At President McPherson's request, Chairperson Mawby commented on the death of Betty Golden, Assistant Vice President of Governmental Affairs for Federal Relations: "All of us are deeply distressed with the death of Betty Mitchell Golden whom all of us have come to love and admire. Love because of her personal qualities, the human qualities for which we have such admiration and appreciation, and for her professional expertise. She did a superb job in every situation in representing this University. We are tremendously proud and grateful for her service to the University and her death is a great loss to us personally as well as to the University. The Board of Trustees would like to adopt a resolution in a memorial tribute to Betty to be conveyed to her family." 5. The President's report included the following:

   A. The MSU Debate Team was recognized for winning the 1995 National Championship in Collegiate Debate. When presenting the resolution to Coach Roper and Assistant Coach Devereaux, Dr. Mawby commented that the University is always proud of its students, their performance, and the faculty who are involved with them, and he is particularly proud this year of the debate team.
Resolution to MSU Debate Team

It is hereby resolved that the Michigan State University Board of Trustees, by action taken on April 14, 1995, extends its congratulations to Michigan State University Debate Team members Biza Repko and Jason Trice on winning the 1995 National Championship in Collegiate Debate. The Board also wishes to congratulate team coach James Roper and assistant coaches Sean Lemoine and Dave Devereaux for their efforts in promoting this premier academic competition.

It is also hereby resolved that the Board of Trustees extends its congratulations to the freshmen members of the debate squad, Ian Klinkhammer, Erik Cornellier, and John Sullivan upon winning the national junior varsity debate championship for 1995, and freshmen Bill Rand and Vikas Shah for their roles in making this the most successful season in MSU debate team history.

The MSU Debate Squad has won seven of the 14 tournaments it has entered this year, which is one of the best records in the nation. In addition to winning these tournaments, MSU teams, especially freshmen teams, have placed well in tournaments. In each case they have represented the University in a manner that reflects well on our students, our campus and our community.

The Michigan State University Board of Trustees is proud to recognize these individuals for their academic achievements at the National Tournament in San Diego, the National Junior Varsity Championship in Kansas City and at the Heart of America Tournament at the University of Kansas. No team has ever won both the Heart of America and the national championship tournaments in the same year. Each of us applaud you for your dedication, academic excellence, and perseverance. We are proud of each and every one of you for your accomplishments.

Coach Roper thanked the Board for the honor of receiving the resolution. He expressed appreciation to the President and Provost for their support, Dean John Eadie, family members, and many University people who helped to make this possible: secretaries, administrators, and faculty.

He also thanked the media for the good coverage. President McPherson commended the Debate team for this major accomplishment.

A. M. Kate Murphy, Chris Carmichael, and Matt Bokach, Gay and Lesbian Faculty and Staff Association members, spoke in support of benefits for domestic partners of University employees. Dr. Murphy asked Trustees to support the University Committee on Faculty Affairs' recommendation "that lesbian and gay couples in committed relationships deserve to be treated in the same way as traditionally married couples and families."

A. At the December 9, 1994 meeting, the Board of Trustees adopted a revised and updated set of Ordinances which replaced the 1992 version. As part of that action, the Board requested that further opportunity be provided for students and faculty to study and comment on the revisions with any subsequent action to be recommended at the April Board meeting. The reviews have taken place and the Ordinances are being presented for approval with the understanding that some remain in development or require additional attention, i.e., selling and advertising, removal of University property.
April 14, 1995

Trustee Cook recommended that the Michigan State University Ordinances be amended to include an amendment to Ordinance 38, Roller Skates and Similar Devices, to be identified as a civil infraction rather than a misdemeanor.

Prior to the vote to adopt the Ordinances, Trustee Weiss amended the recommendation to reinstate 29.02, MSU Smoke-Free Policy, with the recommended penalty being a civil infraction instead of a misdemeanor.
