On motion by Mr. Hartman, seconded by Dr. Martin, it was unanimously voted to approve the investment recommendations.

2. The Board of Trustees at its meeting December 12, 1969 approved the employment of Ryckman, Edgerley, Tomlinson and Associates of St. Louis, Missouri to study the waste disposal problem of the University. The report has been completed and was presented to the Board for acceptance by Mr. Ryckman with Messrs. Emery Foster, Starr Keesler, and Robert Siefert of MSU participating in the presentation.

On motion by Mr. Thompson, seconded by Mr. Huff, it was unanimously voted to accept the report and establish a Central Waste Control Authority as soon as possible.

3. Vice President Dickerson reported to the Board on the action taken by the Student Faculty Judiciary relative to those students who are in violation of the University housing rules.

The Trustees accepted with some reservations the report of Vice President Dickerson that upon his recommendation the University housing rules were being restudied with a final report to be presented to the Board in March 1971.

4. In response to a request from Trustee Merriman, Attorney Carr discussed briefly the obligation of students to meet conditions of enrollment.

Mr. Carr distributed to the Trustees a memorandum dealing with procedural due process in student discipline cases that had been requested by the Board. This memorandum is made a part of these minutes.

5. Vice President Wilkinson reported that an additional $2,379 has been received from McIntire-Stennis funds for the 1969-70 year and recommended that these funds be acknowledged and allocated for experimental projects within the Department of Forestry.

On motion by Dr. Martin, seconded by Mr. Merriman, it was unanimously voted to approve the above recommendation.

6. Vice President Wilkinson reported that the checkwriting operation established for the College of Osteopathic Medicine through an imprest checking account at the Pontiac State Bank (approved at the July 16, 1970 Board meeting) has been transferred to the East Lansing campus. The bank has been notified that this account will be closed as of December 1, 1970.

On motion by Mr. Hartman, seconded by Mr. Huff, it was unanimously voted to approve the above action.

7. Discussion by Vice President Wilkinson concerning the employment of an auditing firm for the fiscal year ending June 30, 1971.

Following Vice President Wilkinson's report, a motion was made by Mr. Huff, seconded by Mr. Hartman, to appoint a review committee from the Board which would work with Mr. Wilkinson in interviewing auditing firms. The committee will submit a recommendation to the Board, hopefully at the December Board meeting. Unanimously carried. The two Board members appointed by Chairman Stevens were Mr. Thompson and Mr. Hartman.

8. The minutes of the Board of Trustees for May 15, 1957 state: The Board of Trustees' Awards will be made in the Spring of each year to the man student and woman student graduating at the June commencement who have achieved the best cumulative scholarly records at the close of the previous Winter term. At least three-fourths of the credits for the degree must have been earned in residence at Michigan State University. The President of the University will act for the Board in determining the recipients of the awards."
8. Board of Trustees' Awards, continued

On June 21, 1960, it was voted that a second prize be given to the second ranking man and woman.

On March 20, 1970, the Board approved these awards for each commencement.

The students graduating at the 1970 Fall term commencement who have the highest scholastic average at the close of their last term in attendance are as follows:

Men's first high:
Stephen Roger Sizemore
Major: Biochemistry
Grade point average: 3.895

Women's first high:
Wilma Jean Chapman
Major: Accounting
Grade point average: 3.984

Men's second high:
Victor Richard Nelhiebel
Major: Landscape Architecture
Grade point average: 3.810

Women's second high:
Ann Marie Minnick
Major: Nursing
Grade point average: 3.929

On motion by Mr. Merriman, seconded by Mr. Huff, it was unanimously voted to approve the Trustees' Awards for the December 1970 commencement.

9. It was recommended that the following individuals be awarded honorary degrees at the December 5 commencement:

D. B. Varner - Doctor of Laws
Gilbert F. White - Doctor of Laws
Foster E. Mohrhardt - Doctor of Letters
Ray W. Herrick - Doctor of Engineering

On motion by Mr. Merriman, seconded by Mr. Huff, it was unanimously voted to award the honorary degrees as recommended.

10. President Wharton discussed briefly a proposal for a Board retreat on January 6, 1971. The retreat would be held on campus to discuss such items as overall University financing, funding of the teaching hospital, and some of the emerging recommendations of the Admissions Commission.

It was unanimously agreed that there was a need for this meeting and the date of January 6, 1971 was concurred in.

Adjourned.

111. Grant of $606,150 from the U.S. Department of Health, Education and Welfare, Washington, D.C., to be used under the direction of H. C. Dykema in Financial Aids for the College Work-Study program.

112. Grant of $83,140 from the Estate of Elizabeth A. Klare, Detroit, to be used under the direction of Roger Wilkinson, Office of the Vice President for Business and Finance, as an addition to the H. William Klare and Elizabeth A. Klare Trust Fund.

On motion by Mr. Huff, seconded by Mr. Thompson, it was unanimously voted to accept the gifts and grants.

On October 6 the Academic Council responded to the proposed resolutions from the faculty Educational Policies Committee on faculty responsibility (July 14, 1970). The Council passed the resolutions, amended as follows:

Any member of the instructional staff who fails to fulfill any provision of the approved Code of Teaching Responsibility shall be held accountable. The University will not make payment of wages and salaries to any person who, without proper cause, chooses to withhold any of the services for which he or she is employed.

The University Committee on Faculty Compensation and Academic Budget shall be charged to define faculty responsibility and load.

The University Committee on Faculty Compensation and Academic Budget shall be charged to develop procedures relating to the abrogation of responsibility and procedures to provide equitable adjudication of cases involving abrogation of faculty responsibility.

The University Committee on Faculty Compensation and Academic Budget shall present its recommendations to the Academic Council.

Since the University Committee on Faculty Compensation was not operational on October 6, the chairman of the Faculty Affairs Committee, Dr. Ervin P. Bettinghaus, indicated his committee would continue to work on the matter.

2. When the "Michigan State University Anti-Discrimination Policy and Procedures" were approved by the Board of Trustees on February 28, 1970, it was agreed that the Brookover Committee would remain in existence for a period of six months and at the end of this period the Committee would report to the Trustees on any recommended changes they might have. Chairman Wilbur B. Brookover reported to the Board for his committee. He stated that the only suggestion they had at this time was that the Committee Against Discrimination and Judicial Board make quarterly rather than monthly reports on their activities to the President.

Trustee Huff recommended that a new paragraph somewhat along the lines of the following be added to Article III - c:

Any person or persons having knowledge of prohibited discrimination, but without a personal grievance, shall have the right to file a complaint with the Committee Against Discrimination reciting the facts of such alleged discrimination and requesting corrective action in the same manner as a person aggrieved. Such complainants shall have the same right as an aggrieved person to an appeal to the anti-discrimination judicial board. Reports on these petitions and actions shall be included in the monthly report to the President and to the Board of Trustees.

After discussion, a motion was made by Mr. Huff, seconded by Mr. Hartman, to refer Mr. Huff's suggestion to the Brookover Committee for further study and whatever disposition they wish to make of it. Unanimously carried.

3. Vice President Muelder presented the following resolution on behalf of the Graduate Council:

The Graduate Council at this time reconfirms its action of 10 March 1969 in recognizing the Council of Graduate Students (C.O.G.S.) and accepting its constitution. That action acknowledged C.O.G.S. as the representative organization for graduate students and included representation by C.O.G.S. on the Graduate Council. On 27 October 1969, C.O.G.S. representation on the Graduate Council...
3. COGS resolution, continued

was increased from one to three voting members. The Council also endorses the C.O.G.S. tax referendum held during Fall term registration, 1970, as having been a legitimate action by a legitimate and representative student organization.

The Council of Graduate Students has stated on various occasions, both orally and in writing, that it plans to hold a University-wide referendum on its revised constitution during the academic year 1970-71. The Graduate Council accepts these statements as being made in good faith and anticipates that such a referendum will be held as planned.

In view of the above considerations, the Graduate Council resolves to petition the Board of Trustees to grant official recognition to the Council of Graduate Students as the organization representing the graduate students of Michigan State University. It is suggested that this recognition be granted immediately, on an interim basis until the proposed constitutional referendum is held, and on the condition that the referendum be conducted not later than the end of Spring term, 1971.

(Resolution approved unanimously by the Graduate Council, 26 October, 1970)

On motion by Mr. Huff, seconded by Mr. Thompson, it was unanimously voted to approve the above resolution after Vice President Mueller and Peter Flynn, President of COGS, had given the Trustees a brief history of this organization.

4. The Administration reported to the Board that on October 20, 1970 an interfaith dedication ceremony formalized the establishment of a University burial plot at East Lawn Memory Gardens on Bennett Road near Okemos. Unless the family prefers a different site, this plot will receive the remains of persons who will their bodies to the University for the advancement of medical science.

The Administration wished to announce this dedication to the Board of Trustees as well as call attention to the growing need for wider public participation in this essential part of the support system of medical education and research. Information on how individuals can will their bodies to the University can be obtained by writing the deans of the Colleges of Human Medicine and Osteopathic Medicine.

5. The following resolution was presented by Vice President Dickerson:

Resolved that the Academic Council recommends that the Board of Trustees adopt the General Student Regulations proposed by the University Student Affairs Committee in the fall of 1969 as an interim set of regulations to be in force until a permanent code of University Regulations is promulgated for students, faculty and staff.

On motion by Mr. Stevens, seconded by Dr. Martin, the interim regulations were unanimously approved, to be effective not later than December 1, 1970. The regulations follow.

Section

1.00 - Statement of Purpose

.01 - The Michigan State University Community hereby adopts the following General Student Regulations that apply to all registered students and are essential in order to secure the successful operation of the University, maintain good order, promote the desired objectives of the University, and obviate unnecessary and improper interferences with University activities.

2.00 - Enforcement

.01 - The enforcement of these regulations shall be the responsibility of the duly-established University agencies.

.02 - All members of the University community are responsible for the support of these regulations.

3.00 - Adjudication

.01 - The University Judicial System shall have jurisdiction over all General Student Regulations, and, upon a verdict of guilt, will set penalty on the basis of an established Disciplinary Code.

4.00 - Scholarship and Grades

The principles of truth and honesty are recognized as fundamental to a community of scholars. The University expects that students will honor these principles and in so doing protect the integrity of the University grading system.
5. General Student Regulations, continued

Section

4.00 - Scholarship and Grades, continued

.01 - No student shall knowingly, without proper authorization, procure, provide or accept any materials which contain questions or answers to any examination or assignment to be given at a subsequent date.

.02 - No student shall, without proper authorization, complete, in part or in total, any examination or assignment for another person.

.03 - No student shall, without proper authorization, knowingly allow any examination or assignment to be completed, in part or in total, for him by another person.

.04 - No student shall knowingly plagiarize or copy the work of another person and submit it as his own.

5.00 - Records and Identification

If the University community is to function effectively it must be able to rely upon the accuracy of information contained in its official records and upon the materials used to identify its members.

.01 - No student shall knowingly provide false information to the University for any purpose.

.02 - No student shall, with intent to defraud, alter or forge any official University document, including identification materials issued by the University.

.03 - No student shall, with intent to defraud, knowingly allow University documents, including identification, that were issued for his use, to be used by another person.

6.00 - University Facilities, Materials and Services

The facilities and educational materials provided by the University are important to the accomplishment of its objectives and must be protected.

.01 - No student shall, without proper authorization, remove any University property from its assigned place.

.02 - No student shall, without proper authorization, intentionally damage, deface or destroy any University property.

.03 - No student shall, without proper authorization, convey any University property to another person.

.04 - No student shall knowingly accept any University property procured for him without proper authorization.

.05 - No student shall, without proper authorization, enter or remain in any construction area, building under construction, tunnel, or restroom of the opposite sex.

.06 - No student shall, without proper authorization, enter or remain in any University building when it is officially closed (as per hours posted on all entrances).

.07 - No student shall, without proper authorization, procure, manufacture, or have manufactured a University key, key card or unlocking device.

.08 - No student shall knowingly refuse to meet, when due, a legitimate obligation to the University.

.09 - No student shall, without proper authorization, sell or make contracts for purchase or delivery of any merchandise or services.

.10 - No student shall, without proper authorization, erect posters or handbills which advertise any commercial product, service, or activity, except on his personal property.

7.00 - The Individual

If the University is to accomplish its many objectives, there must be a recognition that the integrity of the individual is of primary importance.
5. General Student Regulations, continued

Section

7.00 - The Individual, continued

.01 - No student shall appropriate the property of another person, permanently or temporarily, without the permission of the owner.

.02 - No student shall knowingly endanger the health or safety of another person.

.03 - No student shall, without proper authorization, possess or use any firearm or explosive material on grounds governed by these regulations.

.04 - No student shall intentionally interfere with the educational or service functions of the University to such an extent that his activity prohibits the continuation of any of these functions.

6. Vice President Dickerson offered the following proposed "Guidelines for Implementation of Coed Housing in Snyder-Phillips, Winter Term 1971" in accordance with the action approved by the Trustees at the September 17, 1970 Board meeting. (A complete copy of the material distributed by Vice President Dickerson is on file in the Secretary's Office.)

PROPOSAL

Beginning with Winter Term 1971, it is proposed that Snyder-Phillips Residence Hall institute the following form of coed living: Coed precincts will have alternating rooms of men and women. Four precincts have been designated as coed precincts. They are Houses 8 and 9 in Phillips and 16 and 17 in Snyder. This decision was based on an all hall survey. The results of the survey indicated that the above-mentioned houses (precincts) would be most conducive in terms of student interest and eligibility. In both halls the coed precincts will be adjacent with one bathroom designated for MEN and the other for WOMEN.

Sign up will be limited to residents over the age of 21, upper classmen under the age of 21 with parental consent, and second term freshmen under the age of 21 with parental consent. (See appendix I).

The Snyder-Phillips Hall Council has approved second term freshmen participation in the coed plan if they have parental consent. This condition would prevail only this year in the first implementation of coed housing. It is recognized that in the Fall of 1971 freshmen students will automatically be placed in non-coed houses.

Although second term freshmen eligibility is not in agreement with the letter of the law which allows no freshmen to participate, it is perceived by us to be within the spirit of that regulation. The Snyder-Phillips freshmen will have the benefit of one year's university and residence hall experience. With the additional factor of parental consent, we feel that second term freshmen participation is permissible and educationally sound. The residents furthermore feel that the interim exception of second-term freshmen participation in the coed plan is a reasonable compromise.

It is also probable that fewer than ten residents in the four coed houses are freshmen. Given the priority system devised for implementation of the plan, no more than ten second term freshmen will be involved.

A system consistent with necessary security precautions and allowing residents maximum freedom will be initiated. Security procedures will include night receptionists in both lobbies. All Snyder-Phillips entrances will be locked at University hall closing hours. Each room key will gain access to the building. Non-resident guests must check in through the front doors with the night receptionist. The doors to the building will be locked by the receptionist when he comes on duty.

This living arrangement will be formally evaluated at the end of the 1970-1971 academic year. Assessments will be made during the term. Incoming freshmen will be informed of the coed plan by the end of Spring Term this year and will be assigned to the single-sexed precincts.

The plan for alternating floors of men and women will not be attempted during the current academic year, but will be considered for the 1971-1972 academic year.

Dean of Students Eldon Nonnamaker introduced Kay White, John S. Heitz, and Jodie Rotty of his staff, and Becky Brenneman and Dale Ladig, Co-chairmen of Snyder-Phillips government, who spoke in favor of the proposal and answered Trustees' questions regarding it.
6. Snyder-Phillips proposal, continued

Several of the Trustees stated their main objection to the plan was the provision for coed precincts with alternating rooms for men and women. They reported that they had received many expressions of disapproval since the plan was first approved in principle at the September 17 Board meeting.

Mr. Stevens' motion, seconded by Dr. Martin, to approve the "Guidelines for Implementation of Coed Housing in Snyder-Phillips" failed. Trustees Hartman, Martin, and Stevens voted "Yes" and Trustees Huff, Merriman, Thompson, and White voted "No."

Meeting adjourned at 12:27 p.m.
