MISCELLANEOUS, continued

5. The following statement is presented for Board action:

"Due to the constant changes made by the CAA in their program for college students, including
the changes made in the fees charged such students, the original Board action in September 1939
authorizing a flat fee of $40 is rescinded and the entire matter of fees to be charged and all
other necessary arrangements for the carrying out of the CAA program is left in the hands of a
committee consisting of the President, the Comptroller, the Registrar, and the Professor in
charge of the CAA program.

"It is understood that the fees charged individual students will always be sufficient to take
care of all the costs of the College incident to this program and that all such fees will be
collected by the Comptroller."

On motion of Mr. Brody, seconded by Mr. Jakway, it was voted to approve item 5.

6. Report from the Board of Governors of the Rackham Research Foundation relative to the granting
of licenses to use products or processes that may be developed incident to the research work
that is financed by Rackham Research Foundation funds—viz., that it is consistent with the
intent of the gift that results of the research work are for the benefit of the general public and
it believes that this intent will be best served by granting non-exclusive rather than ex-
clusive licenses for the use of any such products or processes that may be patented.

On motion of Mr. Berkey, seconded by Mr. Akers, it was voted to approve item 6.

7. Recommendation that the following statement receive Board action:

"All students must room in quarters approved by the staff of Housing Offices of Michigan
State College. Any deviation from this regulation, not arranged in advance with staff of
Housing Offices, will warrant cancellation of the student's classification."

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve it em 5.

8. Recommendation from Deans Bessey, Huston, and Anthony that the Board send a formal invitation
to the Mycological Society of America to hold their 1941 summer "Forey" at the Dunbar Experimental
Station. The invitation should go to Dr. W. E. Small, Brown University, Providence, Rhode Is.

On motion of Mr. Berkey, seconded by Mr. Jakway, it was voted to approve item 5.

a. Knee operation for Ed Pogor who was injured in football in the fall of 1939 and again in 1940. Estimated cost, $750.

b. Nose operation for Donald Robert who was injured in football in the fall of 1940. Estimated cost, $750.

c. Knee operation for Alex Haddad who is a varsity wrestler and suffered a knee injury last
fall in a practice bout and was injured again in the Michigan-Michigan State meet this
winter. Estimated cost, $750.

10. Recommendation from Dean Anthony for an increase in the Farmers' Week budget of $1000 to cover
the additional expenses of this year. Half of this amount can be transferred from Short
Course funds.

11. Request from Dean Dye for an allotment of $200 to defray expenses for the Marriage Lecture
Course this spring.

12. Recommendation for an appropriation of $1000 for the continuation of the museum project,
under the direction of Mr. Beek.

On motion of Mrs. Masseau, seconded by Mr. Brody, it was voted to approve items 1, 2, 3, 4, 7, 8, 9, 10, 11 and 12.

13. Recommendation from the Administrative Group that apprentices in the Institutional Department
of the Division of Home Economics be permitted to take up to four credit hours per term with-
out being charged the out-of-state fee.

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve the above recommendation.

14. Request for time lost in the amount of $21.00 (for three weeks service) for Joe Kerr, a student
injured while working for the Buildings and Grounds Department.

On motion of Mr. Berkey, seconded by Mr. McPherson, it was voted to approve the above request and
to approve any similar requests in the future when students have been injured while working for
the College.

15. Recommendation from Dean Anthony that the salary of Dr. G. K. Davis, Research Assistant in the
Chemistry Experiment Station, be increased from $2500 to $3200, effective March 1, 1941, be-
cause of an offer of another position elsewhere at $3000.00.

On motion of Mr. McPherson, seconded by Mr. Berkey, it was voted to approve the above recommendation.

The President was authorized to advise other members of the Chemistry Experiment Station that the
matter of increases in their salaries will be considered at the time the budget is set.
16. Recommendation from Professor A. J. Clark, Head of the Department of Chemistry, that an order for approximately $1500 worth of corks be placed immediately, to be charged against next year's budget. (This request is made because of the shortage of corks that is likely to exist as the war continues).

On motion of Mr. McPherson, seconded by Mr. Brody, it was voted to refer the above recommendation, as well as recommendations for the purchase of similar supplies due to war conditions, to President Shaw and Treasurer Wilkins, with power.

SECRETARY'S ITEMS, continued

February 27, 1941

7. (Continued)
   1. Deferrals will not be requested for staff members and employees except in cases where
      the individual is essential and irreplaceable.

   2. It is understood that the president will place a complete record covering each individual
      student enrolled in the draft before his local Draft Board giving full and complete informa-
      tion on each individual case.

   3. Students withdrawing from college for entrance into a branch of military service after the
      normal period for refund of fees may elect to enter college at the completion of their
      military service and be granted a waiver of fees for one term, or an amount equal to the
      amount paid by the student for the term in which he withdraws. Documentary evidence may
      be required indicating bona fide military service. This action is retroactive to include
      the fall term of 1940.

   8. Report of the fire in the Woolworth Building owned by the Jenison Estate early in the morning
      of February 10th. The stocks owned by the Woolworth Company were almost wholly destroyed. The
      fire was confined to the first and second floors of the building. Specifications for the
      repairs have been prepared and bids will be taken on Monday, March 3rd. In accordance with
      the lease with the Woolworth Company the building will be repaired and made available to them
      at the earliest possible date.

   9. The matter of a home for the President was discussed and it was decided to authorize the re-
      modeling of the former Halladay house as a home for the new President of the College when he
      takes office.

   10. Mr. Hannah requested blanket authorization to visit many colleges and universities prior to
       July 1, 1941.

   11. Mr. Hannah discussed in a general way the problem of a selection of his successor as Secretary.

   12. Copies of charts prepared for presentation to members of the legislature were discussed and
       copies were furnished to all members of the Board.

The Board adjourned immediately after luncheon at 1:45 P.M.
