22. Recommendation that authorization be granted for a trip to Chicago and St. Paul made by Mr. Gifford Patch May 5th to 7th in connection with Farm Bureau work. All expenses were paid by the Farm Bureau.

On motion of Mr. Berkey, seconded by Mr. Halstead, it was voted to approve the Travel requests.

PRESIDENT'S REPORTS

1. Authorization of the disbursement of $425.00 (to the J. W. Knapp Company) and of $2100.00 (to the Grand Rapids Book Case and Chair Company) for furniture and carpeting for House #7 and of an amount not to exceed $1200.00 for additional purchases of equipment.

2. Authorization of the Comptroller to set up a budget of $1000.00 (from general funds) to cover the costs of preparation of the WPA project involving a major addition to the Veterinary Clinic.

3. Approval of an allowance of full expenses to Columbus, for Dean R. C. Huston and Coach Charles Bach, so that they might attend the annual Western Conference Football Schedule Meeting at Ohio State University, May 19th to 21st.

4. Approval of maintenance expenses for Mr. F. J. Rood and Mr. E. D. Longmecker, so that they might make a study tour of soil conservation projects in Ohio, May 17 to 19. Transportation was furnished by federal sources.

5. Allowance of mileage expenses on one car to Cleveland, so that members of the Engineering staff might attend meetings of the American Foundrymen's Association May 16th to 19th. Expenses will be charged to Engineering Experiment Station funds.

On motion of Mr. Halstead, seconded by Mr. Breedy, it was voted to approve the President's Reports.

SECRETARY'S ITEMS

1. Report on approval of the request made at the April 23rd Board meeting, that $75.00 be added to the budget of the Speech Department to cover costs of supplies incidental to a new WPA study of speech activities in the high schools of the State (referred with power to act). The College is not obligated for any sponsor's contribution in excess of this amount.

2. Presentation of a petition from the Michigan State Florists Association, signed by all the officers of the state association, asking that a request be made of the next Legislature for funds to equip a suitable laboratory for institutional and experimental work in floriculture.

3. Request from Dean Remens and the Speech Department for the construction of a speech studio in the Wood Shop, including acoustical treatment to be used in connection with certain courses in Radio, at an estimated cost of $400.00. It is particularly requested that this studio be available for the summer session.

On motion of Mr. Downing, seconded by Mr. Halstead, it was voted to defer action on the above item.

4. Recommendation of the Athletic Council that six additional concrete tennis courts be built after July 1st as a WPA project, at a cost not to exceed $7000.00 (to be charged to Permanent Improvement funds). It is suggested that the Secretary be authorized to file a proper WPA project covering this and certain other needed improvements and repairs, the total sponsor's contribution not to exceed $7000.00 and to be charged to Athletic Association funds.

On motion of Mr. Berkey, seconded by Mr. Halstead, it was voted to approve the above recommendation.

5. Report on correspondence and conversations with the PWA District Office in Chicago relative to action on College projects filed several years ago, covering the construction of a hospital, auditorium, dormitory and livestock judging pavilion.

On motion of Mr. Halstead, seconded by Mr. Berkey, it was voted to authorize the Secretary and the College Attorney, Mr. Bellard, to confer with PWA officials in Chicago relative to the above-mentioned projects.
SECRETARY’S ITEMS, continued

6. Recommendation of Mr. Liverport that work be started immediately on a new deep well, so that an adequate water supply may be assured. It is recommended that this well be located at a point south of the Stadium and approximately 1000 feet east of the Show Horse Barn. Total cost of well, pump, extension lines, well house, etc., is estimated at $14,750.00 (to be charged to next year’s budget).

On motion of Mrs. Masselink, seconded by Mr. Brody, it was voted to authorize the Secretary to secure definite bids on the cost of construction of another well.

7. Question of settlement of boundary of Kellogg Bird Sanctuary. A special committee of the Board consisting of Mr. Brody, Mr. Berkey and Mrs. Hannah recommended to the Board a new boundary between the Bird Sanctuary and the Kellogg Farm increasing the size of the Bird Sanctuary and with the specific understanding that certain parts of the new land included within the Sanctuary are to continue to be used by the Farm for farm purposes. The Committee also recommended that the request of Dr. Pirnie for miscellaneous equipment be referred to the President with power. It was also recommended that the entire matter be discussed with Mr. Kellogg by President Shaw.

On motion of Mr. Brody, seconded by Mr. Berkey, it was voted to approve the above plan subject to the approval of Mr. Kellogg.

8. Recommendation that McLarenon, Calder and Hammond, architects of Detroit, be authorized to prepare preliminary plans and sketches for the College Hospital.

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve the above recommendation.

9. Recommendation of the Union Committee for the installation of additional ventilating and cooling equipment in the cafeteria kitchen in the Union Building, with the work to be done by the Howland Engineering Company of Lansing at a cost of $335.00. It is to be the understanding that the account will not be paid unless the system works satisfactorily.

On motion of Mr. Downing, seconded by Mr. Halstead, it was voted to approve the above recommendation.

10. The Retirement Committee recommends to the Board the retirement of Mrs. Mabel Rosecrans, employee in Mary Mayo Hall since 1931 and 67 years of age, effective July 1, 1938 at an annual compensation of $420.00 per year.

On motion of Mr. Brody, seconded by Mrs. Masselink, it was voted to approve the recommendation of the Retirement Committee.

11. The Retirement Committee recommends to the Board the approval of a definite policy of making no allowance for vacation salaries after the date of retirement for retired persons.

On motion of Mr. Berkey, seconded by Mr. Downing, it was voted to approve the recommendation of the Retirement Committee.

12. Certain description of farm land in Bath Township was sold by the State Board of Agriculture to J. W. Engeb and wife in 1884 and deeded in 1886. The deed was not recorded. The present owners request a Quit-Claim Deed to Leslie G. Brown and Jessie Brown. (This is recommended by Mr. Ballard, college attorney).

On motion of Mr. Berkey, seconded by Mr. Downing, it was voted to approve the foregoing recommendation.

13. The Secretary reported that preliminary arrangements have been made with Mr. and Mrs. W. A. Robinson for their house at 123 Albert Street and Mr. and Mrs. D. H. Benson for their house at 321 M. A. C. Avenue to be used for Cooperative Houses for three-year periods at an annual rental of $1000.00 per year each.

14. Recommendation of Malcomson, Calder and Hammond, architects of Detroit, to prepare preliminary plans and sketches for the College Hospital.

On motion of Mrs. Masselink, seconded by Mr. Brody, it was voted to authorize the Secretary to secure definite bids on the cost of construction of another well.

15. The Secretary reported that preliminary arrangements have been made with Mr. and Mrs. W. A. Robinson for their house at 123 Albert Street and Mr. and Mrs. D. H. Benson for their house at 321 M. A. C. Avenue to be used for Cooperative Houses for three-year periods at an annual rental of $1000.00 per year each.

MISCELLANEOUS

1. Report on the awarding of a Certificate of Merit to the College by the Michigan Horticultural Society at its annual meeting on Tuesday, May 17th. This special state-wide recognition has been given because of the well-planned beauty of the campus. The certificate was accepted on behalf of the College by T. Glenn Phillips, College landscape architect.

On motion of Mr. Brody, seconded by Mr. Jakway, it was voted to authorize the Secretary to write the proper letter of acknowledgment.

2. Presentation for Board approval of a modification of the agreement covering cooperative research between the Section of Botany and the Sherwin-Williams Company of Cleveland which was first approved in April, 1937. The amount of the grant is increased from $1750.00 to $2500.00 for the year, the addition to be used as specified by the Company, but with other slight verbal changes the contract remains the same.

On motion of Mr. Downing, seconded by Mr. Brody, it was voted to approve the above item.

3. Presentation for Board acceptance of a $7200.00 check from the Rackham Foundation for the continuance of projects connected with the study of Brussels and brucellosis. It is recommended that this be set up as Rackham Fund No. 5, and that the expenditure of $3200.00 of the money be authorized for the following items:

Acceptance of check for $7200 from Rackham

MISCELLANEOUS, continued

3. (Continued)

Travel and maintenance expenses to Malta for Dr. I. E. Huddleson, who wishes to leave on June 22nd returning (if experimental work permits) the first of September
Medical assistance in Malta
Cost of goats for immunizing experiments

On motion of Mr. Berkey, seconded by Mr. Halstead, it was voted to approve the above item.

4. Request of Professor F. A. Herbert that his department be allowed to reimburse the U. S. Forest Service for $137.58 worth of trees purchased from federal nurseries for resale to farmers; further, that his budget be increased in that amount from general funds, since payments from purchasers go into the general College treasury. This request is similar to that approved last year.

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve the above request.

5. Request of Dean Anthony that a working balance of approximately $1000.00 be kept from year to year in the Special Course and Conference Fund, with any amount in excess of that sum returned to general funds at the close of the fiscal year. This is not recommended by the Comptroller.

On motion of Mr. Halstead, seconded by Mr. Brody, it was voted to concur in the recommendation of the Comptroller.

6. Recommendation of the Comptroller for the repayment of $1000.00, borrowed from the Official Testing Fund for the new dormitory. The Testing Fund is now in need of the money.

On motion of Mr. Brody, seconded by Mr. Berkey, it was voted to approve the above recommendation.

7. Request of Professor S. E. Crowe, Director of Summer Session, for an addition of $275.00 to his maintenance budget for the current year, to be distributed as follows:

- Printing of Summer Session catalog (cost increased over that of last year)
- Travel expenses for instructor in Traffic Education Course to University of Kentucky (travel approved by the Board)
- Miscellaneous expenses in preparing for this course and operating dual-control car

On motion of Mr. Berkey, seconded by Mr. Downing, it was voted to approve the above request.

8. Request of Dean Dirks that $12.00 received for broken equipment be placed to the credit of the Electrical Engineering Department.

On motion of Mr. Downing, seconded by Mr. Halstead, it was voted to approve the above request.

9. Recommendation of the Athletic Council for the transfer of funds within their department to the following accounts:

- Increase the Varsity football budget $850.00
- Increase the Varsity track budget 1200.00
- Increase the Tennis budget 20.00
- Increase the Golf budget 60.00
- Increase the Wrestling budget 200.00
- Increase Boxing budget 175.00
- Increase the State I.C.C. Cross-Country budget 25.00
- Increase the State Track Carnival budget 25.00

On motion of Mr. Brody, seconded by Mr.Berkey, it was voted to approve the above item.

11. Recommendation that diplomas be granted to those candidates for graduation and for advanced degrees who shall have completed requirements at the end of the spring term, according to the Registrar's records.

On motion of Mr. Halstead, seconded by Mr. Brody, it was voted to approve granting diplomas to those candidates for graduation and for advanced degrees who have completed the requirements as follows:
