The Secretary presented the following letter from Mr. Thomas Gunson, the mayor of East Lansing:

"East Lansing, Michigan, March 16, 1914.

To The Honorable
The State Board of Agriculture;

Gentlemen:

The time limit granted by the State Board of Agriculture to the City of East Lansing whereby the affluent from the septic tank in Charles Street was allowed to run through the sewer in the college grounds will expire in June. By resolution of the Common Council of said City, I am directed to express to you its high appreciation of the privilege thus granted and would like to ask an extension of the license upon such terms and conditions as you may direct.

Thomas Gunson,
Mayor.*

On motion of Mr. Wallace, the request contained in the above communication was granted for a period of five years; provided, however, that it may be revoked at any time on giving three months notice to the Common Council of the City.

On motion of Mr. Beaumont, the special certificate provided for in Act 165 of the Public Acts of 1909 is to be given to Mr. Emil L. Runze on receipt of a certificate from the Registrar that his work has been completed.

On motion of Mr. Beaumont, the Secretary was directed to ask the Attorney General for permission to employ Judge Carpenter as counsel for the State Board of Agriculture.

On motion of Mr. Waterbury, a suitable person is to be detailed from the faculty of the College to investigate a new sheep disease, of which serious complaint has been made.

On motion of Mr. Beaumont, the following resolutions were adopted:

Whereas, College Hall is not only the oldest building on the campus, but is also the oldest agricultural college building in the world; and

Whereas, This building, and particularly its old chapel, is affectionately associated in the hearts of the alumni and former students with their college life;
Whereas, it is deemed eminently proper to preserve this fine old building as a memorial of the early days of this institution and of the men who here shaped the beginnings of agricultural education; Therefore, Be it

RESOLVED, That this building be forthwith restored in such a way as to preserve its present exterior and the old college chapel; and that, to this end, the matter be submitted to the college architect for the preparation of plans and specifications, after which bids shall be taken for carrying the work to an early completion at the hands of a reliable contractor.

RESOLVED, That these resolutions be published in the M. A. C. Record and in the Holcad.

On motion of Mr. Wallace, the expense accounts of the Board members were approved.

On motion adjourned.

Secretary.
