Faculty Reappointment and Tenure Recommendations

Most of the recommendations for faculty members whose current probationary appointments in the tenure system end on August 31, 1980 were made at the Board meeting on May 24-25, 1979. The faculty members named below are those for whom tenure action was delayed last spring so that no one would be disadvantaged by the advancement from fall to spring of the tenure recommendations.

The following actions are recommended by the departmental chairperson (or school director), the dean(s), and the Provost in accordance with the tenure rules.

1. Assistant Professors who acquire tenure with the reappointment effective September 1, 1980:
   - Jon E. Baisch
   - Stephen C. White
   - Theatre
   - Audiology and Speech Sciences

2. Second probationary appointment as Assistant Professor for three years from September 1, 1980:

The sources of funds for this project were the Russ Forest Trust and the Agricultural Experiment Station at a level of $45,000 - $55,000. With the architect's fees and contingencies, the total project cost would have amounted to approximately $65,000. Since this exceeds the funds available, it is recommended that the bids be rejected. The staff of the College of Agriculture and Natural Resources is in the process of evaluating alternative plans.

RESOLVED that the bids be rejected as recommended.

Unanimously approved. Motion by Trustee Bruff, seconded by Trustee Sawyer.

D. OTHER ITEMS FOR ACTION

1. Affiliation Agreement

In keeping with previously established policies and procedures, the College of Human Medicine and its Department of Family Practice have requested that the University, on their behalf, enter into an affiliation agreement with the Midland Hospital Center, Midland, Michigan, for the purpose of gaining additional clinical facilities for teaching purposes in the area of family practice.

The proposed agreement has been examined by the Office of the Dean, College of Human Medicine, the Office of the Provost, and the University Attorney and has been found to be in order. The agreement comes to the Board of Trustees with the Administration's recommendation that it be approved.

RESOLVED that the affiliation agreement between Michigan State University on behalf of its College of Human Medicine (Department of Family Practice), and the Midland Hospital Center, Midland, Michigan, be approved.

Unanimously approved. Motion by Trustee Sawyer, seconded by Trustee Lick.

2. Affiliation Agreement

In keeping with previously established policies and procedures, the College of Osteopathic Medicine and the College of Human Medicine (School of Medical Technology) have requested approval of an affiliation agreement between the University and the Battle Creek Area Medical Education Corporation, Battle Creek, Michigan.

This agreement is worthy of special comment. Unlike previous agreements which have been designed to provide MSU students off-campus clinical training required in their University program of study, this agreement is concerned with placement of MSU graduates. Our School of Medical Technology provides a four-year didactic bachelor's degree program but not a clinical internship experience. MSU graduates wishing such training must apply to institutions which have an internship program and while they have always been competitive, they do face a continuing problem in that the total number of students from Michigan institutions who qualify for admission to internship programs greatly exceed the number of positions available.

Under this affiliation agreement, BCAMEC guarantees annual admission to 12 graduates from our School of Medical Technology to its internship program. Communication interchange as called for under the agreement should also provide other benefits for the School of Medical Technology.

The affiliation agreement has been examined by the Offices of the Deans of the Colleges of Osteopathic and Human Medicine, by the Office of the Provost, and by the University Attorney. The agreement comes to the Board of Trustees with the Administration's recommendation that it be approved.

RESOLVED that the affiliation agreement between Michigan State University, College of Osteopathic Medicine and the College of Human Medicine (School of Medical Technology), and the Battle Creek Area Medical Education Corporation, Battle Creek, Michigan, be approved.

Unanimously approved. Motion by Trustee Lick, seconded by Trustee Sawyer.
3. **Awarding of Degrees**

It is recommended that the appropriate degrees be awarded to those students who, according to the records of the Registrar, completed the requirements for graduation summer and fall terms 1979.

RESOLVED that the degrees be awarded as recommended.

Unanimously approved. Motion by Trustee Sawyer, seconded by Trustee Lick.

4. **Honorary Degrees Winter Term 1979**

It is recommended that honorary degrees be awarded to Dr. William M. Lukash and Dr. Walter Adams at the fall term 1979 commencement.

RESOLVED that the above recommendation be approved.

Unanimously approved. Motion by Trustee Martin, seconded by Trustee Smydra.

5. **Resolution on Alumni Relations**

Trustee Bruff moved the adoption of the following policy statement on alumni relations which had been signed by all members of the Board. The motion was seconded by Trustee Radcliffe. Unanimously approved.

Responsibility for the affairs of Michigan State University is vested in the Board of Trustees by the Constitution of the State of Michigan.

The Board, through its Bylaws has identified the President of the University as its principal executive officer with responsibility for promoting, supporting, and protecting the University's interests and for managing and directing all of its affairs.

Among these interests specifically identified in the Board's Bylaws is the support, advice, and counsel of the University's alumni.

The Board believes that this valued support, advice, and counsel can best be secured through a direct delegation of responsibility for alumni relations to the President with commensurate authority necessary to meet that responsibility.

Accordingly, any previous Board action or actions notwithstanding, the President is authorized and directed to take such actions as may be appropriate and necessary to assure that the University maintains effective direct relationships with its alumni apart from or in addition to any non-University organizations established for similar purposes.

6. **Trustee GPA Awards**

For many years the Board of Trustees' Awards have been granted at each commencement to male and female graduates having the first and second highest scholastic averages at the close of their last term in attendance. On the basis of legal advice it is recommended that awards now be made without regard to gender.

The students graduating at the 1979 fall commencement who had the highest scholastic averages at the close of their last term in attendance and who are recommended to receive the Board of Trustees' Awards are:

- **First highest** - Diane Ellen Zdunczyk, Financial Administration major, 4.00 average, graduate of Lady of Mount Carmel High School, Wyandotte, Michigan
- **Second highest** - David Michael Girton, Crop and Soil Sciences major, 3.957 average, graduate of White Pigeon High School, White Pigeon, Michigan
- **Third highest** - Alan Fox, History major, 3.897 average, graduate of East Lansing High School, East Lansing, Michigan
- **Fourth highest** - Eric Spencer Petrie, James Madison - Social Science-Law, Democracy major, 3.853 average, graduate of Southwestern High School, Jamestown, New York

RESOLVED that the Board of Trustees' Awards be approved as recommended.

On motion by Trustee Radcliffe, seconded by Trustee Bruff, it was unanimously voted to approve the Trustee GPA Awards.
1. President's Report

President Mackey announced the following Board meeting schedule for calendar 1980 with the provision that changes will be made if scheduling conflicts so dictate:

January 24-25
February 21-22
March 27-28
April 24-25
May 22-23
June 26-27
July 24-25
September 25-26
October 23-24
December 4-5

President Mackey also reported briefly on his meeting with Governor Milliken relative to the University's needs despite the state's gloomy developing fiscal picture. He also reported on a meeting of the committee chaired by Mr. William Agee which is considering statewide enrollment projections and related matters.

2. Board Committee Reports

Affirmative Action Committee

Trustee Martin reported that Vice President Wilkinson discussed the new administrative policies, procedures, and outreach efforts that are a part of the Purchasing Department's affirmative action program. Special targets for increased dollar representation are minority-owned businesses, businesses owned and operated by women, and small businesses.

Audit Committee

Trustee Smydra reported that the Committee discussed the recent report of the Auditor General concerning computers and data processing and the administration's response thereto. The Committee voted to receive both the report and the response as a part of its official record.

The Audit Committee also unanimously recommended to the Board of Trustees that an independent external auditor, other than Ernst & Whinney, be retained to audit the Trustees' expenses for the calendar year ending December 31, 1979 and the Trustees' expenses incurred in the presidential search process, in accordance with Trustee Expenditure Guidelines. Said audit shall also include all financial transactions of Trustees with MSU. The President is hereby directed to select the external auditor to effectuate the purpose and intent of this motion.

Unanimously approved. Motion by Trustee Bruff, seconded by Trustee Radcliffe.

Trustees Martin, Lick, and Smydra reported briefly on sessions they attended at the National Association of Governing Board's meeting in Dallas, Texas, in October.
