12. Report of the receipt of the following resolution from the Michigan Farm Equipment Association:

"We recognize with appreciation the progress made in developing the One Year Course of Instruction in Farm Equipment Retailing at Michigan State College and also the effort to expand the Agricultural Engineering Department with new larger facilities at Michigan State College."

13. Payment of $4.50 to Fay Remus, employee in Buildings and Utilities, as compensation for time lost because of an injury to his eye.

14. Statement from Shields, Ballard, Jennings & Taber in the amount of $103.40 for services rendered.

15. Approval of a contract with the Breth-O-Death Laboratories, Inc. at Grand Rapids, in which they agree to assist the College in the extermination of rodents, roaches and silverfish for a fee of $200 per month.

On motion of Mr. Brody, seconded by Miss Jones, it was voted to approve the above item.

16. Consideration of leasing a farm near the Kellogg Farm to be used in connection with the cooperative research project with the American Dairy Association. Farm known as Flowers and Hazen farm.

On motion of Miss Jones, seconded by Mr. Berkey, it was voted to approve the above item.

Additional Items

1. Resignation of Mrs. Joyce Satchell as Assistant in Research in Agricultural Chemistry, effective December 31, 1944. Mrs. Satchell has joined her husband who is in Midland.

3. Military leave of absence through June 30, 1945, for Mildred Hopping, nurse at the Health Service. Miss Hopping is awaiting her call to the Army Nurses Corps, and the effective date of the leave will be reported later.

4. Appointment of Hugo O. Engelmann as Instructor in Social Science in the Basic College at a salary of $2400 per year, effective February 1, 1945. This is a new position.

5. Appointment of William Funkenbusch as Instructor in Mathematics at a salary of $225 per month, effective for the period from February 5 to June 30, 1945. Mr. Funkenbusch will replace Dr. Grove who is on leave.

6. Appointment of Gonzalo A. Moreno as Instructor in Foreign Languages (Conversational Spanish) at a salary of $400 for the winter term of 1945, and paid in three equal monthly payments.

7. Appointment of Edward Kiyala as graduate fellow in Bacteriology at a salary of $400 per month, effective January 1, 1945, and paid from funds of the Onyx Oil and Chemical Company.

8. Extension of leave of absence for Miss Elisabeth Conrad, Counselor for Women, from January 1, 1945 through June 30, 1945 with half pay.

Miscellaneous

1. Acceptance of a check for $60 from the LaVerne Koyes Estate to be used for scholarships.

2. Ciro Martinez has been teaching Spanish during fall term 1944 at a salary of $125 per month. It is recommended that he be relieved of half of his work and paid at the rate of $62.50 per month for five months beginning January 1, 1945.

3. Increase in salary for members of the staff of Agricultural Chemistry, effective February 1, 1945, as follows:

3. Increases in salary for members of staff of Agricultural Chemistry, continued:
   - Elva L. Denniston, Assistant in Research: $1800-$2400
   - C. C. Lightfoot, Assistant in Research: $2000-$2200
   - A. L. Neal, Research Assistant: $3200-$3400

4. Statement in the amount of $50 from Dr. W. O. Badgley for treating Mrs. Mabel Walker who
   injured her shoulder while working at Mason-Abbot Hall.

5. Recommendation for the initiation of a special program of training in custodial education and
   the appointment of K. P. Grabarkiewics as Assistant to the Director of Short Courses at a
   salary of $1400 per year, effective April 1, 1945. Mr. Grabarkiewics will be in charge of the
   custodial training. The College will be reimbursed 75 per cent of the salary and travel by the
   State Board of Control for Vocational Education.

On motion of Mr. Brody, seconded by Miss Jones, it was voted to defer action on the above recom-
mandation until legislative appropriations for the next biennium are approved. The Board indicated
its interest in the project but in view of the fact that appropriations are pending before the
legislature it should not obligate itself until adequate funds to make it possible are assured.

6. Presentation of the following budget for the allocation of funds from Swift and Company for the
   Calendar year of 1945, one-half of it to be expended in the present fiscal year to June 30,
   and one-half of it in the period July 1 to December 31, 1945:

   Dairy Department
      Salary of J. M. Jenon: $3700
      Maintenance: $130
      Stenographer Salary: $750
   Agricultural Engineering
      Salary of E. G. McKibben: $1000
   Bacteriology
      1/2 of salary of Alfred Fortree: $600
      Maintenance: $400
   Total: $7500

On motion of Mr. Brody, seconded by Mr. Berkey, it was voted to approve the foregoing Additional
items, except item 5, on which action appears.

7. The Administrative Group, at its meeting on January 9, recommended that during the period
   under which conventions, trade shows, and the like are banned by the government of the United
   States, the College follow the following policy: Unless conferences or conventions are
   approved by the federal government, Michigan State College is opposed to staff attendance
   at these conferences and will not pay expenses to them.

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve item 7.

8. The question was raised, in view of the recent ruling of federal agencies banning conventions,
   conferences and trade shows, as to whether or not Farmers Week should be conducted as
   scheduled January 30-31 and February 1.

   After considerable discussion on motion of Mr. Akers, seconded by Mr. Brody, it was voted to in-
   struct Dean Anthony and Mr. Jenny to secure approval from the proper federal agencies before pro-
   ceeding, with the understanding that if such approval cannot be secured Farmers Week will not be
   held. Mr. Wopferson voted "no" on this item.

9. Recommendation from the Administrative Group that in the future Americans of Japanese ancestry
   be treated in the same manner as all other American citizens with reference to entrance as
   students, etc.

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve item 9.

10. A proposed contract with the Veterans Administration covering the use of facilities for counsel-
    ling and administering tests to veterans was presented.

On motion of Mr. Wopferson, seconded by Miss Jones, it was voted to approve this contract and to
    authorize the President and Secretary to execute the contract for the institution. A copy of the
    contract is on file in the Secretary's Office.

11. Mr. William Pearce, who conducted the annual audit, appeared before the Board to answer ques-
    tions and discuss the audit with the Board. Various questions were raised with him. The
    audit was accepted by the Board.

12. The President indicated for the information of the Board that one totally blind employee had
    been hired and others might be and asked if the Board disapproved of this policy since it
    carried with it an implied acceptance of the liability for injury while working. The Board
    approved hiring such persons during the present emergency.

13. The President made a short statement of the health and hospital insurance program and the con-
    fusion that has arisen due to the competing companies. The Board, at its meeting November 26th,

had approved the Michigan Hospital Benefit Plan of the American Hospital-Medical Benefit as the only company for which the College would make deductions for hospital and surgical insurance for new enrollees.

14. The President discussed the contemplated studies of organization and administration of the Extension Service, the Experiment Station and the School of Engineering.

15. The Secretary presented a report of the status of the requests made of the legislature for funds and a memorandum that had been prepared for the Governor was presented by the President. The Board approved the request for a change in formula in the measuring stick bill from .51 of a mill to .55 of a mill as its preference and as a means of adequate financing of the college program.

16. There was some discussion of the location of a possible dormitory or apartment house for married students and the Board indicated its approval of locating such building or buildings on the south side of Kalamazoo Street extending west from Harrison Road.

17. There was some discussion of the possible purchase of additional property needed to complete the campus block.

18. Professor Ben Euwema, Chairman of the Committee on the Study of Improvement of Teaching and Teaching Methods, met with the Board for luncheon and discussed the program of the Committee.

19. The President commented on the desirability of instituting at an early date an Institute for Rural Living with the hope that such a project might be partially financed by the Kellogg Foundation. This matter will be further considered at the next meeting of the Board and given further consideration.

The meeting adjourned at 3:50 P.M.
