On motion by Mr. Nisbet, seconded by Mr. Merriman, it was voted to approve item 1.

2. Communication from Mr. May:

At the March Board meeting I obtained approval to sell the house given to the University by Mr. Harry Conrad. Subsequent to that time the buyer indicated he would be unable to proceed with the purchase.

On April 20, the Porter Realty Company submitted a new offer which will net the University the same amount as the original offer. I would recommend that the Board approve the sale of the home formerly owned by Mr. Conrad at 1510 Moore's River Drive, Lansing to Frederic S. Abood and Patricia L. Abood for the price of $42,857.

On motion by Dr. Smith, seconded by Mr. Stevens, it was voted to approve the above recommendation.

Commissions and costs of sale: net to the University - $40,236.08

3. On May 1 Scudder, Stevens & Clark advised Mr. May concerning the exchange of certain Treasury Notes for new issues maturing November 15, 1964. These new notes will yield 4.09. Since the exchange had to be requested by May 6, Mr. Cress was authorized to submit the exchange forms. Board approval of this action is requested.

On motion by Mr. Pingel, seconded by Mr. Merriman, it was voted to approve the above item.

4. It is recommended that the construction of Dormitory #4 be delayed and its completion timed so that it will be available for use in the fall of 1966.

After discussion of the time of construction of Dormitory #4, it was agreed to delay beginning this construction and to proceed with its construction at a time so that it will be available for occupancy by the fall of 1966.

5. Mr. May and Mr. Foster recommend an increase in rates for dormitories and married housing effective fall 1964 made necessary by increasing wage costs.

   Dormitory rate: It is recommended that the dormitory rate be increased $7 per term from $268 to $275

   Married Housing: It is recommended that there be an increase of $6 per month in the rate of married housing units.

   Owen Grad. Hall: Increase of $4 per term. $172 per person single; $130 per person double

   Van Hoosen Dormitory: It is recommended that there be an increase of $18 per term from $624 to $642 per apartment.

On motion by Mr. Nisbet, seconded by Mr. Huff, it was voted to approve the above changes in dormitory and married housing rates.

6. It is recommended that the Trustees offer to make land available for the Regional Poultry Research Laboratory on the site bounded on the west by Pine Tree Road, on the south by I-96, on the east by I-96, and on the north by Jolly Road.

On motion by Mr. Bagwell, seconded by Mr. Nisbet, it was voted to approve the above recommendation.

7. Discussion by Provost Neville of contemplated changes transferring the Department of Economics from the College of Social Science to the College of Business and the separation of the Department of Sociology and Anthropology into two departments -- a Department of Sociology and a Department of Anthropology, both to be effective July 1, 1964.

On motion by Mr. Huff, seconded by Mr. Pingel, it was voted to approve this recommendation.

8. Mr. May presented a proposed new pay schedule for non-academic employees.

After discussion, it was moved by Mr. Nisbet, seconded by Mr. Huff, and voted to approve these wage and salary schedules to be included as a part of the 1964-65 budget to be presented to the Board of Trustees at its June meeting.

Mr. Stevens wished to be recorded as voting "no" on this item.
Finance Committee Items, continued:

9. Mr. May presented in detail the estimated income from all sources for 1964-65 and outlined in general terms the budget adjustments that are required for each of the categories carried in the budget.

Provost Neville discussed in general terms the allocations that are contemplated in the various academic areas.

The President outlined in detail recommendations for salary adjustments. This includes the commitment arrived at when appropriations were requested through the Governor from the Legislature that faculty salaries for existing staff would be brought to a point equal to the midpoint of the average salaries among all of the Big Ten schools. To bring our salary schedules to this figure for the current year requires $668,000 of additional funds. This is the catch-up factor. To maintain the same position for 1964-65 will require a 5% additional adjustment or a total of $698,000. This is the keep-up factor.

Because of inequities in our salary schedule between certain Colleges, a formula was explained for making progress toward the minimizing of undesirable inequities.

The President distributed a summary of tabulations as received from the Provost of recommended increases as prepared by the various Deans in accordance with these formulae.

It was recommended that the Trustees approve in principle the procedures being followed as guidelines for the preparation of the new budget.

After considerable discussion, it was agreed that the responsibility will be left with the President to prepare a detailed salary schedule for all academic employees to be distributed to the Trustees as soon as possible with the understanding that the Trustees will be given a few days to review this material and raise any questions they care to with the President. The salary schedules as distributed will be included in the detailed 1964-65 budget and become a part of it. If questions are raised by Trustees with reference to individual salaries, it is understood that these items will be subject to discussion and possible change at the time the budget is approved.

On motion by Mr. Merriman, seconded by Mr. Pingel, it was voted unanimously to approve the above recommendations.

10. Chancellor Varner recommends an increase in the dormitory rates at Oakland University from $395 per semester to $402 per semester.

On motion by Mr. Nisbet, seconded by Dr. Smith, it was voted to approve the increase in dormitory rates for Oakland University as recommended effective September 1, 1964.

11. Chancellor Varner discussed a proposal that Oakland University join with Pontiac Township in extending the Detroit Water system to the Oakland campus.

After discussion, it was agreed that Mr. Varner should continue discussion with Pontiac Township and that Mr. May would check into the reasonableness of the proposed rates to be charged by Pontiac Township--this whole matter to be discussed further at the next Trustees' meeting.

Adjourned.

MINUTES OF THE MEETING
of the
BOARD OF TRUSTEES
May 22, 1964

Present: Dr. Smith, Chairman; Messrs. Bagwell, Huff, Merriman, Nisbet, Pingel, Stevens; President Hannah, Treasurer May and Secretary Breslin

Absent: Mr. Harlan

The meeting was called to order at 10:55 a.m. at the Kellogg Biological Station at Gull Lake. The Trustees had met informally Wednesday evening, May 20, and all day Thursday, May 21.

The minutes of the April meeting were approved.

SPECIAL MISCELLANEOUS

1. Approval of the Finance Committee items on the preceding pages.

On motion by Mr. Nisbet, seconded by Mr. Bagwell, it was voted to approve the Finance Committee items.

2. The President read the following telegram from John W. Cummiskey of Miller, Johnson, Snell, Attorneys of Grand Rapids, Michigan:

URGENTLY REQUEST THAT I BE ALLOWED TO APPEAR IN PERSON BEFORE THE BOARD OF TRUSTEES TO SEEK A REVIEW OF THE UNIVERSITIES DECISION TO DISCONTINUE BUSINESS RELATIONS WITH WELLMAN PRESS BECAUSE OF THE FACT THAT A LABOR DISPUTE TOOK PLACE AT THIS COMPANY AND NOT BECAUSE
On motion by Mr. Huff, seconded by Mr. Merriman and voted that the sanction now in effect on new purchase contract awards to the Wellman Press and affiliates be withdrawn if these companies are no longer in violation of NLRA or other federal orders.

Mr. Huff discussed the meeting of the Michigan Coordinating Council for Public Higher Education held at Mt. Pleasant on Monday, May 18 where it was agreed that Boards of Control of the State Universities and Colleges would submit a similar letter through Dr. Ira Polley to State Attorney General Frank J. Kelly. The letter follows:

The Honorable Frank J. Kelley
Attorney General of Michigan

Jansing, Michigan

Dear Mr. Kelley:

Senate Bill No. 1278 appropriates funds for remodeling of and additions to existing buildings and construction of new buildings at the institutions of higher education. The appropriations are for the fiscal year ending June 30, 1965. The bill makes various appropriations in Section 5 from the general fund subject to the conditions and limitations of Section 7. In addition, the bill provides in Section 6 that funds are appropriated from the general fund to the Controller of the Department of Administration, subject to the conditions of section 7, although a substantial portion of the funds are for capital expenditures at institutions of higher education. Section 7 provides that funds shall be released by the State Administrative Board when it approves proposed expenditures. The Board is also given the discretionary authority to condition release upon its approval of the method by which labor on the capital outlay project shall be performed. The Board is prohibited from releasing any funds unless the plans for the project are within the appropriation.

Additionally, Section 11 empowers the Controller to "award suitable architectural, engineering and construction contracts to design, construct and equip all projects authorized by this act for all state agencies including the four-year colleges and universities..."

In our view, the conditional appropriations raise a question as to the applicability of Sections 5 and 6, Article VIII, of the Constitution of 1963, which provide, in part, that board of control of the institutions of higher education have "control and direction of all expenditures from the institution's funds." Therefore, we would appreciate your opinion as to whether the State Administrative Board and the Controller should be directed to release the funds appropriated for the colleges and universities having constitutional status without regard to the conditions and limitations imposed by Sections 7 and 11.

On motion by Mr. Stevens, seconded by Mr. Bagwell, it was unanimously voted to approve this recommendation.

Mr. Stevens made the recommendation that all departments and all branches of Michigan State University and Oakland University do everything possible to cooperate with Federal, State and local governments and private agencies engaged in eliminating poverty.

On motion by Mr. Stevens, seconded by Mr. Bagwell, it was voted to approve the above recommendation.

The Class of 1914 presented a gift of $25,037.50 from 126 members of the Class with the request that it be used to provide furnishings for the reception room and staff offices of the Department of Alumni Relations and the Development Fund for the new quarters into which they will be moved in the Union Memorial Building.

On motion by Mr. Merriman, seconded by Dr. Smith, it was voted to accept with gratitude the above gift from the Class of 1914.

Contracts to be awarded for East Campus Dorm #5 after certain adjustments are made.
26. Bids on East Campus Dormitory #5 (continued)

Mr. May will present some revised figures as a result of certain changes in the building design to reduce the cost.

On motion by Mr. Stevens, seconded by Mr. Merriman, it was voted to award contracts to the low bidders with the understanding that certain changes in the scope of the teaching laboratories will be made that will have the effect of reducing substantially the amounts of the various contracts—the corrections to be covered by change orders with the understanding that the total cost is to be reduced to a figure as near $5,600,000 as possible.

Contract awarded for
repairing southwest wall
Men's IM Bldg

27. On May 8 the following bids were received for repairing the southwest wall of the Men's Intramural Building:

11. Grant of $29,150 from the National Institutes of Health to be used under the direction of Paul K. Kindel in Biochemistry for studies on the biosynthesis of branched-chain sugars.

12. Grant of $71,615 from the National Institutes of Health to be used under the direction of A. J. Morris in Biochemistry for studies of the terminal stages of the biosynthesis of hemoglobin.

13. Grant of $800 from the Farmers and Manufacturers Beet Sugar Association of Saginaw to be used under the direction of S. T. Dexter in Crop Science for the spring labor reduction program.

14. Grant of $975.35 from the Michigan Brewers association to be used under the direction of J. E. Graflus in Crop Science to reimburse the Brewers account for seed purchased for a cooperative research project.
Gifts and Grants, continued

15. Grants as follows to be used under the direction of E. H. Everson in Crop Science:
   a. $1,095 from the Michigan State Millers Association of Chelsea for an electronic
      seed counter for breaking the apparent linkage between short straw and low test
      weight and studies of components of yield.
   b. $4,000 from the United States Department of Agriculture to screen world
      collection of cereals for resistance to cereal leaf beetle.

16. Grant of $500 from E. I. duPont de Nemours and Company of Wilmington, Delaware, to be used
    under the direction of W. F. Meggitt in Crop Science to determine the tolerance of
    several turf grass species to certain herbicides used for weed control, and to determine
    the degree of crabgrass control from varying rates and formulations of herbicides.

17. Grant of $1,000 from the Farmers and Manufacturers Beet Sugar Association of Saginaw to
    be used under the direction of W. F. Meggitt in Crop Science for weed control research in
    sugar beets.

18. Approval of a memorandum of agreement with the Cooperative Orange League Federation Exchange,
    Inc., of Ithaca, New York, covering a grant of $4,000 to be used under the direction of L. D.
    Brown in Dairy to determine the effect of buffering agents singly and in combination with
    urea on quality of corn silage.

71. Grants as follows from the National Science Foundation for support of undergraduate instructional scientific equipment programs:

- $1,940 to be used under the direction of D. P. White in Forestry
- $2,070 to be used under the direction of J. M. Mason in the Science and Mathematics Teaching Center
- $15,000 to be used under the direction of W. White in Forestry
- $8,700 to be used under the direction of C. S. Thornton in Zoology
- $6,120 to be used under the direction of L. M. Sommers in Geography
- $13,390 to be used under the direction of R. F. Johnston in Physiology

On motion by Mr. Huff, seconded by Mr. Nisbet, it was voted to accept the Gifts and Grants.

ADDITIONAL MISCELLANEOUS

1. At the April Board meeting the rules and regulations covering campus parking and driving were distributed and discussed. The Board approved them in principle and authorized preliminary planning to activate this program. It is now recommended that the Board approve the following recommendations to become effective September 1, 1964:

RECOMMENDATIONS RELATING TO CAMPUS PARKING AND DRIVING

A. Students

1. Any student not living in University-operated housing on campus may register a motor vehicle as a commuter student.
   
a. Married students residing in University married housing facilities will be considered commuter students.

2. Continue to permit all other students except freshmen and first-year Short Course students to register as resident students.

3. There will be no commuter or resident student driving anywhere on the campus in the area bounded by Michigan and Grand River Avenues, Hagadorn Road, Harrison Road, and the Grand Trunk Railroad between 7:00 a.m. and 6:00 p.m. Monday through Friday except that:
   
a. Students living in Shaw Halls, Mason-Abbot, and Snyder-Phillips Halls may drive on Bogue Street and that portion of Shaw Lane between Bogue Street and the parking ramp entrance. They may drive off campus by the same route.
   
b. Residents living in Owen Graduate Halls may drive on Bogue Street and Shaw Lane by the most direct route to enter and leave lot "O".
   
c. Residents living in Van Hoosen Hall may drive on Bogue Street to enter and leave the campus from their parking lot by the most direct route.
   
d. Residents living in Wonders, Case, and Wilson Halls may drive on Stadium Road to Harrison Road by the most direct route to enter and leave lot "F".
   
4. Students certified by the Health Service as having full disability will continue to have the same parking and driving privileges as full-time employees. Key cards will be issued to them for all gated areas.

5. Restrict resident and commuter student parking at all times in the area west of Farm Lane between West Circle Drive and the river.
MEW BUSINESS, continued

May 22, 1964

Additional Miscellaneous, continued

1. Campus parking and driving regulations, continued:

A. Students, continued:

6. Students in Shaw Halls and Mason-Abbot, Snyder-Phillips Halls will use the parking ramp in a special area designated for their use.

B. Graduate Assistants, Graduate Research Assistants, Special Graduate Research Assistants, Departmental Graduate Assistants, Pre-Doctoral Fellows, Assistant Instructors enrolled for 10 or less credits, Resident Hall Assistants, and spouses of students who are full-time employees.

1. Individuals in the above categories may park in any legal parking space south of the river. Key cards will be issued to those who register and pay the required fee so they may use any gated lot in the south campus area or the parking ramp.

a. The above may drive on north campus, but may not park there. It is hoped that additional parking facilities eventually can be provided so that spouses of students employed full time can park in the north campus area.

C. Faculty and Full-time Employees

1. Will be required to pay a fee for parking in any of the parking areas on the campus within the area of Michigan Avenue and Grand River Avenue, Hagadorn Road, Harrison Road, and Mt. Hope Road (excluding the commuter storage lot). In addition, employees, Brody Hall employees, and others in offices immediately adjacent to the above boundaries will be required to pay the same fee.

a. A basic annual fee will be assessed and payment made, if desired, by payroll deduction.

b. Key cards will be issued to those who pay the required fee. This will permit them to use any gated facility.

c. Faculty and other employees who do not wish to pay the basic fee or use the commuter lot may still use the metered and gated areas without registering their cars.

d. Those wishing to rent an individually reserved parking space in the designated area may do so by paying an additional fee.

D. Visitor Parking

1. Visitors may park in only metered or gated parking areas, 7:00 a.m. to 6:00 p.m., Monday through Friday.

a. The Kellogg Center parking area, lot "K" will be gated.

b. The parking ramp will be gated with the exception of that portion designated for students.

c. Install meters as follows:

1) 15 meters west and south of Giltner Hall
2) 36 meters in the parking bay north of the Physics-Mathematics building
3) 6 meters adjacent to the Dairy Plant in Anthony Hall
4) 12 meters, Owen Graduate Halls
5) 5 meters, Brody Service Drive
6) 8 meters, Museum parking area
7) 8 additional meters, Personnel Building

2. The gates controlling all gated areas except lot "K" and the parking ramp will be raised at 7:00 p.m.

E. Fees

1. The following basic fees will be assessed:

a. Students -- $6 per year

1) Fully disabled students will be given full parking and driving privileges without additional charge.

b. Graduate Assistants, Graduate Research Assistants, Special Graduate Research Assistants, Departmental Graduate Assistants, Pre-Doctoral Fellows, Assistant Instructors enrolled for 10 or less credits,
May 22, 1964

NEW BUSINESS, continued

Additional Miscellaneous, continued

1. Campus Parking and driving regulations, continued:

E. Fees, continued

1. Basic fee assessed, continued:

b. Continued
   Resident Hall Assistants, and spouses of students employed full time on the north campus -- $12 per year.

c. Faculty and employees, including spouses of students employed full time on the south campus.

1) July 1 to June 30 -- $18
   a) If faculty and employees elect to pay the basic annual fee of $18 by payroll deduction, the collection will be made at the rate of $2 per month, October through June.

2) January 1 to June 30 -- $12

3) Reserved space in designated areas 7:00 a.m. to 7:00 p.m., Monday through Friday and 7:00 a.m. to noon Saturday -- $48 per year.

h) The parking fee in gated lots will be increased to 25 cents.

F. Capacity of Commuter Lot

1. Commuter students registered 3,400 cars this last winter quarter. Some of the commuter students in the above total were registered only for evening classes. Schedule variations will also reduce the number to be accommodated at any one time. Our best guess is that the new commuter lot off Mt. Hope Road, to be designated lot "Y", should be prepared initially to accommodate between 1,500 and 2,000 commuter cars.

G. Faculty and Staff Appeals

1. Appeals by employees for summonses issued under these regulations should be made to an on-campus adjudicating body.

On motion by Mr. Nisbet, seconded by Mr. Merriman, it was voted to approve the recommendations relating to campus parking and driving regulations.

Reports for Board Members

1. The following alterations and improvements have been approved since the last meeting of the Trustees and charged to the accounts indicated:

From Alterations and Improvements Account 11-5173
a. Erect 10-target pistol range on Jolly Road for Public Safety $1,100
b. Alterations to Room 220, Morrill Hall, for office space for new staff member in Social Work 1,550
c. Alterations to Room 225D, Morrill Hall, and additional electrical outlets for office space for new staff member in Social Work 1,550
d. Rectify ventilation problem in Rooms 201A and 201C, Kresge Art Center 1,100
e. Install electrical outlets for typewriters and closed circuit TV cable in Room 311, Berkey Hall, for Business Law, Insurance, and Office Administration 950
f. Install wall closing in the corridor of Bessey Hall outside office of the Dean of University College 500
g. Conversion of Room 108A, Horticulture Building, to constant temperature room--\( \frac{1}{2} \) of cost 400
h. Install 5 electrical outlets in classrooms 115, 116, 117, 118, and 119, Eppley Center, for College of Business 50

From Foods and Nutrition Experiment Station Account 71-6660
a. Conversion of Room 6B, Women's Gymnasium, to an Animal Room for research to be carried on by Foods and Nutrition and Health, Physical Education, and Recreation 1,350

From Microbiology and Public Health Experiment Station Account 71-2068
a. Furnish and install air conditioner in Room 114, Giltner Hall, for Microbiology and Public Health 625

From Horticulture Experiment Station Account 71-2611
a. Conversion of Room 102A, Horticulture Building, to constant temperature room--\( \frac{1}{2} \) of cost 100
   Total $10,975

2. Additional pay to salaried employees as per list on file.
Resignations and Terminations

1. Frank F. Lee, Associate Professor and Acting Chairman of Sociology and Anthropology, August 15, 1964.

Appointments

1. John Browning Cameron, Instructor in Art at a salary of $6800 per year on a 10-month basis effective August 15, 1964.

2. Clifford V. Harding, Professor of Biology, at a salary of $13,200 per year on a 10-month basis effective August 1, 1964.

3. James E. Davis, Assistant Professor of Chemistry at a salary of $8500 per year on a 10-month basis effective August 15, 1964.

4. John Norman Austin, Instructor in Classics at a salary of $7200 per year on a 10-month basis effective August 15, 1964.

5. Edvard Starr, Instructor in Economics at a salary of $7700 per year on a 10-month basis effective August 15, 1964.

6. Leonardas V. Gerulaitis, Assistant Professor of History at a salary of $7500 per year on a 10-month basis effective September 1, 1964 to August 31, 1965.

7. John W. Dettman, Professor of Mathematics, at a salary of $11,700 per year on a 10-month basis effective August 15, 1964.

8. Amitendranath Tagore, Assistant Professor of Modern Foreign Languages at a salary of $7500 per year on a 10-month basis effective August 15, 1964.

9. Wilbur W. Kent, Jr. Assistant Professor of Music at a salary of $8000 per year on a 10-month basis effective August 15, 1964.

10. Roger Henry Mars, Assistant Professor of Political Science at a salary of $8600 per year on a 10-month basis effective August 15, 1964.

11. Emily Oestereicher, Instructor Sociology and Anthropology at a salary of $7200 per year on a 10-month basis effective August 15, 1964.

13. Francis X. Russo, Assistant Professor of Teacher Education at a salary of $8000 per year on a 10-month basis effective August 15, 1964.

Promotions approved at Oakland U.

Miscellaneous

1. Promotion recommendations to be effective July 1, 1964, as follows:

To Professor:

Walter S. Collins - Music

To Associate Professor:

*Sheldon L. Appleton - Political Science
Maurice F. Brown - English
Donald C. Hildum - Psychology
*Robert C. Howes - History
*Norman Susskind - Modern Foreign Languages

To Assistant Professor

John L. Bechman - Art

*Acquires tenure with this promotion

2. Chancellor Varner presented a proposed revision of the rules of tenure at Oakland University.

On motion by Mr. Bagwell, seconded by Dr. Smith, it was voted to approve the new rules of tenure at Oakland University as presented to be effective July 1, 1964.
Gifts and Grants

1. Grant of $163 from Delta Kappa Gamma Society of Rochester for Scholarship Account 32-3226.
2. Grant of $100 from the Good Shepherd Lutheran Church of Royal Oak for Scholarship Account 32-3339.
3. Grant of $5,400 from the National Science Foundation to be used under the direction of Paul Tomboulian in Chemistry for support of an undergraduate science education program.
4. Grants as follows to be used under the direction of Chancellor Varner for the Meadow Brook Music Festival:
   a. $2,500 from the Rochester Branch of the National Bank of Detroit
   b. $5,000 from the McGregor Fund of Detroit
5. Grant of $35 from Chancellor Varner to be credited to the Discretionary Gift Account.

On motion by Mr. Stevens, seconded by Mr. Huff, it was voted to approve Item 1 and to accept the above Gifts and Grants.

The meeting adjourned at 12:30 p.m.

After discussion, it was decided on the following schedule of future meetings: June 18, with a preliminary meeting on the evening of June 17 in East Lansing.

The July Board meeting will be held on July 24, with a preliminary meeting on July 23 at Oakland University.

There will be no August meeting.
