwarded an opinion to the Board of Trustees in response to their request at the May 21-22, 1981, Board meeting. With this review, it was understood that the MSU Foundation would proceed with the development of Neogen as outlined in Vice President Cantlon's memorandum to the Trustees at their May 21-22 meeting.
7. Continued Work Session on Board Meeting Format

The Board then continued their discussion on Board format and calendar. Following a detailed review of the outline and materials presented, it was agreed that the Administration would proceed to develop recommendations for the Trustees' consideration of policies and procedures which will implement the intent of these documents.

The Board recessed at 11:45 a.m.

The Board reconvened at 1:12 p.m., Board Room, Administration Building, June 26.

Present: Trustees Bruff, Fletcher, Howe, Krolikowski, Lick (arrived at 1:17 p.m.), Martin, Reed and Sawyer; President Mackey, Provost Winder, Vice Presidents Breslin, Canclon, Dickinson, Schonbein, Stewart, Thompson and Turner; Associate Vice President Wilkinson, General Counsel Carr, Assistant to the President Simon, Faculty Liaison Group, and Student Liaison Group.

8. Public Comments

Monica Green, Acting Coordinator of the Substance Abuse Program, shared with the Board the practical aspect of the typical type of employee seen by their office and what transpires during that contact. The profile she presented was of the nonacademic employee. Ralph Turner, Professor Emeritus of Criminal Justice, discussed the needs of academic personnel as it relates to the program. They both urged continued support of the program. A handout was presented to the Board (a copy is on file in the Secretary's Office).

Fran Ota, Co-chairperson, University Apartments Residence Council (U.A.R.C.), addressed the Board of her concern of the need and importance of a good quality day care center at MSU.

Dennis Banas introduced Jennifer Hicks, a third grader, who addressed the Board concerning the pleasant experiences she had while attending the MSAU Day Care Center. Jennifer expressed the importance of the Center and that she hoped it would remain opened at MSU (a copy of her remarks are on file in the Secretary's Office).

Barbara Reeves, President of MSUEA, addressed the Board concerning the value of the University retaining the MSAU Day Care Center and urged the Administration "to be receptive to its creation as an independent service unit."

John Liskey, resident of East Lansing, asked the Administration to look into the feasibility of making the public access component of the East Lansing cable system available in the TV Room of each dormitory on campus.

Brett Waller, Chairperson of ASMSU, discussed construction of a parking facility for the Performing Arts Center, delegation of the authority to the Vice President for Administration and Public Affairs to make changes in vehicle regulations, and the issue of the continuance of the MSAU Day Care Center (a copy of his remarks are on file in the Secretary's Office).

Marc Conlin, President of COGS, discussed parking regulations, ordinances and fees on campus as they relate to the graduate student, and the delegation of the authority to the Vice President for Administration and Public Affairs to make changes in vehicle regulations (a copy of his remarks are on file in the Secretary's Office).

9. Appointments to Alumni Association Executive Board

**Total** $200,000

This project will be funded with funds in the amount of $88,000 from the U. S. Department of Energy and matching funds in the amount of $112,000 from the University General Fund.

RESOLVED that the above contract be awarded and project budget be established as recommended.

Approved by a vote of 8 to 0 on motion by Trustee Howe, seconded by Trustee Martin.

3. Waterproof Coating and Concrete Protection at Level 6 - Parking Ramp No. 1

The following bids were received on May 28, 1981, for Waterproof Coating and Concrete Protection at Level 6 in Parking Ramp No. 1. The project involves cleaning and applying a protective coating to approximately 9,350 square feet of the sixth level and restoration of 1,000 square feet of spalled concrete deck.

3. waterproof coating and concrete protection at level 6 - parking ramp no. 1, cont.

Notification and/or plans and specifications were sent to the offices of Builders Exchange and Dodge Reports serving Detroit, Grand Rapids, Lansing, and Kalamazoo, as well as the Inner-City Business Improvement Forum (ICBIF), seven minority firms, and one female owned firm. No minority owned or female owned firms bid on this project.

It is recommended that a contract in the amount of $38,644 be awarded to William H. Kelly Company of East Lansing, Michigan, and that the following project budget be established:

| Contractor - William H. Kelly Company | $38,644 |
| Contingencies | $7,536 |
| Design, Coordination, and Inspection | $3,800 |
| **Total** | **$50,000** |

This project will be funded from parking revenues.

**RESOLVED** that the above contract be awarded and project budget be established as recommended.

Approved by a vote of 8 to 0 on motion by Trustee Sawyer, seconded by Trustee Bruff.

4. Installation of Trash Compactors in Holden and Wilson Halls

The following bids were received on June 2, 1981, for Installation of Trash Compactors in Holden and Wilson Halls. This project is a continuation of the commitment to the Michigan Department of Natural Resources Clear Air Act. It involves the removal and abandonment of incinerators, the installation of stationary waste compactors, and the furnishing of waste receiver containers at Holden and Wilson Halls. Also included are structural, mechanical, and electrical alterations, and additional fire protection.

This project was estimated at $50,000 in November 1980. However, it was discovered during the design phase that additional structural alterations, not included in the original estimate, would be required for this work.

Notification and/or plans and specifications were sent to the offices of Builders Exchange and Dodge Reports serving Detroit, Grand Rapids, Lansing, and Kalamazoo, as well as the Inner-City Business Improvement Forum (ICBIF), and seven minority owned firms and two female owned firms. No minority or female owned firms bid on this project.

It is recommended that a contract in the amount of $69,700 be awarded to Irish Construction Co., Inc. of Howell, Michigan, and that the following project budget be established:

| Contractor - Irish Construction Co., Inc. | $69,700 |
| Contingencies | $4,300 |
| Design, Coordination, and Inspection | $6,500 |
| **Total** | **$80,500** |

This project will be funded from Auxiliary Funds in Account 21-2861.

**RESOLVED** that the above contract be awarded and project budget be established as recommended.

Approved by a vote of 8 to 0 on motion by Trustee Bruff, seconded by Trustee Lick.

5. 1981 Building Reroofing, Phase II, in University Village

The following bids were received on May 28, 1981, for 1981 Building Reroofing, Phase II, in University Village. This project provides for replacing the roofs on ten buildings, approximately 25% of the total, in University Village. Included is removing existing roof gravel, installing new waterproof roofing membrane, and installing roof insulation to provide higher insulating capacity. Also included is installing interior roof drains and new metal facias to reduce maintenance.

**RESOLVED** that the above contract be awarded and project budget be established as recommended.

This project was estimated at $275,000 in May 1981.

Notification and/or plans and specifications were sent to the offices of Builders Exchange and Dodge Reports serving Detroit, Grand Rapids, Lansing, and Kalamazoo, as well as the Inner-City Business Improvement Forum (ICBIF) and five minority owned firms. No minority or female owned firms bid on this project.

It should be noted that the Board of Trustees approved Phase I of this project at its May 21-22, 1981, meeting. It was determined that due to the favorable bidding climate as demonstrated by the Phase I bids we should proceed immediately with bidding for Phase II of this project. The work to be completed this summer was broken down into projects in order to provide greater opportunity to small contractors including minority and female owned firms.

It is recommended that a contract be awarded in the amount of $248,400 to the Haussman Construction Company of Lansing, Michigan, and that the following project budget be established:

| Contract — Haussman Construction Company | $248,400 |
| Contingencies                             | 12,600   |

| **Total**                                 | $273,500 |

This project will be funded from the Auxiliary Fund Account 21-2884, University Village-Major Repair.

RESOLVED that the above contract be awarded and project budget be established as recommended.

Approved by a vote of 8 to 0 on motion by Trustee Fletcher, seconded by Trustee Bruff.

6. Irrigation System and Well No. 1 at the Clarksville Horticulture Experiment Station

The following bids were received on June 9, 1981, for Irrigation System and Well No. 1 at the Clarksville Horticulture Experiment Station. This project involves the construction of the irrigation water main, improving the existing well, and construction of a structure to house the well and pump apparatus.

Alternate A provides for extension to the east and west of the water main, electric power and conduit, and controller, that ends in the northeast corner of the station. Alternate B provides for extension of the water main and electrical conduit to the north.

The project was estimated at $310,000 in May 1981.

The project was advertised in the Lansing State Journal and the Grand Rapids Press. Notification and/or plans and specifications were sent to the Dodge Reports and Builders Exchange offices statewide. No minority or female owned firms bid on this project.

It is the recommendation of the professional services contractor, Williams & Works of Grand Rapids, Michigan, that the bids be rejected and that the work be broken down into two projects and rebid. It is this firm's opinion that by separating the work into two contracts that they can attract a broader range of contractors and provide a more competitive bidding climate. The administration concurs in this recommendation.

RESOLVED that the above bids be rejected and the project be rebid as recommended.

Approved by a vote of 8 to 0 on motion by Trustee Sawyer, seconded by Trustee Fletcher.
D. OTHER ITEMS FOR ACTION

1. Recommendation to Proceed with Projects

At its December 5, 1980, meeting as part of the 1980-81 budget adjustment plan, the Board of Trustees approved the deferral of a number of projects. The following projects were included in this deferral. It is recommended that funds be released for these projects in order to carry out the intended programs.

</tr>
</tbody>
</table>

By releasing the above funds, we will be able to proceed in purchasing necessary equipment for the instructional research program in the College of Veterinary Medicine, improve space in Demonstration Hall in a multipurpose area, and proceed with energy programs with a payback to the University of approximately three years.

It is recommended that the funds be released as stated and that the administration be authorized to establish procedures to proceed with these projects.

RESOLVED that the above recommendation be approved.

Approved by a vote of 8 to 0 on motion by Trustee Fletcher, seconded by Trustee Howe.

2. Funding of Nonrecurring Projects

It is recommended that funds be allocated from the General Fund to complete the following projects:

A. On a phase basis, the University has been installing a broadband coaxial cable system for the purpose of transmitting signals for our energy management program, information systems, audio and visual systems, and computer needs.

It is recommended that $78,500 be allocated to further extend this program on campus. This allocation will provide for the installation of the cable system to Agriculture, Bostock, and Olds Halls (all major information centers), extension of the cable westward from the Communication Arts Building to connect with the National Cable Company system at Harrison Road for the instructional television program, and connection of the video portions of certain sections of the current system.

RESOLVED that the above recommendations be approved.

Approved by a vote of 7 to 0 on motion by Trustee Martin, seconded by Trustee Bruff. Trustee Howe abstained.

3. Closing of Books 1980-81

It is requested that the Administration be authorized to complete the closing entries of the financial records of the University for the fiscal year ending June 30, 1981, with final accounting to be made to the Board of Trustees during the presentation of the audited financial statements by Ernst & Whinney and the University representatives.

RESOLVED that the above recommendation be approved for the fiscal year ending June 30, 1981.

Approved by a vote of 8 to 0 on motion by Trustee Fletcher, seconded by Trustee Reed.
4. **Continuation of Operation of the University at 1980-81 Levels**

It is recommended that the University Administration be authorized to continue to operate the University at the 1980-81 fiscal level as modified by the budget adjustment plan until the 1981-82 budgets have been established and approved by the Board of Trustees.

RESOLVED that the above recommendation be approved.

Approved by a vote of 8 to 0 on motion by Trustee Martin, seconded by Trustee Fletcher.

5. **Authorization of Acting Secretary Functions**

In order to carry out the legal functions of the Secretary of the Board office, it is recommended that the following item be approved:

Roger Wilkinson is hereby authorized to perform the functions of Acting Secretary of the Board of Trustees as described and set forth in Article IV of the Bylaws of the Board of Trustees of Michigan State University.

RESOLVED that the above authorization be approved.

Approved by a vote of 8 to 0 on motion by Trustee Fletcher, seconded by Trustee Lick.

6. **Restructuring of Hannah Professorships**

On November 21, 1969, the Board of Trustees established the John A. Hannah Professorships and, periodically, has designated resources within the University for the support of this program in addition to those that have been received as gifts. Also, the Trustees have periodically reviewed this program for the establishment of financing principles for its administration.

When established, the goal of this program was to provide for ten professorships at a principal value of $300,000 each, or a total endowment of $3,000,000. When fully funded, this would have provided approximately $15,000 per professorship to be added to the departmental funding of a full professor’s position.

In December of 1977, in order to reflect inflationary factors since the establishment of the Hannah Professorships, the Trustees restructured the program which had an endowment value of approximately $2,500,000 as of that date, recognizing five professorships with an estimated income of approximately $25,000 each.

It is now recommended that the Board revise the program to work toward the objective of fully endowing five academic chairs under the Hannah program with an endowed value of $1,000,000 (1981 value) supporting each chair. To achieve this objective, it is recommended that the following resources be transferred to the principal account and that future income as indicated below be designated for this purpose:

A. The University received $307,803 as a bonus for signing the Lake City oil and gas drilling lease. It is recommended that these unrestricted funds be transferred to the Hannah principal account.

B. The Hannah Professorships have accumulated $350,000 in income which is not required to meet current program obligations. It is recommended that these funds be transferred from the income account to the principal account.

If the above recommendations are approved, the following would be the projected value of this fund as of June 30, 1981:

<table>
<thead>
<tr>
<th>Description</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Current Endowment</td>

</tr>
<tr>
<td>Hannah Income</td>
<td>350,000</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td>$3,057,803</td>
</tr>
</tbody>
</table>

It should be noted that approval of these actions would result in fully funding three academic chairs at a value of $1,000,000 each.

C. It is anticipated that the University will receive royalties from the gas lease on the Jones property located near Stoney Creek. Royalties have not been received or designated for University programs as of this date. It is recommended that future royalties received be designated for this program.

continued - - -

D. The Jenison Fund is the largest fund functioning as an endowment of the University, with a principal balance of approximately $1,100,000. Annual income from this endowment is approximately $85,000. It is recommended that for a three-year period the income from the Jenison Fund be designated for this program.

E. The Akers Trustees will be meeting to discuss recommending the possibility of the designation of future Trust Income for the support of the Hannah Professorships.

With the designation of these three additional resources, it is anticipated that we will meet the objective of fully funding five endowed chairs in the near future.

RESOLVED that the above objectives for fully endowing five academic chairs under the John A. Hannah Professorships be approved, that the assets be transferred as indicated, and that future income be designated for this program as recommended.

Approved by a vote of 8 to 0 on motion by Trustee Sawyer, seconded by Trustee Lick.

7. Departmental Name Changes: College of Veterinary Medicine

The faculties of the Department of Small Animal Surgery and Medicine and the Department of Large Animal Surgery and Medicine, the Chairpersons of these two departments, and the Dean of the College of Veterinary Medicine propose that the titles of these departments be changed as follows:

- Department of Small Animal Surgery and Medicine to Department of Small Animal Clinical Sciences.

- Department of Large Animal Surgery and Medicine to Department of Large Animal Clinical Sciences.

These proposals follow from a review by these departments of scope and components of their missions. For example, the Department of Small Animal Surgery and Medicine identifies twelve specialty areas, i.e. General Practice, Soft Tissue Surgery, Orthopedic Surgery, Anesthesiology, Radiology, Internal Medicine, Ophthalmology, Neurology, Cardiology, Oncology, Zoo-Wildlife Practice, and Emergency-Trauma-Intensive Care. Functions include instruction, professional services, and research. The changes in names are proposed as more descriptive of the functions and characteristics of these departments.

RESOLVED that effective July 1, 1982, the departmental titles be changed as follows: Department of Small Animal Surgery and Medicine to Department of Small Animal Clinical Sciences and the Department of Large Animal Surgery and Medicine to Department of Large Animal Clinical Sciences.

Approved by a vote of 8 to 0 on motion by Trustee Reed, seconded by Trustee Lick.

8. Proposal to Separate the Department of Accounting and Financial Administration into Two Departments

The Dean of the College of Business recommends that the Department of Accounting and Financial Administration be separated into two departments, i.e. the Department of Accounting, and the Department of Finance and Insurance.

The faculty and degree programs in Accounting and in Finance are clearly separable. Each discipline has its own set of courses for its majors at the undergraduate, MBA and doctoral levels, and its own external constituencies. Michigan State is the only institution in the Big Ten where these two areas are not separated, and this has made it difficult to compete in the recruitment of faculty and top-quality students.

The plan for separation has the support of the Accounting and Finance faculties, the Economics faculty, and the College Advisory Council.

The Executive Committee of the Academic Council reviewed this proposal at their meeting on May 18, 1981, and adopted a motion that further consultation with the academic governance system is not necessary.

8. Proposal to Separate the Department of Accounting and Financial Administration into Two Departments, cont.

It is recommended that this proposal from the College of Business be approved.

RESOLVED that the Department of Accounting and Financial Administration be separated into two departments (Department of Accounting and Department of Finance and Insurance) effective July 1, 1981.

Approved by a vote of 8 to 0 on motion by Trustee Sawyer, seconded by Trustee Fletcher.

9. Amendments to the Bylaws for Academic Governance

The following proposed amendments to the Bylaws for Academic Governance have been approved by the Academic Senate and are recommended for approval by the Board of Trustees:

3.2.1.1.5. Change "Assistant Provost for Admissions and Records" to "Assistant Provost for General Academic Administration."

3.2.1.1.2. Revise to read: "The appointed Council shall be composed of all deans of academic programs, the directors of the Honors College and Library, the President and the Provost."

3.2.2.1. Change "...the directors of the Honors College, Libraries and Academic Services." to read "...the directors of the Honors College and Libraries."

3.2.5.5.1. Delete the last phrase "...and the Director of Academic Services."

8.3. Amendments

8.3.1. Proposed amendments shall be submitted initially to the Committee on Academic Governance and subsequently may be introduced to Academic Council by the Committee on Academic Governance or any member of Academic Council. Amendments must be approved by both the Academic Council and the Academic Senate.

8.3.2. Following approval by the Academic Senate the Steering Committee shall forward the proposed amendment to the President.

8.3.2.1. If the President concurs with the proposed amendment, the President shall notify the Steering Committee and place the proposed amendment on the agenda for action by the Board of Trustees within 90 days (excluding the time between the end of Spring term and the start of Fall term).

8.3.2.2. If the President does not concur with the proposed amendment, it shall be returned to the Steering Committee with the President’s written objections and recommendations within 30 days (subject to the exclusion noted in 8.3.2.1.). The Steering Committee shall submit the proposed amendment and the President’s comments to the Academic Council for reconsideration.

8.3.2.2.1. If the Academic Council declines reconsideration, or if reconsideration results in no change to the proposed amendment, the Steering Committee shall return the proposed amendment to the President who in turn shall place it on the agenda for action by the Board of Trustees within 60 days (subject to the exclusion noted in 8.3.2.1.).

8.3.2.2.2. In the event that reconsideration leads to modification of the proposed amendment, the amended version of the proposal shall be submitted to the Academic Senate for action. If approved by the Academic Senate, the proposed amendment shall be forwarded to the President according to the provisions of 8.3.2.

RESOLVED that the Bylaws for Academic Governance be amended as listed above.

Approved by a vote of 8 to 0 on motion by Trustee Bruff, seconded by Trustee Fletcher.
OTHER ITEMS FOR ACTION, cont.

10. Reporting of All-University Traffic Committee

The All-University Traffic Committee reports directly to the President. It
is recommended that the reporting authority be transferred to the Vice
President for Administration and Public Affairs and that the following
resolution be adopted:

The Board of Trustees transfers the reporting requirement of
the All-University Traffic Committee from the President's
Office to the Office of the Vice President for Administration
and Public Affairs and further delegates to the Vice President
for Administration and Public Affairs the authority to make
changes in vehicle regulations by administrative action.

RESOLVED that the above resolution be approved.

Approved by a vote of 8 to 0 on motion by Trustee Bruff, seconded by Trustee
Krolikowski.

11. Recommendations from All-University Traffic Committee

The All-University Traffic Committee annually reviews the Student Motor
Vehicle Regulation and the Faculty, Staff and Visitors Parking Regulation.
Subsequently and based upon the Committee's ongoing experience the Committee
then recommends changes in those areas where there is an apparent need. Upon
completing the most recent review, the Committee recommends the following
changes to become effective September 1, 1981:

1. The concept that parking be a self-sustaining operation.

2. An increase to $0.25 an hour for metered parking space rates and
   $1.00 for the use of gate controlled lots.

3. That a registration fee be required for every vehicle registered by
   faculty and staff.

4. That all motor vehicles possessed or operated on campus by students
   be registered. No fee would be assessed if the student was enrolled
   for 0-6 credits.

5. Handicappers will be required to pay the same registration fee as
   other students.

6. Twenty-five ($25) dollar penalties be established to impact upon
   three serious problem offenses.

RESOLVED that the above recommendations from the All-University
Traffic Committee be approved.

Approved by a vote of 8 to 0 on motion by Trustee Fletcher, seconded by Trustee
Bruff.

12. Establishment of the Beatrice V. Butler Memorial Fund

Recently, the University received a bequest from the Estate of Beatrice V.
Butler consisting of cash in the amount of $85,617 and three land contracts
totaling $73,650. The terms of this bequest are as follows:

In memory of her husband, Clare R. Butler, she bequeathed the
balance of her estate to the Cancer Research Program of the
College of Human Medicine at Michigan State University.

It is recommended that a fund functioning as an endowment for this purpose
be established under the direction of the Dean of the College of Human
Medicine. The Office of the Provost concurs in this recommendation.

RESOLVED that the above bequest be accepted and that
the fund functioning as an endowment be
established as recommended.

Approved by a vote of 8 to 0 on motion by Trustee Howe, seconded by Trustee
Fletcher.

At its November 1968 meeting, the Board of Trustees established a fund functioning as an endowment known as the Nancy Kay Dunkel Medical Memorial Fund designated for support of lectureships in the Department of Pathology. Prior to that date, the Board also received gifts as a memorial to John F. Sander to be used by the Department of Pathology for educational research.

It is now recommended by the donors, and concurred upon by the Department of Pathology and the Office of the Provost, that these funds be combined and that we establish a fund functioning as an endowment to be known as the John F. Sander and Nancy K. Dunkel Memorial Lecture Fund.

RESOLVED that the above recommendation be approved.

Approved by a vote of 8 to 0 on motion by Trustee Bruff, seconded by Trustee Fletcher.

WHEREAS, Public Act 472 of 1978 was enacted to regulate lobbyists, lobbyist agents and lobbying activities and to require registration of and reports from lobbyists and lobbyist agents and,

WHEREAS, under this Act, Michigan State University is considered a lobbyist,

BE IT RESOLVED, that the Board of Trustees and Michigan State University, as a matter of institutional policy, will follow the legislation without waiving its right to object to the legality of the legislation or its right to amend the legislation.

Only those persons authorized to lobby on behalf of the University by the Board of Trustees are permitted to lobby on behalf of the University or any part of the University. Any person engaged in lobbying who is not authorized to lobby on behalf of the University is not lobbying for or representing the University.

Those authorized to lobby on behalf of the University are: any member of the Board of Trustees, the President, the Provost, the Vice President and Assistant Vice President for Administration and Public Affairs, the Vice President for Health Services and Facilities, the Director of Cooperative Extension, the Director of the Agricultural Experiment Station and the following Deans: Agriculture, Business, Communications, Education, Engineering, Human Medicine, International Studies and Programs, Osteopathic Medicine and Veterinary Medicine, and any person delegated authority by the President which is in writing and kept on file in the Office of the Vice President for Administration and Public Affairs.

BE IT FURTHER RESOLVED, that Michigan State University will report its lobby activities to the Board of Trustees twice a year.

Trustee Fletcher moved that the above resolution be tabled. Seconded by Trustee Howe. Approved by a vote of 8 to 0.

15. Affiliation Agreement

The College of Social Science is requesting approval of an affiliation agreement between the University and the Veterans Administration Medical Center, North Chicago, Illinois. The affiliation agreement is required in order to permit graduate students in the Clinical Psychology Program of the Department of Psychology to be placed in the VA facility to obtain clinical training as required in their degree program.

The agreement has been examined by the Office of the Dean, College of Social Science, by the Office of the Provost, and by the Office of Legal Affairs, and has been found to be in order.

The proposed affiliation agreement comes to the Board of Trustees with the Administration's recommendation that it be approved.

RESOLVED that the affiliation agreement between Michigan State University, College of Social Science (Department of Psychology) and the Veterans Administration Medical Center, North Chicago, Illinois, be approved.

Approved by a vote of 8 to 0 on motion by Trustee Sawyer, seconded by Trustee Fletcher.
Resolved that the compensation and benefit program for the positions listed in Exhibit I (on file in the Secretary's Office) be approved.

Approved by a vote of 8 to 0 on motion by Trustee Fletcher, seconded by Trustee Krolikowski.

Trustee Bruff said that by adopting the above item it is not the Board's intent to create or recognize any group of employees but action is being taken relative to individuals.

E. REPORTS TO THE BOARD

1. Board Committee Reports
   a. Audit Committee

   Trustee Sawyer reported that the Audit Committee recommends the appointment of Arthur Young & Co. as external auditors for the fiscal year ending June 30, 1982.

   Approved by a vote of 8 to 0 on motion by Trustee Sawyer, seconded by Trustee Fletcher.

   The Committee discussed the scope of the audit provided by Ernst & Whinney and noted that the scope should be followed up with Internal Audit and the new external audit firm. Further discussion will take place at the summer meeting.

   The Administration responded to questions concerning the status of the Ernst & Whinney management letter. The Committee requested that the Administration draft a policy relative to "separation of university-related organizations" for future Board consideration.

   The evening of September 11, 1981, was established as the date for the summer meeting of the Trustee Audit Committee to review the financial statements and other identified matters.

   b. Investment Committee

   Trustee Krolikowski reported that the Investment Committee approved the adoption of the following investment objective for the Homer Nowlin Endowment Fund:

   Investments should be made in a manner as necessary to provide a cash flow of $100,000 a year, adjusted annually for inflation. Remaining funds not required to finance this income stream should be invested with capital appreciation as the primary goal.

   Approved by a vote of 8 to 0 on motion by Trustee Krolikowski, seconded by Trustee Sawyer.

   The Committee authorized the Administration to select three or four investment consultants to be interviewed by the Board of Trustees. The Board will then engage one of three consultants to assist in the process of reviewing investment managers and in the development of a new performance measurement report format.

   c. Land and Physical Facilities Committee

   Trustee Lick requested that the Land and Physical Facilities Committee approve the following items and recommend them to the Board for approval:

   1. Sale of small parcel of land 35' by 50' to Fruit Belt Electric Cooperative for $5,000.00.

   2. Transfer of Pewabic Pottery assets to the Pewabic Society.

   3. Sale of Jones Farm Property to Mr. Carl Sams and Mr. William Morgan. Attorney Carr will make some minor corrections in the purchase agreement.

a. Six acres to Mr. John Johnston for $4,800.00.

b. 15.83 acres to Mr. John J. Butterworth for $14,250.00.

Approved by a vote of 8 to 0 on motion by Trustee Lick, seconded by Trustee Bruff.

2. President's Report

President Mackey reported that Provost Winder is reviewing a proposal recently received on the Day Care Center. He stated that the Administration has been following what we believe is the intent of the Trustees, in establishing self-supporting status for as many units as possible. He said, "we look for an organization capable of taking over the management of the day care facility with the ability to generate revenues sufficient to cover the operating expenditures. We are prepared to lease the present facility."

President Mackey said that it was important to recall that the facility has some limitations and there is no way that the University could, in his judgment, become committed to make major renovations that will be necessary for the facility to continue in the distant future. He further stated that with these limitations, the Center can continue to function if an appropriate organization assumes the responsibility and develops a financial plan for its operation.

President Mackey commented that the Administration will be working with representatives of the organization that presented the proposal to determine if it is feasible to continue the Center's operation.
