On motion by Mr. Harlan, seconded by Mr. Merriman, it was voted to approve Item 1.

2. Communication from Mr. May:

Since the last Board meeting, the following federal grants for building projects have been announced from Washington:

- Cyclotron Addition, National Science Foundation
- Hearing Clinic, Health, Education, and Welfare
- Pesticide Research Center, Health, Education, and Welfare

All of the above projects have been discussed with the Trustees, but University matching funds have not been committed. In addition to the projects which have received formal approval, there are two projects which require some additional funding and three others for which the University should commit funds at this time.

For nearly ten years the Trustees have used the income from reimbursement of indirect expenses on research contracts and grants for research equipment and buildings to increase the research potential of the faculty. I would like to recommend that the Trustees now allocate indirect expense funds for the following projects:

1) Veterinary Science
2) Plant Biology Laboratory No. 2
   Federal Grant
   1965-66 Indirect Expense
   1965-66 to complete
   $2,600,000
3) Cyclotron
   National Science Foundation
   Indirect Expenses
   from 1965-66 $197,035.10
   from 1966-67 $202,964.90
   $400,000.00
4) Speech and Hearing Clinic
   Public Health Service
   Indirect Expenses 1966-67
   $724,000*
*Does not provide for utilities or roads.

5) Pesticide Research Center
   A. Headhouse and Greenhouses
      USDA Funds $95,368
      USDA Regional Funds 210,000
      Experiment Station Funds 270,645
      $576,013
   B. Laboratory
      HEW $1,423,987
      Indirect Exp. 1966-67 682,987
      $1,423,987

6) Life Science
   Public Health Service
   State 4,000,000
   Kellogg 625,000
   Michigan State University 1,587,293
   $11,808,000

2. Communication from Mr. May re: federal grants for building projects, continued:

Indirect expense funds for following:

7) Botany Addition
Grant $1,275,000
Indirect Expense funds $1,275,000

8) Animal Care Center
Grant $1,000,000
Indirect Expense funds $1,000,000

If the Trustees approve the recommended funding for the above projects, income from indirect expense reimbursement will be committed well into the 1968-69 fiscal year. The allocations for 1965-66 through 1968-69 are summarized below:

For 1965-66:
- Music Building Addition $600,000.00*
- Plant Biology Laboratories 1,200,000.00*
- Veterinary Clinic 125,000.00
- Plant Science Addition 54,450.00
- Cyclotron 197,035.10

$2,176,485.10

*Previously authorized

For 1966-67:
- Cyclotron $202,964.90
- Speech-Hearing Clinic 400,000.00
- Pesticide Research Center 682,987.00
- Life Science 1,000,000.00

$2,285,951.90

For 1967-68:
- Life Science $587,293.00
- **Botany Addition 1,275,000.00
- Animal Care Center 437,707.00

$2,300,000.00

For 1968-69:
- Animal Care Center $1,562,293.00

It should be recognized that there may be some adjustments on the above projects, but the recommended allocations cover projects which are either under contract or are likely to be within a year.

**See motion after item 3.

3. Communication from Mr. May:

In 1960 the Trustees increased non-resident fees and established a policy of allocating $1,000,000 per year of non-resident fees for building purposes. With the decision to proceed with the Kedzie Hall Addition and Baker Hall, the Board increased the allocation $400,000. The current fund budget provides for an allocation of $1,400,000 for buildings, and it is expected that future budgets will include a like amount.

Confirming our conversation, I would like to recommend that the Trustees commit allocation of non-resident fees for projects previously authorized as listed below:

1) Baker Hall
   Out-of-State Fees 1966-67 $250,000
   Out-of-State Fees 1967-68 416,667
   Reserve Fund for Matching Federal Grants 600,000
   Federal Grant, Title I 631,333

Total: $1,900,000

2) Kedzie Addition
   Out-of-State Fees 1967-68 983,333
   Out-of-State Fees 1968-69 1,391,667

Total: 2,375,000

3) Administration Building 1969-70
   300,000

Assuming the Board approves the recommended allocations, fees allocated for buildings will be committed as follows:

1966-67:
- Giltnner Hall to complete—previously authorized $750,000
- Federal Poultry Laboratory—Baker Hall 400,000

Total: $1,400,000

1967-68:
- Baker Hall 416,667
- Kedzie Addition 983,333

Total: $1,400,000

1968-69:
- Kedzie Addition $1,391,667

1969-70:
- Administration Building $300,000

3. Communication from Mr. May, continued:

For the new Trustees, I should add that the Kedzie Hall Addition and the Baker Hall project were discussed informally with members of the legislature by Mr. Huff, Mr. Breslin and myself.

On motion by Mr. Merriman, seconded by Dr. Smith, it was voted to approve items 2 and 3, with the authorization to include up to 7,000 square feet additional floor space in the **Botany Building to be used for a herbarium.

4. Mr. May requests authorization to sell the following stock which has been received as gifts:

a. 1 share of Missouri Pacific Railroad Company
b. 65 shares of Eaton & Howard Stock Fund
c. 2 shares of The One William Street Fund, Inc.
d. 20 shares of Pontiac State Bank common stock

5. Our radio and television towers have to be painted every 5 or 6 years to meet federal requirements. It is now time to paint the WKAR tower on Forest Road. The low quotation received for this work is $950. A supplemental appropriation is required to cover this work.

6. Communication from Mr. May:

Last year the Board authorized the use of $2,000 of overseas overhead for special entertainment required by overseas project directors. Dean Tuggart has advised that this allocation is now exhausted. Since the plan is working well, I would recommend that the Trustees authorize a new allocation of $2,000 for this purpose.

7. The Spartan statue has deteriorated to the point where it needs to be repaired and restored. The Grunwell-Cashero Company is skilled in this work, and Director Lautner and Professor Brauner, Chairman of the Art Department, recommend that they be employed at a total cost of $985 to repair and seal all cracks, repair and seal the base of the statue, etcetera, for $985. It is recommended that the Board authorize an appropriation for this work.

On motion by Mr. Hartman, seconded by Mr. Thompson, it was voted to approve items 4, 5, 6 & 7.

8. On January 6, Claud Erickson submitted a statement for his professional engineering services as authorized by the Trustees in December 1962 for Power Plant 65, as follows:

| Retainer for 3 years @ $6,000 per year for the calendar years 1963, 1964, and 1965 | $18,000 |
| Fee at the rate of 7% on the cost of plant ($9,500,000) | 47,300 |
| Total | $65,300 |

In subsequent conversations, Mr. Erickson indicated that he intended to give $20,000 of the total amount to the MSU Development Fund to be used for the purchase of library books for the new law library and indicated that if it was preferable from the University's point of view, the amount of his bill could be reduced by $20,000.

It is recommended that the Board authorize an authorization in the amount of $45,500 and authorize this payment to Mr. Erickson.

On motion by Dr. Smith, seconded by Mr. Merriman, it was voted to approve the above recommendation. Mr. Harlan did not vote on this item.

9. It is recommended that the Board authorize the purchase of the lot at 3334 Forest Road that is listed on our land acquisition chart as Parcel 3 and 4. There are two small houses on this lot. The lot is 123 feet by 264 feet. The agreed-upon purchase price is $17,500. The present owners are Mr. and Mrs. Paul K. Harmon.

On motion by Mr. Hartman, seconded by Dr. Smith, it was voted to approve the above item.

10. Communication from Mr. May:

A term loan agreement is necessary to formalize the financing of the parking ramp which is now under construction. This is the same type of loan agreement previously used for the internal financing of the Plant Biology Laboratories (AEC Building) and bus equipment. I would hope that the Trustees will approve this agreement in order that our records may be in good shape for the auditors.

TERM LOAN AGREEMENT FOR PARKING RAMP NO. 2

A-1. PARTIES. By and between the Board of Trustees of Michigan State University as the Lender, and the Board of Trustees of Michigan State University as the Borrower.

A-2. FACTS. The facts upon which this agreement is based are as follows:

The Board of Trustees in the exercise of its constitutional duties has determined that it is expedient to construct Parking Ramp No. 2 with a designed capacity of 576 cars and has previously authorized the building of this parking ramp at a cost of $1,275,000. The Board of Trustees has previously pledged the income from faculty and staff parking permits and parking revenues from the operation of lots.

10. Term Loan Agreement for Parking Ramp No. 2, continued:

A-3. STATEMENT OF THE BOARD. The Board has determined that it is necessary and expedient to build this Parking Ramp No. 2 in the area of the Administration Building-Bessey Hall-Kedzie area.

A-4. PURPOSE OF LOAN. The Board by proper resolution has determined to borrow by means of internal financing the sum of $1,275,000 for the purpose of providing funds to pay all costs of the construction of Parking Ramp No. 2.

A-5. BOARD WILLING TO LOAN. The Board is willing to make the said loan for the said purposes upon the terms and conditions more fully set forth herein.

A-6. MUTUAL COVENANTS. The parties above named hereby agree as follows:

DEFINITIONS

In construing this instrument, unless the context clearly establishes otherwise, the terms and words hereinafter defined shall be given the meanings hereinafter set forth:

A-7. UNIVERSITY. The term "University" shall have reference to Michigan State University, located at East Lansing, Michigan.

A-8. YEAR OR FISCAL YEAR. The term "year" or "fiscal year" shall have reference to the fiscal year of the University, beginning on July 1 and ending on June 30.

A-9. REVENUE. The term "Revenue" means the net income received from faculty, staff, and student parking permits and parking revenues from the operation of lots and other available funds which Trustees may from time to time assign to this bond issue.

A-10. LOAN. The term "loan" shall have reference to the loan in the amount of $1,275,000 made by the Board under the terms and conditions herein set forth; and

A-11. NOTE. The term "Note" shall have reference to the Note given to the Board of Trustees of Michigan State University, which Note shall be substantially in the form attached hereto and marked "Exhibit 'A'."

SECTION I

COMMITMENT OF BOARD

I-1. The Board agrees to make available in the form of a loan $1,275,000 for the purposes stated herein, and upon the terms and conditions more specifically set forth in this Agreement and in the note.

The Loan shall bear interest at the rate of 0 percent per annum. Interest shall be payable semi-annually on dates in each year until the Note shall be paid in full.

SECTION II

AFFIRMATIVE COVENANTS OF THE BOARD

II-1. USE OF BORROWED FUNDS. The proceeds of the Loan shall be used for the sole purpose of paying the cost of construction of Parking Ramp No. 2 to be completed in August 1967.

II-2. REVENUE. The Board covenants and agrees that the University will use its best efforts to assure that funds will be available at all times from income from faculty, staff, and student parking permits and parking revenues from the operation of lots and any other funds available in sufficient amounts to meet the payments on the Note as herein called for.

II-3. PAYMENTS ON THE NOTE. The Board covenants and agrees that it will pay on the Note from Revenue as herein defined not less than $200,000 in each fiscal year.

II-4. BOARD TO HAVE LIEN. The Board shall have a lien on the Revenue designated in II-2 hereof, and in the same amount necessary to meet all principal payments on the Note as the same shall become due.

SECTION III

EXECUTION OF AGREEMENT

III-1. This Term Loan Agreement may be executed simultaneously in several counter-parts, each of which shall be deemed to be an original, and such counterparts, together, shall and will constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed by their duly authorized officers and their corporate seals to be hereunto fixed, all as of day of A.D. 1967.

Date __________

On or before __________ (date), for Value Received, the Board of Trustees of Michigan State University, the Borrower, promises to pay to the order of the Board of Trustees of Michigan State University, the Lender, the sum of __________ dollars ($____) with interest thereon from the date hereof until paid at the rate of 0 percent per annum.

The principal indebtedness and the interest which shall accrue and become due and payable thereon shall be paid in accordance with the terms and conditions set forth in a certain Term Loan Agreement between the Borrower and the Lender dated as of __________.

No obligation hereunder shall ever be or become a charge against the State of Michigan nor shall the sum of a lien on, or secured by, any property, real, personal, or mixed, of the State, Board of Trustees of Michigan State University or Michigan State University, other than the revenue specifically designated in the Term Loan Agreement above referred to; and this Note, evidencing the borrowing under said Term Loan Agreement, is payable only out of such revenue provided for in said Term Loan Agreement, and from other funds which the Borrower may use for such purposes, and is subject to the terms and conditions set forth in said Term Loan Agreement.

THE BOARD OF TRUSTEES of Michigan State University

RESOLUTION OF THE BOARD OF TRUSTEES OF MICHIGAN STATE UNIVERSITY TO BORROW FUNDS TO COVER COSTS OF PARKING RAMP NO. 2

1. The Board of Trustees of Michigan State University has determined that it is necessary and expedient to construct Parking Ramp No. 2, at a cost of $1,275,000.

2. To provide the funds necessary to construct Parking Ramp No. 2, the Board deems it necessary and expedient to borrow the sum of $1,275,000, and that these funds be borrowed from the Revolving Funds of the University.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Michigan State University that a term loan agreement substantially in the form presented to the Board be entered into pursuant to the terms of which $1,275,000 may be borrowed to provide the required funds.

On motion by Mr. White, seconded by Mr. Thompson, it was voted to approve the above term loan agreement.

11. Cevdet Sunay, President of the Republic of Turkey, will visit Michigan State University on April 11. It is recommended that the Board authorize the awarding of an honorary degree Doctor of Laws on this occasion.

On motion by Mr. Harlan, seconded by Mr. Merriman, it was voted to approve the above recommendation.

12. A report of the visit by representatives of the Food and Drug Administration seeking a possible site for a research facility was presented to the Trustees.

It is recommended that a contract be awarded to the Remington Office Systems in the amount of the base bid of $105,817.10, plus $235.65 for Alternate 3, plus $5,000 for Alternate 2, for a total of $111,052.75.

It is understood that some of the newspaper storage called for under Alternate 2 will be eliminated and thereby reduce the bid of $8,263 for the alternate to $5,000.

On motion by Mr. Thompson, seconded by Mr. Hartman, it was voted to approve Item 25, including alternative 3 and a portion of alternate 2.

26. Six years ago the University of Michigan, Michigan State University, and Wayne State University established a cooperative program designed to coordinate activities for preparing administrators and faculty for community colleges.

The Kellogg Foundation provided a major share of the funding of the costs of this program for the past six years.

The members of the Council representing each of the member institutions now unanimously recommend the continuation of the Council and the approval by the governing boards of the three institutions of the articles of agreement to provide for this continuation. It is recommended that our Board of Trustees approve the following resolution:

WHEREAS, the three universities—the University of Michigan, Michigan State University, and Wayne State University—have cooperated during the past six years in a coordinated program in the development of community junior colleges, and

WHEREAS, this cooperative effort has been highly successful and it is deemed desirable that it be continued,

Therefore BE IT RESOLVED, that the President of this University be authorized to enter into the agreement implementing the inter-institutional Council on a continuing basis.

On motion by Mr. Merriman, seconded by Mr. Hartman, it was voted to approve the continuance of the above resolution on an indefinite basis.

27. The recommendations of the Faculty Tenure Committee for procedures for dismissal of tenured faculty was distributed to the Trustees at the February meeting and then referred to the University Attorney for such corrections in language as seemed to be necessary. Mr. Carr's recommendations were received on February 22 and later reviewed by the Faculty Committee on Tenure and approved by them. They are now recommended to the Trustees for approval as follows:

PROCEDURES FOR DISMISSAL OF TENURED FACULTY

Tenured faculty may be dismissed: (1) for gross violation of professional ethics (described in Appendix I), or (2) incompetence. The procedures described below shall be followed before the President submits a dismissal recommendation to the Board of Trustees for final action.

I. Preliminary Conference

When reason arises to consider dismissal of a tenured faculty member, the appropriate administrative officer, or officers, shall arrange a personal conference with the faculty member. The faculty member may be accompanied by an adviser of his own choice at any such conference or conferences. The difficulty may be terminated by mutual consent at this point. If the faculty member is asked to resign and he declines, formal action may be initiated under the procedures herein stated. No formal charges shall be made until after the faculty member has been informed that such charges are to be made and he has been given an opportunity to meet with the administrative officer who plans to make the charges.

II. Initiation of Formal Proceedings

A. The Provost or the administrative head of a unit of the University in which the affected faculty member is employed may initiate the proceedings for a hearing. Such hearing may result in a recommendation for retention or dismissal.

B. The Provost shall notify the President before formal proceedings are initiated. Suspension of the faculty member during the proceedings will be at the discretion of the President and will be without loss of compensation.

27. Dismissal of Tenured Faculty, continued:

II. Initiation of Formal Proceedings, continued

C. Proceedings shall be deemed initiated when the Provost, or the administrative head of the unit employing the affected faculty member, files in the Office of the Provost a written statement of explicit charges against the faculty member. The statement shall contain: (1) the nature of the charges, (2) the names of witnesses, insofar as known, who will testify in support of specific allegations, and (3) the nature of the testimony likely to be presented by each of these witnesses.

D. The Provost shall refer the case and all relevant data in writing to the Tenure Committee. The Hearing Committee shall consist of those members of the Tenure Committee who are active on that committee at the time the formal proceedings are initiated. The chairman of the Tenure Committee, who shall also function as chairman of the Hearing Committee, shall promptly give written notice by registered mail to the affected faculty member stating the explicit charges against him. The written notice to the faculty member shall contain: (1) the nature of the evidence for the charges (2) the names of witnesses, insofar as known who will testify in support of specific allegations, and (3) the nature of the testimony likely to be presented by each of these witnesses.

III. The Hearing

A. The chairman of the Hearing Committee shall arrange for a hearing within a reasonable time after the affected faculty member receives notification of the charges against him, with due consideration given to the reasonable length of time the faculty member needs to prepare his defense.

B. The chairman of the Hearing Committee shall be in full charge of the hearing, which shall be conducted within the procedures stipulated in Appendix II. Only those members of the Hearing Committee who have been present at all sessions in which evidence has been presented and arguments heard shall have the right to vote on the final recommendations.

C. The Provost, or his representative, and the administrative head of the unit in which the affected faculty member is employed shall be invited to be present at all meetings of the Hearing Committee in which evidence is presented or arguments heard and (1) may present evidence, (2) may call, examine, and cross-examine witnesses, (3) may examine all documentary evidence received by the Committee, and (4) shall make recommendations which shall become a part of the record. The burden of proof shall rest with the official who made the charges.

D. The affected faculty member and his adviser, if he chooses one, may be present at all sessions of the Hearing Committee when evidence is given or arguments heard, and may (1) present evidence, (2) call, examine, and cross-examine witnesses, and (3) examine all documentary evidence received by the Committee.

E. The chairman of the Hearing Committee may request the presence of any witness or the delivery of any university document germane to the hearing.

F. A stenographic record, or tape recording, shall be made of the hearing, which shall be a closed meeting.

IV. Processing the Record and Rendering Judgment

A. Within a reasonable time following the adjournment of the hearing, the Hearing Committee shall prepare a written report which shall contain its findings of fact and recommendations. Any member of the Hearing Committee, or any group of members, may file a minority report which shall become a part of the Hearing Committee Report. The chairman of the Hearing Committee shall file in the office of the Provost (1) the Hearing Committee Report, (2) a complete record of the case, including the recommendations of the Provost and the administrative head of the unit, and (3) a transcript and/or tape recording of the hearing conducted by the Committee.

B. The Hearing Committee shall send its report to the President, the Provost, and the affected faculty member. The Hearing Committee shall notify the affected faculty member and the head of his administrative unit that the complete record is available for their review in the Provost's Office.

C. If two-thirds of the voting members of the Hearing Committee recommend that the faculty member should be retained, the matter is terminated with the filing of the Hearing Committee report. In any other event, the following procedures apply in this sequence:

(1) The affected faculty member and the administrative head of the unit may, within ten days after receiving the notification stipulated in section IV, paragraph B, review the record and file written comments with the chairman of the Hearing Committee and the President. The President will review the case and report his opinion to the chairman of the Hearing Committee and the affected faculty member within a reasonable time.

(2) The affected faculty member or the Hearing Committee may, within ten days after receiving the President's opinion, submit to the President written comments with respect to that opinion.

27. Dismissal of tenured Faculty, continued

IV. Processing the Record and Rendering Judgment, continued

C. Continued:

(3) If the President and the Hearing Committee concur in retaining the faculty
member, the matter shall terminate at this point.

(4) If either the President or the Hearing Committee recommends dismissal, the
Report of the Hearing Committee, the recommendations of the President, and any comments
by the affected faculty member shall be submitted by the President to the Board of
Trustees for action. The complete record of the case will be available to the Trustees.

V. Publicity

For the protection of all concerned, public statements about the case shall be
avoided as far as possible. Any announcement of the final decision shall include a
statement of the Hearing Committee's recommendation.

APPENDIX I

Among the functions of a university is the establishment of a proper intellectual
relationship among the faculty, between the faculty and the students, and between the
faculty and the greater academic community. Professional ethics demand that this
relationship of mind to mind not be impaired by actions of the members of the faculty.
Violations of professional ethics include plagiarism, refusal to perform reasonable
assigned duties, improper advances—heterosexual or homosexual—to a student, and other
such actions which impair the intellectual atmosphere for which the university strives.
But the advocacy of unpopular causes, public discussion of controversial issues, or
other such intellectual endeavors shall not be considered as a violation of professional
ethics.

APPENDIX II

Procedure for Hearing

1. The chairman of the Hearing Committee shall be in full charge of the hearing.

2. Reading by the Hearing Committee Secretary of the specification of charges
   against the faculty member.

3. Chairman's request for the faculty member's plea.

4. Presentation, by the Provost or his representative and the administrative head
   of the unit, of testimony to support the charges.
   The affected faculty member and his representative have the right to cross-examine
   all witnesses.
   Questions from the Hearing Committee should be withheld until both the above
   processes are completed.

5. Presentation, by the affected faculty member or his representative, of testimony
   to refute the charges.
   The Provost or his representative and the administrative head of the unit have the
   right to cross-examine all witnesses.
   Questions from the Hearing Committee should be withheld until both the above
   processes are completed.

6. Summation of the case by the Provost or his representative and the administrative
   head of the unit.

7. Summation of the case by the affected faculty member or his representative.

8. Dismissal of all persons directly participating on either side of the case.
   Those remaining would be members of the Hearing Committee who have not been a part of
   the presentations for or against the affected faculty member.

9. Deliberation of the Hearing Committee to determine its recommendations.

On motion by Dr. Smith, seconded by Mr. Thompson, it was voted to approve item 27.

28. The annual report of the East Lansing Fire Department for 1966 has been received. It
shows a total of 205 alarms originating at Michigan State University as compared to 249
in 1965. It shows 52 actual fires as compared to 60 in 1965, and the actual loss by fire
on the University campus in the amount of $12,373.37 as compared to $13,444.46 in 1965.

Policy Academic Freedom for Students approved

29. The report of the Faculty Committee on Student Affairs entitled "Academic Freedom for Students at Michigan State University" has been previously distributed to the Board of Trustees. This document was approved by the Academic Senate on February 28 with only one dissenting vote. It is recommended that the Trustees approve this document with altered language on pages 30 and 36 as shown in the following letter from Attorney Carr:

We have reviewed with Vice President Fusak and Dr. Nonnamaker certain changes in the Report of the Faculty Committee on Student Affairs regarding academic freedom for students at Michigan State University. Specifically, we have altered language on pages 30 and 36 respectively in the final Report in the matter of suspensions as a decision of the All-University Student Judiciary and the Student-Faculty Judiciary.

Paragraph 4.3.3.4 b (4) should read as follows:

Suspension: The student shall, subject to approval of the Vice President for Student Affairs, be suspended from the University for a definite or indefinite period of time.

Likewise, 4.3.4.4 b (4) should read as follows:

Suspension: The Judiciary may, subject to approval of the Vice President for Student Affairs, suspend a student for a definite or indefinite period of time.

It is recommended that the Trustees approve this document with Mr. Carr's recommended changes.

On motion by Dr. Smith, seconded by Mr. Thompson, it was voted to approve item 29.

The total of all gifts contributed during 1966 was $905,803.70. Of this total the
Board of Trustees has previously accepted $625,617.29. This earlier acceptance of
certain gifts was necessitated by the fact that gifts were contributions of securities
or required special handling at the time the gift was made.

   c. William T. Gossett, President-elect of the American Bar Association, community leader, and strong supporter of Oakland University.
4. Communication from Mr. Varner:

   A year ago it became apparent that our constitution for university governance was obsolete in view of our newly approved university organization. We appointed a special committee of ten, and charged it with the mission of preparing a new constitution. The committee members included five chosen by the Senate and four to be appointed by the Chancellor, with the Chancellor to serve as chairman. The Chancellor's appointees were Provost Donald O'Dowd, the Dean of the School of Engineering, the Dean of the School of Education, and the Dean of the College of Arts and Sciences. Those members appointed by the Senate were Professor Richard Brace, Chairman of the Department of History; Professor James Haden, Chairman of the Department of Philosophy; Professor Edward Heubel, Chairman of the Department of Political Science; Professor G. Philip Johnson, Chairman of the Department of Mathematics; and Professor Reuben Torch, Assistant Dean of the College of Arts and Sciences and a member of the Department of Biology.

   This committee has worked diligently for the past six months, and has at last produced a document which has been ratified by a group which included the members of the current Senate, augmented by all tenured faculty members and all department chairmen not already members of the Senate. The vote of the ratifying body was preceded by two open and public hearings.

     The salient features of the document are these:
     1) It provides for a relatively small (47) body to serve as the University Senate and charges this body with the major policy-making function of the University.
March 16, 1967

4. Communication from Mr. Varner, continued:

2) Much of the routine academic procedural business will now be conducted by the organized faculties of the School of Engineering, the School of Education, and the College of Arts and Sciences. Their action is subject to the concurrence of the Senate.

3) A recall and referendum procedure has been established—this to satisfy those who feel strongly that there should be an opportunity for involvement by all the members of the faculty in the ultimate governance of the University. It is anticipated that this is a feature that will rarely, if ever, be used.

4) Among the 47 seats in the body, three have been awarded to students. This represents a clear departure from past patterns here and one which has been quite controversial within the faculty. I have consistently supported this position on the grounds that most junior and senior students have achieved a workable level of maturity and judgment and because they have a clear stake in the affairs of the University. Furthermore, I believe it much more desirable to involve them at this level of policy-making rather than holding them out and then engaging in a never-ending process of explanation and confrontation. I, of course, do not believe that this move in itself will solve all these problems, but it at least gives clear indication that we take seriously the concerns of the students and are willing to deal with them on a serious level.

There are many other words in the document, but these are the points at which it varies from our current constitution. I submit it to you and, through you, to the Board of Trustees with the hope that it will be approved at an early date so that we may proceed with its implementation.
