The Finance Committee convened at Kellogg Center at 7:00 a.m. for breakfast. Following breakfast, the meeting took place.

The following members were present:

Messrs. Brody, Harlan, Rouse, Smith, Stevens, Vanderploeg; Dr. Bartlett, President Hannah and Secretary McDonel

Absent: Treasurer May

1. Scudder, Stevens and Clark and Earl Cress recommend with approximately $50,000 of the $150,000 presently remaining available for such purposes in the Pension and Retirement Fund for purchase of 750 shares Republic Steel at approximately $65 per share to yield 4.4%

On motion of Mr. Brody, seconded by Mr. Rouse, it was voted to approve Item 1.

2. Recommendation from Earl Cress that the Board authorize a borrowing from the National Bank of Detroit of $3,650,000 at an interest rate of 3-3/4% to be repaid within 5 years. The security pledged to pay this loan will be the net income from 400 apartments of the 800 units in Spartan Village plus a second lien on the 1948 dormitory borrowing of $5,500,000 and which will be paid off within 7 years, plus any excess income from the 400 apartment units in Spartan Village which are pledged to cover the apartment loan.

The purpose of this loan is to reduce the construction loan now outstanding to the National Bank of Detroit from $6,500,000 to $2,250,000 or a payment on this note of $2,225,000 plus a reimbursement to Michigan State University for advances made to cover construction costs of this project in the amount of $1,400,000.

When the government loan is completed covering the 400 units of this project in the amount of $3,750,000 that money will be used to retire the balance of the construction loan that will then be owing to the National Bank of Detroit in the amount of $2,250,000, and the balance of $1,500,000 will be used to repay the University for the balance of the construction costs advanced by the University during the construction period.

On motion of Dr. Smith, seconded by Mr. Stevens, it was voted to approve the following resolution of the Board authorizing borrowing funds from the National Bank of Detroit and executing term loan agreement:

WHEREAS, The State Board of Agriculture, in the exercise of its constitutional duties, has constructed on lands owned by it in East Lansing, Michigan known as "Spartan Village", 72 apartment buildings, in which are located 396 one-bedroom apartment units and 404 two-bedroom apartment units, and has furnished and equipped the same, to provide housing facilities for students attending Michigan State University; and

WHEREAS, this Board has advanced from its own and borrowed funds approximately $7,400,000.00 on a temporary basis, to pay such costs of constructing, furnishing and equipping of such apartment units; and

MINUTES OF THE MEETING of the
STATE BOARD OF AGRICULTURE November 20, 1958

Present: Dr. Smith, Chairman; Messrs. Brody, Harlan, Rouse, Stevens, Vanderploeg; Dr. Bartlett, President Hannah and Secretary McDonel

Absent: Treasurer May

The meeting was called to order at 10:25 a.m.

The minutes of the previous meeting were approved.

SPECIAL MISCELLANEOUS

1. Approval of the Finance Committee Items above.

On motion of Mr. Brody, seconded by Mr. Rouse, it was voted to approve the Finance Committee Items.
2. Ordinarily the legislative appropriation is received in 12 equal monthly installments. The State of Michigan has been unable to meet this commitment in recent months. The allocation which would normally have been received in early September was received in late October. The payment which would normally have been received in early October in the amount of $2,109,563 has not yet been received. The November allocation in the same amount has not been received, and there is some indication that the December allocation will also be delayed. As of today, the state is back in its payments in the amount of $4,219,166, and after December it the total amount will be $6,328,749.

If we are to meet our labor payrolls and our salary payrolls, pay our employees for travel, and discount our bills, it will be necessary for us to go to the Michigan banks and borrow substantial sums of money to get us through the month of November and the month of December. After we have used our available resources plus our continuing income, it will be necessary for us to borrow approximately $200,000 in order to keep our month-end commitments for November and an additional $2,555,000 in December. If we receive one monthly allocation from the state during December, the December borrowing can be reduced by the amount of the payment, or by $2,109,000.

It is recommended that the Board approve resolutions which have been drawn by the Board's attorney, Mr. Leland Carr, which will authorize and permit the necessary borrowing in the amount of up to $900,000 at the end of November and up to an additional $2,555,000 at the end of December. The Michigan National Bank will loan us the amount required at the end of November at an interest rate of 3 1/2% for the period of the loan. The December borrowing will be negotiated as necessary from Michigan banks on the basis of the most favorable terms available.

On motion of Mr. Brody, seconded by Mr. Vanderpoel, it was voted to approve the above recommendations and the following resolutions:

Resolution No. 1:

WHEREAS, the financial condition of the State is such that the Treasurer, in his capacity as disbursement officer, has declined to make payment to this Board of the appropriation of the Legislature covering the month of November, 1958, and

WHEREAS, it will be necessary, because of the situation thus created, for this Board in order to meet current expenses including payroll, bills and other obligations, to borrow money for such purposes,

NOW THEREFORE, BE IT RESOLVED that the President, Vice President for Business Affairs and Secretary of Michigan State University or any of them be and hereby are authorized and empowered to negotiate for the borrowing of necessary funds in an amount not to exceed nine hundred thousand ($900,000.00) dollars for the month of November, 1958, under the most favorable terms with interest not to exceed three and one-half (3 1/2%) percent.

BE IT FURTHER RESOLVED that said officers or any of them are authorized and empowered to execute all evidences of indebtedness incident thereto, pledging for payment thereof the anticipated revenues from the State of Michigan in accordance with the appropriation of the Legislature for the current fiscal year and such other security as may be necessary.

Resolution No. 2:

WHEREAS, the financial condition of the State is such that the Treasurer, in his capacity as disbursement officer, has indicated that payment to this Board of the appropriation of the Legislature covering the month of December, 1958, will not be made, and

WHEREAS, it will be necessary, because of the situation thus created, for this Board in order to meet current expenses including payroll, bills and other obligations, to borrow money for such purposes,

NOW THEREFORE, BE IT RESOLVED that the President, Vice President for Business Affairs and Secretary of Michigan State University or any of them be and hereby are authorized and empowered to negotiate for the borrowing of necessary funds in an amount not to exceed two million five hundred fifty-five ($2,555,000.00) dollars for the month of December, 1958, under the most favorable terms with interest not to exceed that declared by the Federal Reserve Board for said month.

BE IT FURTHER RESOLVED that said officers or any of them are authorized and empowered to execute all evidences of indebtedness incident thereto, pledging for payment thereof the anticipated revenues from the State of Michigan in accordance with the appropriation of the Legislature for the current fiscal year and such other security as may be necessary.
