On motion by Mr. Hartman, seconded by Mr. Merriman, it was unanimously voted to approve the investment recommendations.
Minutes of the Finance Committee Meeting, continued

February 19, 1971

2. Recommendation by Vice President Wilkinson:

At the October 16, 1970 meeting, the Board of Trustees accepted a gift of $15,000 from the Charles Fred Cowham Trust to be used in the field of animal pathology under the direction of Dr. C. C. Morrill, Chairman of the Department of Pathology.

In accordance with Dr. Morrill's request, I am now recommending that the $15,000 be invested in the Consolidated Investment Fund as a fund functioning as an endowment and that the income be used in the field of animal pathology. The annual income will be approximately $750.

On motion by Mr. Merriman, seconded by Mr. Stevens, it was unanimously voted to approve the above recommendation.

3. Communication from Vice President Wilkinson:

The Agricultural Experiment Station will receive an additional $2,438 from McIntire-Stennis funds for the 1970-71 fiscal year.

This is to request that these funds be matched with State funds and allocated for projects in the following areas:

<table>
<thead>
<tr>
<th>Resource Development</th>
<th>$3,000</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fisheries and Wildlife</td>
<td>400</td>
</tr>
<tr>
<td>Park and Recreation</td>
<td>400</td>
</tr>
<tr>
<td>Forestry</td>
<td>1,076</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td>$4,876</td>
</tr>
</tbody>
</table>

On motion by Mr. Stevens, seconded by Mrs. Carrigan, it was unanimously voted to approve the above request.

4. Communication from Vice President Wilkinson:

The Agricultural Experiment Station has been informed that the allocation from Hatch funds for fiscal year 1971 will be $1,337,408. This is an increase of $134,986 over the established budget.

It is understood that these funds will be expended as follows:

- $80,000 - Community and Rural Development program
- $54,986 - Restore budget cuts because of previously reduced State funds

This is to request that the Trustees acknowledge receipt of these funds and approve an allocation to Account 71-6200, the Agricultural Experiment Station salary account.

On motion by Mr. Hartman, seconded by Mr. Huff, it was unanimously voted to approve the above request.

5. Reports by Vice President Wilkinson:

a. The 25 shares of Dow Chemical Company stock, submitted on a gift and grant form dated January 7, 1971, as a gift to the MSU Development Fund from Mr. and Mrs. John A. Church, were sold on January 12, 1971 for a net amount of $1,817.79.

b. The 1 share of Trans World Airlines, Inc. stock submitted on a gift and grant form dated January 7, 1971, as a gift to the MSU Development Fund from James W. Rice, was sold on January 12, 1971 for a net amount of $135.08.

c. The 100 shares of A. O. Smith Corporation stock donated to Michigan State University through the Development Fund by Rosalind and Allan Marks were sold on January 4, 1971 for a net amount of $4,712.52.

d. The 9 shares of T. Rowe Price Growth Stock Fund, Inc. which was accepted by the Board of Trustees at the January 15, 1971 meeting as a gift from Mr. and Mrs. Truman O. Woodruff to the MSU Development Fund, were sold on December 21, 1970 for a net amount of $202.14. This gift was designated for the Physics Department.

On motion by Mr. Merriman, seconded by Mr. Stevens, it was unanimously voted to accept the above reports.

6. At the June 1970 meeting Vice President Wilkinson reported two pending items which related to the separation of Oakland University from Michigan State University. One included the contemporary construction loan from the Michigan National Bank in the amount of approximately $3,825,000. Michigan State University had placed cash in the form of certificates of deposit at Michigan National in order to guarantee this loan. It is now reported that on January 11 Oakland University received bonds for refinancing this loan, and the Trustees of Oakland University have accepted $5,000,000 Oakland University Housing Revenue Bonds at an interest rate of 7.1898%. This removes the requirement that Michigan State University have certificates of deposit at Michigan National in order to guarantee this loan.

Contemporary construction loan from Mich. Nat'l Bank refinanced by Oakland Univ.
Payment of Oakland Univ. $900,000 term loan completed

Report by V. P. Wilkinson and colleagues on financial conditions of Univ. housing program

Honorary degrees: Norman A. Borlaug, Clark Kerr, Ray Chamberlain, Lester Evans U Thant

Service charge on complimentary football tickets to be raised to $2.00 fall 1971

Minutes of the Finance Committee Meeting, continued

February 19, 1971

7. It was reported that Oakland University had a term loan in the amount of $900,000 due to Michigan State University. Vice President Wilkinson reported that $450,000 was previously received by Michigan State University to be applied against the above loan and that proceeds from the above sale have been forwarded from Oakland University to Michigan State University in order to complete the payment of this loan.

On motion by Mr. Huff, seconded by Mrs. Carrigan, the reports in items 6 and 7 were unanimously accepted.

8. Vice President Wilkinson, with assistance from Emery Foster, Assistant Vice President for Business Operations; Lyle Thorburn, Manager of Dormitories and Food Services; and Robert Underwood, Manager of Residence Halls, presented a report on the financial conditions of the total University housing program. This report indicated that although a large number of vacancies do exist in the residence halls this year, the University will be able to make its normal annual payments on these facilities.

Mr. Foster detailed for the Trustees a number of labor-saving changes that are being made in the residence halls during this current year. He indicated that other labor-saving changes will be made but assured the Trustees that the overall services to the students in the residence halls would not be compromised.

The Trustees complimented the management of the residence halls for the many innovative steps that have been taken to improve the efficiency of the residence halls program.

The five schedules that were given to the Trustees during this discussion are made a part of these minutes.

9. President Wharton recommended that an honorary degree be given to Dr. Norman A. Borlaug, 1970 Nobel Prize Winner, when he is on the campus May 11.

He further recommended that the following honorary degrees be awarded at the June 13, 1971 commencement:

- Speaker: Clark Kerr, Director, Carnegie Commission on Higher Education (Chancellor Emeritus of University of California)
- Alumnus: Ray Chamberlain, BA 1951, President, Colorado State University
- Scholar: Lester Evans, Executive Associate for Medical Affairs, Commonwealth Fund (Visiting Professor, MSU College of Human Medicine, 1965-1969)
- Public Life: U Thant, Secretary General, United Nations

On motion by Mr. Stevens, seconded by Dr. Martin, it was unanimously voted to approve the awarding of the honorary degrees as recommended.

10. Executive Vice President Breslin reported that the Athletic Council and the Executive Group recommend that effective fall 1971 the service charge on complimentary football tickets be raised from $1.00 to $2.00. He also reported that the University of Michigan is planning to do the same. Mr. Breslin reported that this is an informational item and did not need approval of the Trustees, but he indicated if there was strong opposition by the Trustees this would not be done. There was no registered opposition by the Trustees to this change.

Adjourned.
A. PERSONNEL CHANGES

February 19, 1971

Resignations and Terminations

1. Donald M. Lammers, Associate Professor of History, effective August 31, 1971, to join the faculty of the University of Waterloo, Ontario, Canada.

2. Arnold M. Paul, Professor of History, effective August 31, 1971, to attend law school to obtain a legal degree.

3. Mary Julia Swift, Specialist, Learning Systems Institute, effective December 31, 1970, as the job is completed.

4. R. Erik Zimmermann, Assistant Professor of Astronomy, effective August 31, 1971.

5. Norman C. Leeling, Assistant Professor of Entomology, effective August 31, 1971.

6. Willard M. Gersbacher, Research Associate in Physics, effective December 31, 1970, to accept another position.

10. Angela Elliston, Instructor in American Thought and Language, effective March 31, 1971, to return to graduate school.

11. Mary Ann Jack, Instructor in Humanities, effective August 31, 1971, to be married and resume graduate studies at the University of Chicago.

12. Lawrence A. Julius, Instructor in the Center for Laboratory Animal Resources, effective January 31, 1971, to accept a position in Ohio.

16. Carole J. Wrisley, Librarian in the Libraries, effective March 16, 1971, as she is moving to Kansas City, Missouri.

17. Lydia I. Hummel, Instructor and Assistant Director, Intramural Athletics, effective August 31, 1971, as she is moving out of the state.

Leaves-Sabbatical

1. Lynn S. Robertson, Jr., Professor of Crop and Soil Sciences, with full pay, from March 1, 1971 through August 31, 1971, to study in Taiwan.

2. Robert A. Merkel, Professor of Animal Husbandry and Food Science and Human Nutrition, with full pay, from April 1, 1971 through June 30, 1971, to study at Purdue University.

3. Robert H. Rough, Associate Professor of Art, with half pay, from September 1, 1971 through August 31, 1972, to study and travel in Tunisia and New York.

4. William W. Heist, Professor of English, with half pay, from September 1, 1971 through August 31, 1972, to accept a research fellowship.

5. Charles H. McDermid, Associate Professor of Music, with full pay, from April 1, 1971 through June 30, 1971, to study in East Lansing.

6. Charles J. McCracken, Assistant Professor of Philosophy, with half pay, from September 1, 1971 through August 31, 1972, to study in England.

7. Richard F. Gonzalez, Professor of Management, with full pay, from September 1, 1971 through December 31, 1971, to study and write in East Lansing.

8. Verling C. Trolldahl, Professor of Communication, with full pay, from January 1, 1972 through March 31, 1972, to study in East Lansing.

9. George A. Rough, III, Associate Professor of Journalism, with half pay, from September 1, 1971 through August 31, 1972, to study and travel abroad and in the United States.

10. J. Colby Lewis III, Professor of Television and Radio, with full pay, effective June 14, 1971 through December 31, 1971, to study in East Lansing.

5. Increase in salary for Fred C. Laitner, Staff Physician AP-X, Health Center, to $26,750 per year on a 12-month basis, effective December 1, 1970.

Academic Promotions

1. Change of title from Instructor to Assistant Professor of History for Jan de Vries, effective December 17, 1970.

2. Change of title from Instructor to Assistant Professor of Elementary and Special Education for Harley G. Roth, effective January 1, 1971.

Appointments

The Provost reports that faculty appointments on general funds have been scarce in the past few Board agendas. The somewhat larger number that appears below includes the following types:

a. Essential temporary appointments for spring term 1971 required for courses scheduled and for which funds remain after the recent budget reductions.

b. Appointments for 1971-72 academic year required for critical vacancies caused by resignations, retirements, or deaths.

c. Appointments in the two medical programs required for the additional year of training to which the State has made a firm commitment.

In addition there are the usual numbers of courtesy appointments in the medical programs and appointments on budgets other than University general funds.

1. James Walter Pelham, Extension Agricultural Agent in Barry County, at a salary of $14,000 per year on a 12-month basis, effective March 1, 1971.
Appointments, continued

February 19, 1971

2. Bachettiira Poovaiah, Research Associate in Horticulture, at a salary of $7,000 per year on a 12-month basis, effective February 15, 1971 through August 14, 1971.

Appointments, continued

83. Robert C. Ward, Clinical Instructor in Osteopathic Medicine, 8% time at a salary of $600 for the period January 1, 1971 through August 31, 1971.

84. Alphonse A. Yezbick, Clinical Instructor in Osteopathic Medicine, 5% time at a salary of $250 for the period January 1, 1971 through April 30, 1971.

85. Edward L. Hymes, Postdoctoral Fellow in Geography, at a salary of $71.92 per month on a 12-month basis, effective January 1, 1971 through December 31, 1971.

87. Ronald J. Peters, Instructor in Labor and Industrial Relations, at a salary of $5,000 for the period February 1, 1971 through June 30, 1971.

90. Kusum Nair, Visiting Lecturer in Social Science, at a salary of $18,000 per year on a 12-month basis, effective July 1, 1971 through June 30, 1972.

91. Robert C. Mills, Assistant Professor of Highway Traffic Safety Center and Secondary Education and Curriculum, at a salary of $15,000 per year on a 12-month basis, effective July 1, 1971.

On motion by Mr. Stevens, seconded by Mr. Merriman, it was unanimously voted to approve the resignations, Leaves, Transfers and Changes in Assignment, Salary Changes, Promotions, and Appointments.

Recommendations from the Director of Personnel

1. Reclassify an Office Assistant from a IX to a X position for the Cooperative Extension Service.

2. Reclassify a Senior Clerk Stenographer V to a Principal Clerk VI position for the Department of Crop and Soil Sciences.

3. For the Department of Horticulture:
   a. Establish a Research Technician VIII position
   b. Reclassify a Departmental Secretary V to a Principal Clerk VI position
   c. Transfer a Horticultural Research Center Manager from the Labor Payroll to an Administrative-Professional III position.

4. Reclassify an Administrative Secretary AP-I to an Administrative Assistant AP-II position for the Office of the Dean, College of Natural Science.

5. Reclassify a Biophysics Laboratory Supervisor from an XI to an AP-I position for the Department of Biophysics.

6. Reclassify a Senior Clerk IV to a Senior Clerk-Typist V position for the Department of Mathematics.

7. Establish an Office Assistant VII position for the Department of Physics.

8. Reclassify a Senior Accounting Clerk V to a Principal Clerk VI position for the MSU/AEC Plant Research Laboratory.

9. Reclassify a Histologic Technician from a VII to an VIII position for the College of Osteopathic Medicine.

10. Reclassify an Administrative Assistant from an AP-I to an AP-II position for the Office of the Dean, College of Social Science.

11. Reclassify a Service and Research Coordinator from an AP-II to an AP-III position for the Center for Laboratory Animal Resources.

12. Reclassify a half-time Admissions Counselor AP-I to a half-time Assistant Director AP-IV position for Admissions and Scholarships.

13. Reclassify an Executive Secretary VIII to an Administrative Secretary AP-I position for the Instructional Development Service.

14. For the Department of Public Safety:
   a. Reclassify 2 Lieutenant AP-VII to AP-VIII positions
   b. Reclassify an Office Manager from an AP-V to an AP-VII position
   c. Reclassify 5 Sergeants from AP-V to AP-VII positions.

15. Reclassify an Office Assistant from a VII to an VIII position for the Alumni Association.

16. Reclassify an Office Assistant from a X to an XI position for Intercollegiate Athletics.

17. Reclassify an Accountant from an AP-I to an AP-IV position for the Office of the Vice President for Business and Finance.

Motion was made by Mr. Merriman, seconded by Dr. Martin, to approve the Recommendations from the Director of Personnel. Unanimously approved.
Retirements

1. One-year consultantship with agreed-upon duties and responsibilities for C. Howard Church, Professor, Department of Art, from July 1, 1971 to June 30, 1972, and retirement effective July 1, 1972. The basic retirement salary will be $2,583 a year. Professor Church was born May 1, 1904 and has been a member of the faculty since September 1, 1945 and served as chairman of the Department of Art from September 1945 to December 1960.

2. One-year consultantship with agreed-upon duties and responsibilities for Russell B. Daubert, Assistant Professor, Department of Health, Physical Education and Recreation, from July 1, 1971 to June 30, 1972, and retirement effective July 1, 1972. The basic retirement salary will be $3,300 a year. Mr. Daubert was born September 25, 1903 and has been a member of the faculty since January 1, 1929.

3. Retirement of Mary Gephart Donnell, Professor, Department of Human Environment and Design, effective September 1, 1970 on the basis of 25 years of service to the University. The retirement salary of $2,335 a year is to be deferred until August 1, 1975. Mrs. Donnell was born July 23, 1913 and has been a member of the faculty since September 1, 1945. Through a misunderstanding, a resignation effective August 31, 1970 was processed for Dr. Donnell and reported to the Board of Trustees at its meeting April 17, 1970.

4. One-year consultantship with agreed-upon duties and responsibilities for Clara M. Laidlaw, Associate Professor, Department of English, from July 1, 1971 to June 30, 1972, and retirement effective July 1, 1972. The basic retirement salary will be $3,300 a year. Miss Laidlaw was born November 22, 1905 and has been a member of the faculty since September 1, 1946.

5. One-year consultantship with agreed-upon duties and responsibilities for Nora Landmark, Professor, Department of American Thought and Language, from July 1, 1971 to June 30, 1972, and retirement effective July 1, 1972. The basic retirement salary will be $2,150 a year. Miss Landmark was born September 13, 1909 and has been a member of the faculty since September 1, 1946. Since Miss Landmark has chosen to begin receiving retirement benefits on July 1, 1972, the retirement salary will be reduced on an actuarial basis to $1,840 a year.

6. Retirement of Marian N. Maher, Junior Librarian, Libraries, effective April 1, 1971 at a basic retirement salary of $1,435 a year. Mrs. Maher was born June 3, 1904 and has been employed by the University since March 13, 1956.

7. One-year consultantship with agreed-upon duties and responsibilities for Marvis Anne Richardson, Associate Professor, Department of Microbiology and Public Health, from October 1, 1971 to September 30, 1972, and retirement effective October 1, 1972. The basic retirement salary will be $3,300 a year. Miss Richardson was born September 18, 1910 and has been a member of the faculty since June 14, 1950. Since Miss Richardson has chosen to begin receiving retirement benefits on the first of the month after her 62nd birthday, the retirement salary will be reduced on an actuarial basis to $2,640 a year.

8. One-year consultantship with agreed-upon duties and responsibilities for Arthur J. M. Smith, Professor, Department of English, from July 1, 1971 to June 30, 1972, and retirement effective July 1, 1972. The basic retirement salary will be $3,300 a year. Professor Smith was born on November 8, 1902 and has been a member of the faculty since September 1, 1936.

Deaths

1. Report of the death of Roy A. Twichell, Field Foreman, Botany and Plant Pathology, on January 13, 1971. Mr. Twichell was born October 9, 1910 and had been employed by the University since April 25, 1955. It was recommended that his widow continue to receive his salary for one year beyond the date of his death, or until January 13, 1972.

2. Report of the death of Ruth M. VanDerJagt on January 17, 1971. Mrs. VanDerJagt was born April 6, 1911, was employed by the University on October 1, 1950, and was an Assistant Instructor in Business Law and Office Administration at the time of her retirement on July 1, 1969.

3. Report of the death of Charles D. Blend, Professor and Chairman, Department of Romance Languages, on February 14, 1971. Dr. Blend was born July 18, 1918 and had been employed by the University since June 1, 1966. It was recommended that his widow continue to receive his salary for 7 months beyond the date of his death, or until September 14, 1971.

On motion by Mrs. Carrigan, seconded by Dr. Martin, it was unanimously voted to approve the Retirements and the salary continuations as recommended.
B. GIFTS AND GRANTS

February 19, 1971

      $300 from W. R. and Carol Brink
      $100 from Gerald M. Finch, East Lansing
      $100 from Alvin A. Arens, Okemos
      $100 from Monte R. Story, Lansing
      $100 from Jack L. Otto, Groise Pointe Woods
      $100 from Frank D. Hollings, Kalamazoo
   b. For the Leroy G. Augenstein Memorial Fund Account:
      $10 from Dr. and Mrs. Corliss Arnold, East Lansing
      $100 from Curtis V. Main, Lansing
      $5 from Mr. and Mrs. Duane G. Leet, East Lansing
      $25 from Cesar Sastron, Shoreham, New York
      $50 from Mr. and Mrs. Ken L. Grist, Bensenbarg, New York
Gifts and Grants  

B. GIFTS AND GRANTS, continued  

February 19, 1971  

7. Grants to the MSU Development Fund, continued  

c. For the Community Committee for International Programs Scholarship Fund  
   Account:  
   $100 from J. Sutherland Frame, East Lansing  
   $25 from Mrs. Annabel Larzelere, East Lansing  
   $15 from Mrs. Theodore Ryan, Lansing  
   $125 from Hideya Kumata, East Lansing  
   $10 from Mrs. Earl C. Richardson, East Lansing  

d. For the College of Engineering:  
   $100 from D. J. Montgomery, Okemos  
   $100 from Robert Summitt, East Lansing  
   $100 from L. W. Von Tersch, Okemos  

e. For the Terrill D. Stevens Memorial Scholarship Fund:  
   $150 from Ada Stevens, Laguna Hills, Calif.  
   $100 from Frederick G. Wilson, Green Valley, Arizona  

f. For the Don O. Tatroe Family Memorial Fund:  
   $10 from Helen I. Davis, East Lansing  
   $15 from Okemos High School  
   $39.55 from Okemos High School students  

9. For the Community Committee for International Programs Scholarship Fund  
   Account:  
   $100 from J. Sutherland Frame, East Lansing  
   $25 from Mrs. Annabel Larzelere, East Lansing  
   $15 from Mrs. Theodore Ryan, Lansing  
   $125 from Hideya Kumata, East Lansing  
   $10 from Mrs. Earl C. Richardson, East Lansing  

8. Grant of $3,500 from the Michigan 4-H Foundation, East Lansing, to be used under the  
   direction of G. S. McIntyre in the Cooperative Extension Service for service to low  
   socio-economic families in Jackson County.  

9. Grant of $4,125 from Interlock Plastics, Incorporated, Flint, to be used under the  
   direction of George E. Merva in Agricultural Engineering to determine the effectiveness  
   of several types of inert, continuous yarn type materials for use as a filter for spiral  
   type plastic drains.  

10. Grant of $2,000 from the National Pickle Growers Association, Inc., St. Charles, Illinois,  
    to be used under the direction of B. F. Cargill in Agricultural Engineering to continue  
    research in cucumber mechanization.  

11. Grant of $1,000 from the Dow Chemical Company, Midland, to be used under the direction  
    of Jack Holland in Biochemistry as an unrestricted research grant.  

12. Grant of $33,077 from the National Institutes of Health, Bethesda, Maryland, to be used  
    under the direction of R. J. Evans in Biochemistry for lipid-protein binding in  
    lipoproteins.  

13. Grant of $31,893 from the National Institutes of Health, Bethesda, Maryland, to be used  
    under the direction of C. C. Sweeley in Biochemistry for support of mass spectrometry  
    facility.  

14. Grant of $15,310 from the National Science Foundation, Washington, D.C., to be used under  
    the direction of F. K. Kindel in Biochemistry for undergraduate research participation.
15. Grant of $30,000 from the National Science Foundation, Washington, D.C., to be used under the direction of C. C. Sweeley in Biochemistry for research on chemistry and metabolism of invertebrate lipids.

16. Grant of $12,000 from the U.S. Atomic Energy Commission, Chicago, Illinois, to be used under the direction of Willis A. Wood in Biochemistry for isotopic and related studies of microbial enzymes.

17. Grant of $676.15 from Great Lakes Hybrids, Inc., Ovid, to be used under the direction of E. C. Rossman in Crop and Soil Sciences to continue the present corn breeding research program.

18. Grant of $2,000 from Monsanto Company, St. Louis, Missouri, to be used under the direction of W. F. Meggitt in Crop and Soil Sciences to study the effect of growth regulating chemicals on the control of perennial weeds.

19. Grant of $4,200 from the Michigan Dairy Memorial and Scholarship Foundation, Lansing, to be used under the direction of D. L. Murray in Dairy for continuation of the grant for scholarships.

20. Grant of $3,000 from the William R. Angell Foundation, National Sporting Goods Association in cooperation with Sport Fishery Research Foundation, Washington, D.C., to be used under the direction of R. E. Johnson in Fisheries and Wildlife to study the toxicity of polychlorinated biphenyls and pesticides to salmon and trout.

21. Grant of $9,450 from Fats and Proteins Research Foundation, Inc., Des Plaines, Illinois, to be used under the direction of D. P. White and C. Schneider in Forestry to study growth characteristics of containerized forest planting stock.

22. Grant of $1,000 from General Mills Foundation, Minneapolis, Minnesota, to be used under the direction of R. F. Carlson in Horticulture for support of graduate programs in the department of Food Science and Human Nutrition for research on the removal of contaminants from industrial fats.

23. Grant of $50 from Hill Top Orchards and Nurseries, Inc., Hartford, to be used under the direction of A. L. Kenworthy in Horticulture to support graduate training of students from Africa, principally Ethiopia.

24. Grant of $1,500 from Pickle Packers International, Inc., St. Charles, Illinois, to be used under the direction of Clark Nicklow to support research on recommendations for obtaining maximum return for once-over mechanical harvesting of pickles in Michigan.

25. Grant of $1,500 from E. I. duPont de Nemours & Company, Wilmington, Delaware, to be used under the direction of D. C. Berthog in Horticulture to support present programs of applied and fundamental research relating to flower bulb forcing and post harvest physiology.

26. Grant of $933.33 from the Kalamazoo Spice Company, Kalamazoo, to be used under the direction of R. E. Johnson in Horticulture for education and dissemination of research results pertaining to scion/rootstock relationship of fruit trees.

27. Grant of $200 from Gerber Baby Foods Fund, Fremont, to be used under the direction of R. L. Andersen in Horticulture for travel expenses for fruit breeding research study trip to Europe.

28. Grant of $200 from the Michigan Canneries and Freezer Association, Inc., Shelby, to be used under the direction of R. L. Anderson in Horticulture for travel expenses for fruit breeding research study trip to Europe.

29. Grant of $50 from Hill Top Orchards and Nurseries, Inc., Hartford, to be used under the direction of R. E. Johnson in Horticulture to support present programs of applied and fundamental research relating to flower bulb forcing and post harvest physiology.

30. Grant of $10,000 from E. I. duPont de Nemours & Company, Wilmington, Delaware, to be used under the direction of D. C. Berthog in Horticulture to support on-going research on cucumber breeding.

31. Grant of $1,500 from Pickle Packers International, Inc., St. Charles, Illinois, to be used under the direction of L. R. Baker in Horticulture to support on-going research on cucumber breeding.

32. Grant of $5,000 from E. I. duPont de Nemours & Company, Wilmington, Delaware, to be used under the direction of John Carew in Horticulture as an unrestricted grant.
35. Grant of $750 from the St. Regis Paper Company, New York, N.Y., to be used under the direction of J. W. Goff in Packaging as an unrestricted grant.

36. Grant of $1,000 from the Michigan Foundation for Hospitality Education, Lansing, to be used under the direction of R. L. Blomstrom in Hotel, Restaurant and Institutional Management for the Lewis Hill and Ruth Angell Minor Student Loan Fund.

37. Grant of $200 from the Creamette Company Foundation, Inc., Minneapolis, Minnesota, to be used under the direction of John W. Allen in Marketing and Transportation Administration for administration of the program in Food Marketing Management.

38. Grant of $1,000 from the Michigan Foundation for Hospitality Education, Lansing, to be used under the direction of R. L. Blomstrom in Hotel, Restaurant and Institutional Management for the Lewis Hill and Ruth Angel1 Minor Student Loan Fund.

39. Grant of $200 from the Creamette Company-Foundation, Inc., Minneapolis, Minnesota, to be used under the direction of John W. Allen in Marketing and Transportation Administration for administration of the program in Food Marketing Management.

40. Grant of $41,100 from the U.S. Office of Education, Washington, D.C., to be used under the direction of W. B. Hawley in Education - Special Projects for a cooperative school-university clinically oriented program for training "TTT" and "TTT"

41. Grant of $2,000 from the American Association for Health, Physical Education and Recreation, Washington, D.C., to be used under the direction of J. W. Smith in Administration and Higher Education for supplies, equipment and services for the Outdoor Education Project.

42. Grant of $2,400 from the Federal City College, Washington, D.C., to be used under the direction of J. E. Jordan in Counseling, Personnel Services, and Educational Psychology for research on racial attitudes.

43. Grant of $9,000 from the Michigan Department of Education, Lansing, to be used under the direction of O. D. Meaders in Secondary Education and Curriculum for development of a teacher education program for teachers of agricultural business management in Michigan.

44. Grant of $2,000 from Babcock and Wilcox Company, New York, N.Y., to be used under the direction of L. W. Von Tersch in Engineering for equipment purchase.

45. Grant of $1,000 from the Humble Oil Education Foundation, Houston, Texas, to be used under the direction of L. W. Von Tersch and H. W. Scott in Engineering as an unrestricted grant. (This is part of a total grant of $3,500, with the remaining part for use by Geology in the amount of $2,500.)

46. Grant of $11,000 from MERIT, Incorporated, Detroit, to be used under the direction of Julian Kateley in the Computer Laboratory as part of NICIS-MERIT three-university computer development.

47. Grant of $104,244 from the National Institutes of Health, Bethesda, Maryland, to be used under the direction of A. D. Hunt, Jr. in the Dean's Office, College of Human Medicine as a general research support grant.

48. Grant of $48,840 from the National Institutes of Health, Bethesda, Maryland, to be used under the direction of Rexford Carrow in Anatomy to study the structure and function of skeletal muscle as mediated by various forms of physical activity.

49. Grant of $31,056 from the National Institutes of Health, Washington, D.C., to be used under the direction of J. I. Johnson in Biophysics to study the development of afferent neural centers.

50. Grant of $5,000 from the National Institutes of Health, Bethesda, Maryland, to be used under the direction of D. H. Bing in Microbiology and Public Health to study the specificity of serum complement proteins.
55. Grant of $16,500 from the Elsa U. Pardee Foundation, Midland, to be used under the direction of L. F. Velicer in Microbiology and Public Health for studying proteins in cells infected with cancer-related viruses.

56. Grant of $9,580 from the Kidney Foundation of Michigan, Ann Arbor, to be used under the direction of C. C. Chou in Physiology to study the effects of diagnostic and diuretic agents of different osmolarities on renal blood flow and function.

57. Grant of $22,383 from the National Institutes of Health to be used under the direction of S. R. Heisey in Physiology for a research career program development award.

58. Grant of $19,488 from the National Institutes of Health to be used under the direction of T. E. Emerson in Physiology to study the effect of vasoactive agents on venous return.

59. Grant of $95,926 from the Bureau of Health Manpower Education, National Institutes of Health, Bethesda, Maryland, to be used under the direction of Hilliard Jason in Medical Education Research and Development to develop methods for systematic study of inquiry process in medicine.

60. Grant of $4,900 from the Kennecott Copper Corporation, Houston, Texas, to be used under the direction of H. S. Potter and W. J. Hooker in Botany and Plant Pathology for aerial application and fungicide redistribution studies.

61. Grant of $300 from the Mallinckrodt Chemical Company, St. Louis, Missouri, to be used under the direction of J. M. Vargas, Jr., in Botany and Plant Pathology to evaluate three fungicides for control of snow mold.

62. Grant of $47,000 from the National Science Foundation, Washington, D.C., to be used under the direction of R. P. Schelker in Botany and Plant Pathology for determinants of pathogenicity from plant-infecting fungi: identification and effects on susceptible and resistant tissue.

63. Grant of $30,000 from the Atomic Energy Commission, Washington, D.C., to be used under the direction of H. A. Rich in Chemistry for an investigation of lanthanide boron, carbon, nitrogen, silicon, chalcogenide and halide systems at elevated temperatures.

64. Grant of $2,500 from the Dow Chemical Company, Midland, to be used under the direction of J. E. Kinsinger in Chemistry as an unrestricted grant.

65. Grant of $5,000 from E. I. duPont de Nemours & Company, Wilmington, Delaware, to be used under the direction of J. E. Kinsinger in Chemistry as an unrestricted grant.

66. Grant of $4,600 from the National Institutes of General Medical Sciences, Bethesda, Maryland, to be used under the direction of J. E. Kinsinger in Chemistry for a research fellowship award.

67. Grant of $39,963 from the National Institutes of Health, Bethesda, Maryland, to be used under the direction of G. J. Karabatsos for investigations in stereochemistry.

68. Grant of $29,303 from the National Institutes of Health, Bethesda, Maryland, to be used under the direction of A. I. Popov in Chemistry for research on the physico-chemical properties of convulsant tetrazoles.

69. Grant of $10,630 from the National Science Foundation, Washington, D.C., to be used under the direction of T. J. Pinnavaia and J. E. Kinsinger in Chemistry for undergraduate research participation.

70. Grant of $37,600 from the National Science Foundation, Washington, D.C., to be used under the direction of A. I. Popov in Chemistry for research on solvation and complexation reactions in solutions.

71. Grant of $50,000 from the Department of the Navy, Washington, D.C., to be used under the direction of G. E. Leroi in Chemistry for spectroscopic studies in the far infrared interaction of high energy light with matter.

72. Grant of $1,000 from the Chevron Oil Company, New Orleans, Louisiana, to be used under the direction of H. W. Scott in Geology for scholarship assistance and departmental use.

73. Grant of $2,500 from the Humble Oil Education Foundation, Houston, Texas, to be used under the direction of L. Von Tersch and R. W. Scott in Geology as an unrestricted grant. (This is part of a total grant of $3,500, with the remaining part for use by Engineering in the amount of $1,000.)

74. Grant of $1,000 from the U.S. Department of the Interior, Washington, D.C., to be used under the direction of W. J. Hinze for aeromagnetic maps of the southern peninsula of Michigan.

75. Grant of $18,790 from the National Science Foundation, Washington, D.C., to be used under the direction of J. C. Kurtz in Mathematics for undergraduate research.

On motion by Mr. Merriman, seconded by Mrs. Carrigan, it was unanimously voted to accept the Gifts and Grants.
C. OTHER ITEMS FOR ACTION

February 19, 1971

1. Recommendations from the Brookover Committee on Antidiscrimination Policy and Procedures.

At the November 20, 1970 Board meeting there was discussion of the University's antidiscrimination policy and of an amendment proposed by Trustee Huff. His proposal was referred to the Brookover Committee for a recommendation.

A report has been submitted by Chairman Brookover, together with the committee's suggested wording of an amendment accomplishing the objectives of the Huff proposal. This wording is satisfactory to Vice President Perrin and to President Wharton.

Resolution a. The following paragraph be included in the Brookover Report as Article III.C.3. and the subsequent paragraphs of Article III.C. be renumbered 4/ 5/ 6, 7, and 8.

Any person or persons having knowledge of prohibited discrimination, but without a personal grievance, shall have the right to file a complaint with the Committee Against Discrimination reciting the facts of such alleged discrimination and requesting corrective action in the same manner as a person aggrieved. Such complainants shall have the same right as an aggrieved person to appeal to the Antidiscrimination Judicial Board in the same manner as provided in Article IV.C.1 of this document.

Resolution b. The Committee on Antidiscrimination Policy and Procedures be dissolved, effective immediately.

On motion by Mr. Huff, seconded by Mrs. Carrigan, it was unanimously voted to amend the antidiscrimination policy as recommended and to dismiss with thanks the Committee on Antidiscrimination Policy and Procedures.

Trustee Huff reiterated the concerns he expressed at the November 1970 Board meeting regarding the loss of the sense of urgency for eliminating discrimination at the University. He asked that the office of Equal Opportunity Programs give special attention to the problem of discrimination against women. Vice President Perrin explained that the Committee Against Discrimination had decided it would deal with the matter of discrimination on the basis of sex rather than create a task force to handle this problem. Mr. Perrin also stated that there has been considerable action in terms of the Affirmative Action Plan which related to minority hiring, as well as the appointment of women.

2. Health Center Medical Staff Bylaws

Vice President M. B. Dickerson recommended approval of the following addition to the Health Center medical staff bylaws to meet the specific recommendations of the national accrediting body. These bylaws have already received the approval of the medical staff executive committee.

ACCREDITATION COMMITTEE

The Accreditation Committee shall consist of two members of the active medical staff and the administrator or his designated representative. The Medical Executive Committee shall appoint a member of the active medical staff to serve as chairman of the committee for a specified period of time. The committee shall meet at least twice a year and shall specifically review recommendations submitted by the Joint Commission on Accreditation of Hospitals. The Accreditation Committee shall submit periodic progress reports to the entire medical staff membership.

The Accreditation Committee will make appropriate recommendations to the Medical Executive Committee regarding current requirements for accreditation. The Committee shall be responsible for all arrangements during the accreditation survey and shall participate in all accreditation critiques.

Motion was made by Mr. Huff, seconded by Mrs. Carrigan, to approve the above recommendation. Unanimously carried.

3. Department of Surgery, College of Human Medicine

Dean Hunt has asked that a Department of Surgery be established in the College of Human Medicine, effective June 1, 1971. The Office of the Provost submitted this to the Board of Trustees with a favorable recommendation from the Administration.

A recommendation for the appointment of Dr. Edward Coppola as chairman of this new clinical department was submitted as a separate item in the agenda for this meeting.

On motion by Mr. Merriman, seconded by Mr. Huff, it was unanimously voted to approve the above recommendation.
4. Department of Dairy Science

A proposed name change for the Department of Dairy was unanimously supported by its faculty and was recommended by the Dean of Agriculture and Natural Resources. The department's rationale is as follows:

"The primary objective in requesting this name change is the inclusion of the word 'Science' in the title. It would appear to us that the word 'Science' in the title projects a truer image of the function of the department than the present title of just Dairy. Programs within the department in the past several years have definitely become more science oriented and we expect this trend to continue while maintaining a blend of science and practical application.

The incorporation of 'Science' in the title would also be in line with developments at other institutions. Most Dairy and Animal departments carry 'Science' in their titles. Internally I doubt if this name change is very important, but we feel the new name will project better to students here at MSU and potential graduate students at universities across the country."

On motion by Mr. Huff, seconded by Mr. Merriman, it was voted to change the name of the Department of Dairy to the Department of Dairy Science, effective July 1, 1971.

5. University Committee on Faculty Affairs and Faculty Compensation

The Administration recommended to the Board that the following amendment to the Faculty Bylaws be approved. It is a modified version of the earlier language that was approved by the Academic Council and Academic Senate but was not acceptable to the Board. This new language was worked out in consultation with the Vice President for Business and Finance, the Office of the Provost, the Faculty Affairs Committee, and representatives of the faculty. This amended version came to the Board following approval by the Academic Council and the Academic Senate and with a recommendation for its approval by the Board from the Administration.

5.4.3. University Committee on Faculty Affairs and Faculty Compensation

5.4.3.1. The voting membership of the Committee on Faculty Affairs and Faculty Compensation shall consist of its elected faculty members. The Provost shall serve as an ex officio non-voting member. Additional ex officio non-voting members, and consultants from the faculty, may be included at the discretion of the Committee.

5.4.3.2. The Committee shall be charged with the following responsibilities:

5.4.3.2.1. Studying and making recommendations with respect to the level and structure of faculty salaries and other forms of compensation.

5.4.3.2.2. Making annual recommendations for adjustments in salaries and other economic benefits, with a view toward improving the economic status of the Michigan State University faculty.

5.4.3.2.3. The Committee shall conduct a continuing review and make appropriate recommendations of all policies relating to faculty rights and responsibilities. No recommendations relating to faculty rights and responsibilities shall be considered by the Academic Council without prior review of the University Committee on Faculty Affairs and Faculty Compensation and the approval of the Elected Faculty Council.

5.4.3.2.4. Studying and making recommendations with respect to personnel policies relating to faculty (excluding tenure). Illustrative areas are promotion, leaves, outside work for pay, military service, participation in partisan politics, physical examinations, health services, faculty publications, faculty evaluation, retirement, and faculty housing.

5.4.3.2.5. Developing and recommending procedures for equitable adjudication of individual faculty grievances concerning salaries, benefits, and personnel policies.

5.4.3.3. The Office of the Provost shall consult with the Committee during the process of formulating the University's annual budget request to the state of Michigan, and during the process of designing, planning, and subject within the responsibilities of the Committee. Consultation shall be understood to mean providing an adequate and timely opportunity for the expression of the views of the Committee, consideration of these views by the Provost, and the provision of information to the Committee on any actions taken on matters which have been discussed with the Committee.
C. OTHER ITEMS FOR ACTION, continued

5. University Committee on Faculty Affairs and Faculty Compensation, continued

5.4.3.4. The Committee shall report and make recommendations to closed meetings of the Elected Faculty Council, to be convened each year on dates which will allow sufficient time to influence the formulation of the University academic budget request and adjustments in salaries and other economic and fringe benefits. These reports shall be in addition to the reports required of all standing committees (5.2.4. - 5.2.4.1.).

RELATED AMENDMENT

5.2.5.1. The chairman of the University Committee on Faculty Affairs and Faculty Compensation shall be chosen by the voting faculty of the University according to the pattern provided in Section 4.5.1. for the election of the Steering Committee (except that the Elected Faculty Council, instead of the Academic Council, shall select two of the nominees and shall fill by appointment a vacancy occurring during a term of office). The chairman of this committee shall serve as a voting member of the committee in addition to his college's other representative. He shall be elected at the same time as the Steering Committee, shall take office on July 1, and shall be eligible for no more than two consecutive terms of two years each. The Chairman of the University Committee on Faculty Affairs and Faculty Compensation shall be a voting member of the Elected Faculty Council.

Motion was made by Mr. Hartman, seconded by Dr. Martin, to approve the above recommendation. Trustees Carrigan, Hartman, Martin, and Stevens voted "Yes," Trustees Huff, Merriman, and White voted "No." Motion carried.

6. University Committee on Buildings, Lands, and Planning

The following amendment to the Faculty Bylaws adds a committee that will be advisory to the President on various aspects of buildings and land use. This advice will not be binding on the Administration nor the Board and this amendment comes to the Board after approval of the Academic Council and the Academic Senate. It had been reviewed by the Executive Group and came with a recommendation for Board approval by the Administration.

5.4.12. University Committee on Building, Lands, and Planning

5.4.12.1. The voting membership of the Committee on Building, Lands, and Planning shall consist of its elected faculty members, three undergraduate students, one graduate student, and two student members-at-large. The Executive Vice President, the Director of Campus Park and Planning, the Director of Space Utilization, and the University Architect shall serve ex officio without vote. Additional ex officio non-voting members may be added at the discretion of the committee.

5.4.12.2. The committee shall be charged with the following specific responsibilities:

5.4.12.2.1. Studying and making recommendations with respect to building priorities on University property.

5.4.12.2.2. Studying and making recommendations with respect to proposals for land utilization on University property.

5.4.12.2.3. Studying and making recommendations with respect to the ecological implications of land utilization and building proposals.

5.4.12.2.4. Studying and making recommendations with respect to traffic planning.

5.4.12.2.5. Studying and making recommendations on the appearance and location of the buildings with respect to both functional and aesthetic criteria.

5.4.12.2.6. Advising the President of the University concerning the financing, location and appearance of physical facilities on University property, and informing the Academic Council of its recommendations.

On motion by Mr. Stevens, seconded by Mrs. Carrigan, it was voted to approve the above amendment to the Faculty Bylaws with the understanding that the advice of the Committee on Building, Lands, and Planning will not be binding on the administration nor the Board. Trustees Carrigan, Martin, Stevens, and White voted "Yes," Trustees Hartman, Huff, and Merriman voted "No."
7. Recognition of MSU Supervisor's Association

Recommendation from the Director of Personnel that the Board of Trustees give official recognition to the MSU Supervisor's Association to represent labor payroll supervisory employees in Dormitories and Food Services and Physical Plant. The Association has submitted signed cards for 80 of the 118 supervisors in Dormitories and Food Services and 10 out of the 18 supervisors in Physical Plant. Recognition is to be granted only to the extent as to allow the payroll deduction of Association membership dues, to develop a hearing procedure and to meet with appropriate members of the personnel office to discuss areas and problems of mutual interest.

On motion by Mr. White, seconded by Mr. Huff, it was unanimously voted to grant recognition to the MSU Supervisor's Association to represent labor payroll supervisory employees in Dormitories and Food Services and Physical Plant.

8. Guidelines for Campus-Wide Housing Plan

The Board of Trustees at their September 1970 meeting directed the Vice President for Student Affairs to develop a campus-wide housing plan including a wider array of housing options than those currently available. The plan was to be based upon the preferences expressed in the parent/student survey of the summer 1970. The proposal for the "development of various types of living patterns" included the proviso that the final plans should be submitted to the Trustees for approval. (This resolution was a separate one from the Snyder-Phillips resolution.)

Since that date, a housing options committee has been meeting regularly in an attempt to develop such a campus-wide plan. Their work has been somewhat complicated by the action of the Board on November 20, 1970 reversing the September 1970 Snyder-Phillips proposal. Both the committee and central administration are uncertain as to which of the various possible options are now acceptable.

In an attempt to determine the general guidelines which the committee should follow, a document has been prepared which attempts to specify the various basic guidelines in various areas such as visitation, occupancy patterns, physical arrangement, and quiet. It would be extremely helpful to the committee if the Trustees were to indicate their preferences regarding these choices.

Variable Living Options
Michigan State University Residence Halls

Introduction

On October 21, 1970, a housing options committee consisting of four students and four staff members was established and charged with the responsibility of developing a campus-wide plan whereby various living options might be implemented for the coming year. In the course of its deliberations it became apparent to the committee that the development of an all-campus plan must, necessarily, rest upon the acceptance or rejection of the following basic principles or guidelines.

Basic Guidelines

1. Students' needs and desires differ with respect to the kinds of housing environments in which they would like to live. These needs and desires exist with respect to both on- and off-campus housing.

2. The University should, insofar as physically and economically possible, provide on-campus housing environments to meet these various needs.

3. Once housing environments have been established to meet these needs, the student's choice of his preferred environment is, in large part, a matter for him and his parents to decide.

4. These aspects of environment can be grouped into four basic categories: visitation, occupancy patterns, physical and contractual arrangements, and ensured quiet and privacy. Various combinations of all four categories should be made available to students.

Possible Options

(Items which are starred are new - all others currently exist.)

Visitation

a. Living space in which no members of the opposite sex are permitted after closing hours (midnight weekdays, 1:00 a.m., Friday and Saturday).

b. Living space in which members of the opposite sex are permitted after closing hours, but only with an escort.

c. Living space in which members of the opposite sex are permitted at any time.

*wd. Living space in which no members of the opposite sex are permitted at any time.
8. Campus-Wide Housing Plan, continued

Occupancy patterns

a. Living space in which there are entire halls of one sex.

b. Living space in which there are alternating floors or wings of members of the opposite sex.

c. Living space in which men or women occupy alternating rooms, apartments, or suites (this option currently exists for graduate students in Owen Graduate Center, on two floors). Such space shall not be available to freshmen; it shall be available to students over 21 and to those under 21 with parental consent.

Physical and contractual arrangements

a. Living space which provides for single rooms, shared rooms, and apartments of one gender.

b. Living space for which there are optional board contracts.

c. Living space which may relate to residential colleges or other specified academic interest areas.

Privacy and quiet

a. Living space in which there is ensured privacy.

b. Living space in which several options of quiet hours can be assured.

Principles of Implementation

5. Depending on student interest, physical facilities, and the ability to reasonably assure the types of environments once they are selected by the student, various combinations of the above living environments will be offered:

a. within the individual hall
b. on an all hall basis, and

c. of a residence hall complex basis.

6. Once an area is set aside for a particular type of environment, it shall remain as such for the remainder of the school year. Students whose behavior is inconsistent with the expectations as they relate to the established environmental standards shall be reassigned.

Motion was made by Mr. Stevens that the Office of Student Affairs proceed with all reasonable speed to develop a comprehensive campus-wide plan using the six Basic Guidelines above as a method of proceeding with this plan, and come back as soon as possible with the plans to the Board. Motion supported by Mr. Hartman.

In the discussion that followed, Mr. Merriman moved that section c under Occupancy Patterns be deleted. Motion seconded by Mr. White.

In support of Mr. Stevens' motion, Mrs. Carrigan stated she felt the University needed not only to consider the preferences of students and their parents as reflected in the housing survey, but also the evidence available to support or refute fears that have been expressed. She noted that at Stanford, where alternate living arrangements are permitted, the fears pertaining to morals were not materializing.

Mr. Huff responded that he was not concerned with the morals of the proposal but with the loss of public support for the University's financial needs. He also stated that as an elected public official he does not feel he has an obligation to provide on-campus options to meet the various needs the students express, nor does he feel that the state of Michigan has to respond to that expressed desire.

Trustee Carrigan mentioned the programs that many dormitories are developing which tie their students and their students' living arrangements very closely with the educational programs.

Mr. Merriman indicated support for some of Mr. Huff's thoughts. He stated that the Trustees have a responsibility to the voters of Michigan and that it was clear that many citizens were not supportive of section c. At a time when the University should develop greater public understanding regarding the need for financial resources, he felt the Trustees should take actions which express the wishes of the people. For this reason he indicated he would oppose section c under the Occupancy Patterns.

The vote on Mr. Merriman's motion to delete section c under Occupancy Patterns was as follows: Yes - Trustees Huff, Merriman, White; No - Trustees Carrigan, Hartman, Martin, and Stevens. Motion failed.
8. Campus-wide Housing Plan, continued

Principles of Implementation, continued

President Wharton pointed out that Trustee Thompson was absent and since the campus-wide housing plan would probably have to come back to the Trustees, the Board would again discuss this issue. Trustee Stevens stated: "On that, I say we proceed as I said with all reasonable speed to come up with a recommendation and we vote it up or down."

President Wharton pointed out that whatever plan does come back on this particular issue will face a split vote.

Trustee Carrigan asked if this meant that because a Trustee was absent another vote would have to be taken.

Mr. Huff answered that what had been approved was only guidelines and that the committee would have to return to the Board with a plan for student occupancy.

Trustee Stevens stated that his motion was for the committee to come back with a plan.

On Mr. Stevem's original motion Trustees Carrigan, Hartman, Martin, and Stevems voted "Yes," and Trustees Huff, Merriman, and White voted "No." Motion carried.

9. Proposal to waive application fees for economically disadvantaged students

Michigan State University has traditionally been committed to meeting the financial needs of the disadvantaged students. One area of recurring difficulty for such students is the University's application fee. Although it might appear modest, the sum of $10 is frequently a significant deterrent to the student from a low income background. We believe that Michigan State University should adopt a policy and procedure which would allow us to waive the $10 application fee for the most needy students. We are therefore recommending that effective immediately the $10 application processing fee be waived for all students whose family incomes indicate "total need" as defined by the College Scholarship Service's statistical studies.

All families requesting waiver of this fee will be given a card for submission with their application to MSU in lieu of the customary $10 fee. MSU admissions processors will evaluate items 2 and 4 on the basis of the following chart. If the family income falls within the waiver guidelines, the card should be stamped "Approved" and the application processed as paid.

APPLICATION FORM FOR REQUESTING A WAIVER OF THE MSU APPLICATION FEE

IF YOU FEEL YOU ARE FINANCIALLY UNABLE TO SUBMIT THE $10.00 APPLICATION PROCESSING FEE TO ACCOMPANY YOUR APPLICATION FOR ADMISSION, PLEASE COMPLETE THIS CARD AND ATTACH IT TO YOUR APPLICATION.

Student's Name 

1. Our total family income for 1970 was $. 

2. We estimate our total family income for 1971 will be $. 

3. We plan to claim dependents (including myself) on our 1971 tax report. 

4. We plan to claim dependent children on our 1971 tax report. 

IF YOU DO NOT MEET OUR REQUIREMENTS FOR A WAIVER OF THE $10.00 APPLICATION FEE, YOU WILL BE BILLED FOR THIS AMOUNT WITHIN 30 DAYS AND YOUR APPLICATION WILL BE HELD UNTIL WE RECEIVE YOUR PAYMENT.

Parent's Signature Date

Motion was made by Mr. Huff, seconded by Dr. Martin, to approve the above proposal. Unanimously carried.
10. Change in student travel regulations for field trips

The President and Provost recommended that the Board of Trustees approve the following change in travel regulations for student field trips. This recommendation has been approved by the Educational Policies Committee and the Faculty Travel Committee. It removes the word "Voluntary" from the Travel Regulations and the Academic Handbook since in order to receive credit in several courses there are required field trips and their cost must be borne by the students. The new language clarifies this.

Delete from page 17 in the Academic Handbook the statement:

"Student participation is on a voluntary basis and the cost thereof must be borne by participating students."

And insert in its place:

"The cost of field trips which are part of organized courses of instruction must be borne by the participating students and are additional to the usual course fees."

On motion by Mr. Huff, seconded by Mr. Merriman, it was unanimously voted to approve the change in travel regulations for student field trips as recommended.

D. OTHER ITEMS FOR INFORMATION AND DISCUSSION

1. Incorporation of State News and Amendment to Article 6 of the Academic Freedom Report

At the June 19, 1970 meeting of the Board of Trustees, a recommendation was made for the separate incorporation of the State News and the approval of an amendment to Article 6 "Student Publications" of the Academic Freedom Report. After considerable discussion, this item was tabled for further study.

In view of the inquiries by Trustees at the January 15, 1971 meeting regarding the status of the proposed incorporation, further study has been made by the ad hoc committee (Appendix A)* and we are prepared to proceed with a recommendation for appropriate action. However, in view of the lapse of time since the matter was previously discussed, we are presenting the item for information and discussion rather than for action.

The President is prepared to recommend that the Board of Trustees:

a) authorize him, Executive Vice President and Secretary, and the Vice President for Business and Finance and Treasurer to execute the proposed Articles incorporating the State News as a non-profit entity (Appendices C and D)*

b) authorize transfer of the sum of $100,000.00 from the State News account to the depository designed by the corporation;

c) retain the balance remaining in the State News account as a contribution toward air conditioning the Student Services building at some later date;

d) empower the corporation to collect the outstanding receivables;

e) assign to the corporation the outstanding payables;

f) grant to the corporation a leasehold indenture covering the space now used by the State News on the third floor of the Student Services building;

After considerable discussion, this item was tabled for further study.

Further, in order to incorporate the State News, the Board will also be asked to approve a revision of Article 6 of the Academic Freedom Report (see below) which pertains to student publications. The proposed revision is the product of many months of work by a number of groups within the university. It has been approved by the Academic Council and the other appropriate bodies. It also has the endorsement of the State News. The President is prepared to recommend the revised version of Article 6 for approval by the Board.

Attorney Carr stated that he could see no disadvantages in the incorporation of the State News and that such incorporation would (1) handle the matter of the freedom of the News to act as it feels it should without the hand of the Board directly on it, and (2) insulate the Board from the possibility of liability that could attend the present status of the State News. In response to the Trustees' questions, Mr. Carr also stated that subsequent referendums could be held whenever dissatisfaction with the prevailing tax seemed evident; that from a liability standpoint the University would be in a better
1. Incorporation of State News and amendment to Article 6 of the Academic Freedom Report, continued

Incorporation of State News

position if the State News were incorporated than it is under the present system; that financial liabilities would not inure to the Board of Trustees; and that while it would be possible for the Board of Trustees to collapse the corporation, this would be difficult to accomplish.

Motion was made by Mr. White, seconded by Mr. Hartman, to approve the incorporation of the State News, to be effective July 1, 1971, as recommended. Motion carried, with Trustees Carrigan, Hartman, Stevens, and White voting "Yes," and Trustee Merriman voting "No." Trustees Martin and Huff were not in the room at the time the vote was taken.

Motion was made by Mr. Stevens, seconded by Mrs. Carrigan, to amend Article 6 of the Academic Freedom Report, effective July 1, 1971, as recommended. Unanimously carried.

The revised Article 6 follows.

Article 6

Student and University Publications

6.1 Student publications are publications in which Michigan State University students have been involved, at least in part, in writing and publishing and distributing, namely,

a. Publications of student living units and governing groups;
b. Publications of MSU registered student organizations and MSU student groups.

6.2 Students and student groups shall have maximum freedom to express opinions and communicate ideas by writing, publishing, and distributing student publications.

6.3 The following guidelines governing student and university publications are established:

6.3.1 The University shall not sponsor any student publication.

6.3.2 Administrative units of the University or of its colleges, institutes or departments, may authorize funds for and assume sponsorship of publications germane to that administrative unit. Such publications, such as the Wolverine, are designated as University Publications. Full freedom of content and editorial policy is guaranteed to all such publications subject only to the advice and counsel of the administrator or administrative unit responsible. Such a policy shall be assured regardless of whether students are involved in publication.

6.3.3 The University shall neither authorize nor prohibit the solicitation of advertising by any student or university publication.

6.3.4 Responsibility for all content, finance, distribution and staffing shall lie with the sponsoring agency, group or organization.

6.3.5 Every student and university publication shall identify the sponsoring agency group or organization.

6.3.6 Distribution of student and university publications.

6.3.6.1 The following guidelines shall apply to all publications whether distributed free or for sale.

6.3.6.2 Regulations governing distribution of publications shall apply equally to all publications.

6.3.6.3 No door-to-door solicitations for sale shall be permitted in organized living units on the campus without permission from the proper governing authority of the living unit. Permission must be granted in accordance with provision 6.3.6.2 above.

6.3.6.4 In accordance with provision 6.3.6.2 above, each on-campus living unit shall decide what policies shall be formulated for distribution of publications within that living unit.

6.3.6.5 For buildings other than organized living units, the Secretary of the University and the Student Board of ASMSU, after consultation with the administrative, faculty, and student occupants of the building, shall determine, in accordance with provision 6.3.6.2 above, the designated places of distribution of publications.

6.3.6.6 Distribution in living units, classroom and office buildings shall be limited to those places established in points 6.3.6.3, 6.3.6.4, and 6.3.6.5 above. Hand-to-hand distribution shall be permitted in all campus buildings, subject only to such limitations as are necessary to prevent interference with scheduled University activities.
1. Incorporation of State News and amendment to Article 6 of the Academic Freedom Report, continued

6.3.6.7 Distribution shall be permitted outside campus buildings, subject only to such limitations as are necessary to prevent interference with the use of streets, sidewalks, and building entrances.

6.3.6.8 The offices of the Secretary of the University and ASMSU shall keep available for inspection an up-to-date list of places of distribution within campus buildings.

6.3.7 Any regulations necessary to implement these guidelines shall be developed according to the procedures described in Article 5.

2. Discussion of Trustee Carrigan's memorandum of January 14, 1971

Trustee Carrigan distributed to the Trustees a revision of her original proposal and suggested that it be studied between now and the March Board meeting, when it would be placed on the agenda for discussion. Mr. Merriman suggested that the proposal be discussed in an executive session of the Board.

Following discussion motion was made by Trustee Stevens, seconded by Trustee Carrigan, to discuss Mrs. Carrigan's proposal in a public meeting. Motion carried, Trustees Carrigan, Martin, Stevens, and White voting "Yes," and Trustees Hartman, and Merriman voting "No."

3. Attorney Carr, in a memorandum to the Trustees dated January 6, 1971 regarding "Renewal or Nonrenewal of Faculty Appointments," recommended that the President and Provost designate a University committee to implement the policy expressed by the guidelines propounded by the AAUP Committee on Academic Freedom and Tenure. These guidelines are: first, that precise terms and conditions of employment should be reduced to writing and delivered to a prospective teacher before appointment becomes finalized; second, that probationary teachers should be early informed of the substantive and procedural standards to be followed in determining reappointment and/or granting of tenure; third, that recommendations regarding renewal of appointment or granting of tenure should be reached by faculty groups under procedures promulgated by and approved through the faculty; fourth, that a probationary teacher should be notified whenever a decision affecting his status is in contemplation and afforded the opportunity to submit material in writing that he considers relevant to such decision; fifth, that in every case of nonreappointment, probationary teachers must be given written notice thereof and offered reasons therefor, which must be delivered orally or in writing at the option of the teacher.

Motion was made by Mr. Stevens, seconded by Dr. Martin to approve Attorney Carr's recommendation. Provost Cantlon reported that the Tenure Committee is now reviewing all departmental bylaws and would submit to the Trustees a report along the lines of Attorney Carr's recommendation. Trustee Stevens included in his motion a request that this report be submitted in April 1971. Motion unanimously carried.

4. A proposal for student membership on the Board of Trustees was discussed at the November 15, 1970 informal meeting of the Trustees, and Harold Buckner, Chairman of ASMSU, asked that the following revised proposal be considered.

A. There shall be three students who will sit ex-officio on the Board as non-voting members, but who shall have access to all information, privileges and responsibilities of any Trustee.

B. The three ex-officio students shall be chosen in the following manner:

1. There shall be one vacancy to be filled each spring by a student having the status of a third term Freshman, who will then serve on the Board for a period of three years.

2. This student will be elected by the undergraduate student body at large from a panel of 4-6 students presented by the Student Board the fourth week of spring term.

   a. The panel of 4-6 students will be chosen from students submitting petitions between the fifth and ninth weeks of winter term of each year, and shall be presented to the undergrad students for election, which will be held concurrent with ASMSU spring elections.

   b. A newly selected student shall take office officially at the October meeting of the Trustees, after having attended the June through September meetings.

   c. Upon passage of this proposal, the student board shall present before the undergrad students a panel of students of sufficient number so that:

      1) One first term Senior may be elected for the remainder of the year.
      2) One first term Junior may be elected to serve for the remainder of a two year period.
      3) One first term Sophomore may be elected to serve for the remainder of a three year term.
4. Student membership on Board of Trustees, continued

Reasons given by Mr. Buckner for student representation on the Board were:

A. Elimination of "adversary type situation between Board and students.
B. Student members would get Board action first hand.
C. Student members would be on-campus resource persons.
D. Would give continuing student input to Board.
E. Three student representatives would be representative of the best interest of students as a whole.
F. Would give student viewpoint.
G. Students could better give information on actions or feelings of the Trustees to other students because they would be involved in a continuous basis.

In moving the adoption of the proposal, Trustee Huff stated he felt students have real insights, real inputs to make, and that there was an educational advantage in having a sense of involvement. He also remarked that he feels the lines of communication between the Board and students could be improved. Mr. Huff's motion was seconded by Dr. Martin and Mrs. Carrigan.

President Wharton pointed out that if the proposal is passed, it would still be necessary for the Trustees to approve an amendment to the Bylaws of the Trustees. Under the Bylaws, an amendment would be prepared and distributed to the Trustees in a written form in advance.

Mr. Merriman remarked that if students are granted representation on the Board, all groups who have a profound interest in the welfare of the University should also have representation. He also stated that he feels that the Board as now constituted has available to it all the help and advice it needs from others interested in the University.

Mr. White expressed some concern about the statement "but who shall have access to all information, privileges, and responsibilities of any Trustee."

Mr. Huff amended his motion to revise section A of the proposal to read "There shall be three students who will sit ex-officio on the Board as non-voting members, but who shall have access to all information." Trustee Carrigan agreed to this amendment.

Mr. White suggested that a time limit on student membership should be included. He added that a summary of the proposal should be provided for other university governing boards who are under the same constitutional restrictions as MSU Trustees.

Dr. Cantlon predicted that the graduate students might present a similar proposal.

In response to Trustee White's question as to the administrative position on "access to all information," Vice President Wilkinson stated that he felt there were certain matters related to the officers of the University that should be a matter of discussion by the elected Trustees only. Trustee White then suggested it might be well to revise section A to read "There shall be three students who will sit ex-officio on the Board as non-voting members."

Trustee Huff responded that the Board agenda and minutes are public information and in terms of judicious use of the information the students are just as responsible as anybody else.

Mr. Buckner stated that the three student Trustees would know which type of information was of a public nature and which should be kept within the Board.

Trustee Hartman stated that he felt this was a dangerous experiment and that the Trustees could not abide by this in the interest of students and disregard faculty, non-academic personnel, and any other agency or group affiliated with the University, either on or off campus.

Trustee Merriman reminded the Trustees that this item was placed on the agenda for "information and discussion" and if the Trustees did approve the proposal it would "downgrade the University at a time when the leadership of the University needs the counsel and help of 8 dedicated Trustees more than they have ever needed it over the years that this University has been in existence." He felt that the deletion of the last 14 words of paragraph A, as proposed by Trustee White, would be an improvement.

Trustee Martin asked President Wharton for the Administration's feeling on the proposal. The President responded that the University officers had not discussed the proposal and that it had been placed on the agenda for discussion in the hope that the administration could get some idea of the views of the Board. He stated that if the Trustees wished to act on the item at this time it would be not acceptable to the Administration because the officers have not been consulted on their views. However, reactions and comments could be prepared for the next meeting of the Board.

Motion was made by Mr. Merriman, seconded by Mr. Hartman, to table the motion. Trustees Carrigan, Hartman, Martin, Merriman, and White voted "Yes." Trustees Huff and Stevens voted "No." Motion carried. It was understood that the Administration will submit at the March meeting a position paper reacting to the current proposal, with recommendations for appropriate changes to the Trustees' Bylaws.
5. Discussion of Massey-McKee-Taylor Report

Provost Cantlon introduced Professor Thomas H. Greer, Chairman of the Steering Committee, who gave a brief history of the 5-year development of this plan for student participation in the academic government. He stated that the Taylor Report represented the distance the faculty could go in terms of its responsibilities and prerogatives. He pointed out that the document provided for a vast increase in the amount of student participation in academic government, but that a distinction had been made between matters that are expressly professional and for which the faculty has a responsibility, and those matters that are of common concern.

Professor John F. A. Taylor, Chairman of the Committee on Student Participation in the Academic Government, responding to a question by Mr. Huff, stated that he felt the students were adequately represented in the provisions made in the report, but if the Trustees felt otherwise it would be possible to find a consent from mutual interest and consideration.

Professor Killingsworth, another member of the committee, added that the document proposes to expand those areas in which students and faculty could jointly determine policy and jointly formulate recommendations.

President Wharton recognized Harold Buckner, President of ASMSU, who criticized several specific sections of the report and overall mechanical and structural flaws. It was his suggestion that the report be sent back to the faculty to have some of these mechanics improved upon.

George Bullard, Editor of the State News, stated that his objection was to the thrust of the faculty presumption in suggesting they would not like to have the report returned to them. It was his opinion that what the faculty thinks is fair for student representation is not necessarily so, and he would like to have the Board's judgment. He felt that under the Taylor Committee a student was not given a chance to voice his opinion or to vote, and he felt the report should be returned for further action.

Mr. Buckner added that the faculty seemed to be much more sensitive to faculty concerns and objections than to student concerns.

Dr. Greer explained that the Taylor Committee was essentially a conference committee consisting of only faculty and that student participation and input had occurred under the two previous committees.

Mr. Frank Lerman, representing the Coordinating Committee for Students in Academic Government, gave some background on his committee and stated that while he agrees with some of the criticism of the report, he feels that a majority of student opinion is in favor of the Taylor Report and that it does guarantee student input.

Mr. Stevens voiced some concern with sections 2.5.7.2 and 3.6.3 and said he felt some departments that were allowing students to vote would be forced to take away that right. Dr. Greer responded that the Committee had some doubts about this but they could think of no occasion when it would be invoked. Dr. Taylor gave the reasons for the inclusion of section 2.5.7.2 and said while it might have to be reworded, he hoped it would remain in the document. Dr. Greer stated that only the right to vote is reserved -- the students would not be excluded from giving advice or suggestions on course content.

In response to Mr. Stevens' concern with section 3.6.3, Professor Taylor explained that in departments where additional privileges had been extended to students the department would be made to conform when a faculty member complained to the Committee on Academic Governance that a rule laid down in the Bylaws was being abridged or abrogated. He further stated that "a department which had gone further and allowed students to participate in the matters which are prerogative matters as defined in the earlier sections, those departments would be required to back up." Mr. Bullard felt that this provision would cut the potential for a department to move out and expand upon what Academic Council thinks is proper.

Trustee Carrigan expressed concern with the mechanism which provides for a campus-wide election which, in effect, gives to the white student, by virtue of his greater number, the decision over who shall speak for the minority student. She also feels that women are under-represented on the Academic Council. Dr. Taylor responded that it was initially provided that there be women representatives at large but this was stricken by the motion of one of the women. He said he would be happy to see it re-instituted. He also explained that the election procedure was provided in the interest of not introducing into the University any power groups.
D. OTHER ITEMS FOR INFORMATION AND DISCUSSION, continued

February 19, 1971

5. Massey-McKee-Taylor Report, continued

President Wharton stated he felt it would not be possible for changes to be made by the Academic Council or a faculty-student group on the basis of the sentiments just expressed by the Board, and he suggested that a subcommittee of Trustees be appointed to work this out.

Motion was made by Mr. Stevens that a subcommittee of Trustees Carrigan, Huff, and Merriman come back to the next meeting with recommendations to the Board which can be sent on to the Committee for their consideration. Motion was supported by Dr. Martin and unanimously carried.

Meeting adjourned at 4:14 p.m.
