HISCELLANEOUS

1. Approval of granting degrees to those students who according to the records of the Registrar will have completed the requirements for graduation at the end of the Spring quarter, 1943. (See list beginning page 1922).

On motion of Mr. McPherson, seconded by Mr. Brody, it was voted to approve the list as presented.

2. Approval of granting Michigan State College scholarships to Miss Jean Miller Legg, Liberal Arts junior; and to William Arthur Bradley, Engineering junior.

3. Memorandum of understanding with the Michigan Department of Conservation covering a cooperative project in connection with a land type and farm-forest inventory in Houghton County. The College will pay the expenses of the men involved and the Department of Conservation will pay his salary.

4. Memorandum of understanding with the American Potash Institute covering research work in Soils, and acceptance of a grant of $1,200. This is a continuing agreement, having been in effect since January 1, 1939.

5. Approval of an operation for Fay E. Remus, Buildings and Grounds employee who was injured while working.

7. Report of the death of Edwin Morrison, Assistant Professor of Physics, on July 15, 1939.

9. The Retirement Committee recommends that Owen Smith, Buildings and Grounds employee, be retired June 1, 1943, at an annual pension of $480. Mr. Smith was born May 18, 1880, and has been employed by the College since May 1, 1917.

On motion of Mrs. Hasselnik, seconded by Mr. Berkey, it was voted to approve Miscellaneous Items 2 through 9.

10. Recommendation that Miss Josephine Kackley, Professor of Public School Music, be granted a leave of absence with full pay for six months, effective September 1, 1943. Also the Retirement Committee recommends that Miss Kackley be retired May 1, 1944, at an annual pension of $480. Miss Kackley was born March 10, 1890, and has been employed by the College since September 1, 1930.

On motion of Mr. Berkey, seconded by Mr. McPherson, it was voted to approve the above recommendations in Item 10.

11. The following recommendations are made to conserve travel and time:

   a. Transfer of Miss Dorothy Scott as Home Demonstration Agent in Alcona, Alpena, Iosco, and Oscoda Counties to Alcona, Alpena, and Oscoda Counties.

   b. Transfer of Lemuel H. Rhodes as District Club Agent in Alcona, Iosco, Arenac, and Osceola Counties to Iosco, Arenac, and Osceola Counties.

21. Recommendation that J. N. Moore, half-time graduate assistant in Botany, be paid an additional $100 for his work in teaching Mathematics in the Air Forces program.

22. Recommendation that Miss Dalail Safadi be paid $150 for teaching a course in Arabic during the spring term, this sum to be paid on June 1, 1943.

23. Request for an appropriation of $150 for the use of the auditorium for a Youth Orchestra Concert to be held on Sunday, May 30.

24. Request for an additional appropriation of $1000 for the budget of Physical Education for Men, made necessary by Army Training Program.

25. Request from Director Young that the Board approve permitting certain budgets to run in the red for the balance of the year with the understanding that the over-all budgets for athletic accounts be not overdrawn and all expenditures are to be held to a minimum.

26. Recommendation that the Board approve permitting budgets of departments within divisions run in the red for the balance of the year with the understanding that no single division run in the red and all expenditures are to be held to a minimum.

27. Presentation of a recommended budget for the expenditure of the funds allocated by the Federal Government to the Extension Service for handling the emergency farm labor program in Michigan. The first grant amounts to $160,000.

28. Acceptance of an enlarged grant for scholarship for rural youth from the Kellogg Foundation for the next college year on the basis of 360 youths at $120 each or a total of $43,200.

29. A tentative request has been made by the State Police for permission to construct a radio tower for frequency modulation the river farm near Okemos. This requires a space 600 feet square, or approximately 66 acres. If permission is granted, it should be understood that the tower is to be located on a site satisfactory to the College.

30. At the last meeting of the Board, the Board authorized the opening of negotiations with the Biebesheimer family leading toward the ultimate purchase of 16 acres of land on Hagadorn Road within the plot which is desired to be owned by the College. Dean Anthony and Mr. McDonel conferred with members of the Biebesheimer family and have been assured that upon the death of Mr. Biebesheimer, Sr., the heirs will be willing to sell the property to the College. The elder Biebesheimer is in poor health, and it is requested that he not be disturbed during his life time. No agreement has been reached as to the purchase price.

31. Request from the City of East Lansing that the City be permitted to rent the pool in the Women's Gymnasium for one or two hours per day during the summer and hire college staff members to teach men, women, and children how to swim, lifesaving, etc.

32. Report of the formal completion of the contract with the U. S. Army covering the continuous training of 1500 Air Force Cadets.

33. It is suggested that consideration be given to the hiring of auditors to conduct the annual audit.

On motion of Mr. Brody, it was voted to employ the firm of Mr. Wm. Roost to conduct the college audit for the fiscal year ending June 30, 1943.
MISCELLANEOUS, continued

34. Report on "Friends of the Library" organization at Michigan State College. The constitution of this organization was presented to the Board.

35. Recommendation from the Faculty that the report of the Committees on Pan American Institute and Oriental Institute be approved. (The report follows:

It is recommended:

1. That we would establish some educational setup for teaching and learning about the other American nations and the Orient.
2. That we should get under way on this program by September 1943 rather than after the war is over.
3. That the program should involve a teaching program, a research program and an extension program and also the building up of a reference library on Pan American affairs and on Oriental affairs.
4. That the program should involve a study of the languages of the various countries, the social and economic life of the inhabitants, political and governmental problems, religion, race, culture, history and literature, geography, agriculture, national resources and trade of the various countries.
5. That the purpose of the Institute should be to help our students generally, as well as those who may elect to study the special curriculum, to understand the problems of the various areas; to aid adults in acquiring a more adequate conception of Latin American and Oriental peoples; to train young Americans to deal with representatives of other nations on an understanding basis and to contribute effectively to better relations among the nations.
6. That special area courses be introduced and be open to the students of any Division of the College as elective courses.
7. That we endeavor to attract foreign students both graduate and undergraduate to this College and to arrange for and encourage our students to study in foreign universities.
8. That we organize a School of Foreign Studies on the campus with special emphasis upon Latin America and the Orient under a curriculum and operational procedure essentially as follows:

Curriculum
Especially emphasizing Latin America and the Orient

Freshman year
Half time on Language and analytical course regarding one country or area. The analytical course will encompass the historical background, political institutions, geography, customs, economic and social conditions of the chosen country or area.
Half time on English, Science, American History, Mathematics, etc.

Sophomore year
Half time on Language and analytical course as above.
Half time on courses related to social work, agriculture, public health, economics, science, engineering, business administration, food administration, home economics, education, engineering, medical biology.

Junior and Senior year
Continue Language Study and specialization such as social work, agriculture, public health, economics, science, business administration, food administration, home economics, education engineering, medical biology and elect as many broad general education (cultural) courses as time will permit.

Operation of the Program

1. Appoint a Director of Foreign Area Studies who is well versed in one large foreign field such as Latin America or China or Southwest Pacific and who will be expected to confer with non-college people who know foreign problems, supervise the whole program, as well as teach the analytical course for his special area.
2. Attach to our Department of Languages, where necessary, specialists (try to have these exchange students) in several foreign languages such as Malay, Chinese, Japanese, Portuguese, Spanish, who will work with our regular language teachers in developing the spoken language. In the first term or even the first year have language in at least two-hour periods.
3. Use our own staff, supplemented by special lecturers as they are available, in the historical, economic, political, social, geographic and other parts of the program.
4. Use our own staff in the fields of specialization.
May 20, 1943

MISCELLANEOUS, continued

35. Report of Committees on Pan American Institute, etc., continued:

5. Provide extensive visual and auditory material through slides, films, charts, records, etc.

6. Grant bachelors degrees in existing divisions of the College according to specialization and modify present graduation requirements to permit the curriculum to operate. In addition grant a certificate of completion of the Foreign Studies curriculum.

On motion of Mr. Brody, seconded by Mr. Berkey, it was voted to approve the above report with the understanding that the details of the plan are to be reported to the Board.

36. Presentation for consideration by the Board of a situation which has arisen in connection with the acceptance of remuneration by employees of the College from outside sources as it relates particularly to county agricultural agents.

On motion of Mr. Brody, seconded by Mr. Akers, it was voted to reaffirm the following policy:

"All full-time employees of Michigan State College are expected to devote their full energies and efforts to the prosecution of their respective assignments or responsibilities.

"Employees are not to receive remuneration from any other source for work in their principal fields of endeavor or in allied or related lines of work or activity without the written permission of the President of the College, who in turn shall at regular intervals report all such arrangements to this Board for their information.

"Extension workers permanently assigned to specific areas are not to receive additional salaries from counties or other governmental units or from private sources. All existing arrangements are to be immediately reviewed, wherever possible readjusted and eliminated, and reported to this Board at an early date."
