/s/ J. A. Hannah
Secretary

/s/ C. O. Wilkins
Comptroller

On motion of Mr. Brody, seconded by Mrs. Wilson, it was voted to approve the above recommendations of the Committee with the correction indicated in Item 5.

BUILDING COMMITTEE ITEMS

Fence to be built enclosing basketball & football fence.

1. In item 2 under Finance Committee Items of the Board meeting of April 18th, allocation of certain funds as per request of Mr. Wilkins was made by the Board. This included the request for shifts in the budget of the Athletic Department as approved by the Athletic Council and included a provision of $2,000 for a fence extending from the bridge in a westerly direction enclosing the basketball and football practice field. The river is the boundary on three sides. The Building Committee in March took no action on a request for this item. It is now recommended that this fence be authorized.

On motion of Mr. Brody, seconded by Mr. Downing, it was voted to approve the above item.

Request for wooden floor in wrestling rooms to be delayed until fall.

2. Request from Athletic Department for installation of wooden floor in wrestling rooms and removal of steam radiators and re-location at a height that will prevent injury to wrestlers.

It is recommended that this alteration be delayed until fall.

Action deferred.

FERA Project 55-B3-154 approved.

3. At the April meeting of the Board, the Board authorized the filing with the FERA of certain projects listed as Class A projects. The FERA required that these be filed as four separate items. (Items 3, 4, 5, 6) On May 10, the FERA approved the item known as 55-B3-154 covering:

(a) the horse breeding barn
(b) the nursery feeding platform
(c) the dairy research addition
(d) the oil and paint storage
(e) the re-roofing of the Halladay and two farm houses on Farm Lane.

The total of these items calls for an expenditure of $8,798.75 of college funds and the FERA has agreed to furnish labor and equipment totalling $21,444.55. It is recommended that immediate progress on these projects be authorized, and that $8,798.75 be made available from the FERA revolving fund covering the cost of material for the dairy research barn and $4,798.75 of college funds be made available. These funds will be expended over a period of several months.

FERA project grading, filling of athletic field- Const. 4 ft. walks, etc.

4. The FERA project covering the grading and filling of the athletic and drill fields, the construction of 1,700 feet of four-foot walks on the campus and the filling in the three grade crossings on Farm Lane calls for $5,030 of college funds and $25,895 of FERA funds. Of the $5,030 of college funds, $850 are for a foreman who will be an employee of the Buildings and Grounds Department and $4,180 for truck hire in transporting dirt. If college teams can be used for part of it, this amount can be reduced and will not entail an actual expenditure of funds. This project requires considerable labor and the FERA is now ready to furnish the labor. It is suggested that immediate progress on this project be authorized.

The FERA project covering the irrigation lines for Forestry and Botany call for an expenditure of $774 of college money and $5,688 of FERA money. The irrigation lines should be repaired and installed before the advent of hot, dry weather and it is suggested that immediate progress on this project be authorized.

The FERA project covering the repair of the dam in Red Cedar calls for an expenditure of $2,717.50 of college money and $4,080 by FERA. It is suggested that funds be made available for this project to be undertaken in July or August.

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve Building Committee items 3, 4, 5, and 6 insofar as funds were available.

Great need for addition to Chem. Eng. Laboratory.

7. Dean Dirks requests the consideration of the Committee of the great need for an addition to the Chemical Engineering Laboratory. More than two years ago plans for an addition to this building were completed and bids were about to be received.

Recommended that the Secretary and Mr. Bevenour be authorized to review the plans already prepared and inure into costs and submit a report with additional information for the June meeting of the Committee.
On motion of Mr. Daane, seconded by Mrs. Wilson, it was voted to approve the above request.

9. The Secretary reports the filing with the PWA of the formal request for the grant and loan covering the construction of a man's dormitory. The amount requested is $450,000.

No action.

10. The Secretary reports that bids on the Cavalry Barn were submitted by several bidders and the contract let to Pope & Hodge at $6,685. The transfer of State Horse Racing funds to cover this item has been authorized by the State Administrative Board, the amount transferred to the State Board of Agriculture will be $4,685. Construction is under way.

On motion of Mr. Downing, seconded by Mr. Brody, it was voted to accept the reports in Items 9 and 10.

MISCELLANEOUS

1. Recommendation of the Committee on Scholarships for the continuance of the ten competitive scholarships in Band (creating exemption from tuition fees) which were authorized for one year by the Board. The Committee recommends the same conditions set up previously, except that transfer students may in the future be approved for scholarships as well as entering students. Such students may not have transferred later than the beginning of their junior year, however, nor may the number of transfer student scholarships exceed one-third of the total number of scholarships granted.

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve the above item.

2. Recommendation for the approval of granting of such honorary degrees as have the approval of the Administrative Group and the Faculty.

On motion of Mr. Brody, seconded by Mr. Downing, it was voted to approve the granting of such honorary degrees as have the approval of the Administrative Group and the Faculty.

3. Presentation to the College by Mr. H. R. Pettit, Consulting Entomologist, of his private collection of entomological bulletins (valued at approximately $1000.00).

On motion of Mr. Downing, seconded by Mr. Brody, it was voted to approve the above item end to send a letter of thanks to Professor Pettit.

4. Presentation to the College by Mr. N. S. Mayo of a portrait of Mary Mayo, painted by Othmar Hoffler, for hanging in Mary Mayo Hall or some other suitable place. Acceptance of the gift is recommended by the Dormitory Committee.

On motion of Mr. Downing, seconded by Mr. Brody, it was voted to accept with thanks the portrait of Mary Mayo offered to the College.

5. Presentation for Board approval of the following artists, who will be scheduled on the 1935-56 Student Concert Courses, and request that the Comptroller be authorized to sign contracts in the amount named below:

- Stravinsky - Duhm (Piano - Violin) $800.00
- Feurmann (Cellist) $400.00
- Klein Dux (Soprano) $600.00
- Kolish String Quartette $625.00

(Total similar expenditure for 1934-55 - $2600)

On motion of Mr. Brody, seconded by Mr. Halsted, it was voted to approve the schedule for 1935-56 Concert Courses.

6. Request for the addition of $400.00 to the budget of the Registrar's office, to cover extra expenditures necessary because of increased enrollment.

7. Request for the allocation of $150.00 to the Convocation Fund to cover expenditures estimated at that amount in connection with the Ingham County Music Festival, held in Demonstration Hall on May 8th.

8. Request of the Comptroller that a $8000 transfer be made from the Rehabilitation Fund to the Contingency Fund to cover items 1, 6, 7, and 8 approved by the Builders and Grounds Committee at the April 18th meeting and total line $2521.80.

9. Request of the Comptroller for the addition of $1000.00 to the Accounting Office budget to cover expenditures for the remainder of the fiscal year.

10. Request of the Comptroller for authorization to surrender certificates of deposit issued for guaranty Trust Company bonds of Loan No. 600-A-B (in default) for reorganization bonds, as requested by the Detroit Trust Company.

On motion of Mr. Deane, seconded by Mrs. Wilson, it was voted to approve the above request.
May 16, 1935

MISCELLANEOUS, continued

$500 added to Alumni Office budget for June 1st salaries.

11. Request of the Alumni Office for an additional $500.00 to be used for payment of June 1st salaries.

12. Request of the Alumni Office that the College give a patriarchy dinner this year to those graduates eligible (120) on Alumni Day.

Payment of $10.35 to Floyd Faustman, Buildings and Grounds employee, for 23 hours of time lost because of sickness caused by welding gas.

13. Request of Mr. Berkey, seconded by Mr. Daane, it was voted to approve the above item.

14. The President presented a request from a Lansing group asking the College to pay hospital and doctor bills for a freshman student, Milton Kaplan, from Brooklyn, New York who died in the Sparrow Hospital on May 14th.

15. The Chairman of the Board read a communication from Oscar W. Baker relative to alleged discrimination against colored students at Michigan State College. Petitions on the same subject were received by the Board.

Communication read from Oscar W. Baker: Alleged discrimination against colored students. Recommendation that diplomas be granted to those candidates for graduation and for advanced degrees who shall have completed the requirements for graduation on June 10, 1935, according to the Registrar's records:
