Resolution re: retirement income for John A. Hannah approved.

6. Mr. Mueller presented the following resolution to the Board:

In view of the inflationary trend of recent years and the probability that such trend will continue in the future, it appears to this Board that the provisions heretofore made for retirement income to John A. Hannah will be entirely inadequate to allow him to maintain a reasonable standard of living to which his outstanding contributions deservedly entitle him.

It is hereby resolved that in the opinion of this Board said John A. Hannah after his retirement in accordance with age or disability clauses in our regular retirement program, should during the remainder of his life be entitled to payment at the rate of one-half of the annual salary which he may be receiving at the time of such retirement or disability.

It is further resolved that this Board should review the situation at least once every two years and attempt to determine, by the use of recognized tables and statistics, whether the cost of living has increased or decreased to such an extent as to render advisable a modification of the terms of the preceding paragraph hereof; it being the intent of this resolution to establish a policy whereby said John A. Hannah will be assured of a comfortable standard of living after his retirement or disability as heretofore stated and will be protected so far as reasonably possible, against substantial changes in the purchasing power of any payments which he shall thereafter receive.

On motion of Mr. Mueller, seconded by Mr. Armstrong, it was voted to approve the above resolution.

Resolution of Appreciation

for the generous gift to the Michigan State College of the collections in the Henry Chamberlain Memorial Museum at Three Oaks, Michigan, by the William K. Warren Foundation through its public-spirited President, Fred W. Warren. The gift was accepted with sincere gratitude on behalf of the people of Michigan, to whom it will be made readily available in order that they may learn from these collections the difficult conditions under which their pioneer forbears lived, and so gain courage to meet the difficulties of the current day; that they may observe the standards of worth
8. Resolution of appreciation to Mr. Fred Warren, continued:

...by which the pioneers judged, and so develop more reliable guides to permanent values, and that they may become familiar with an imposing example of private means being selflessly employed in the public interest. The Board has pledged that Michigan State College will forever serve as a faithful custodian of these collections, and use them in such manner that they will achieve the ideals of the Pounder as never-failing sources of instruction, information, and inspiration.

(Signed by all members of the Board. President & Secretary)

9. President Hannah reported on the death of Mr. W. K. Kellogg on October 6, 1951.

On motion of Mr. Mueller, seconded by Mr. Armstrong, it was voted, in view of Mr. Kellogg’s many generosities, that a resolution on his death be prepared to be spread upon the permanent records and a copy sent to the survivors. Following is the resolution:

The STATE BOARD OF AGRICULTURE, meeting in regular session on October 18, 1951, unanimously adopted a RESOLUTION declaring that in the death of W. K. Kellogg, the Michigan State College has been deprived of a source of inspiration and leadership it can ill afford to lose, and expressing gratitude and appreciation for the privilege of working for many years in partnership with this great philanthropist in promoting the health and welfare of mankind, objects of common concern. The members of the Board ordered that this declaration of their loss be conveyed to the members of Mr. Kellogg’s family, together with the expression of the hope that sorrow may be tempered by the knowledge that his name will live forever at Michigan State College, both in the great physical benefactions which came from him directly, and indirectly through the Kellogg Foundation, and in the programs of service to humanity which will continue only because of his far-sighted and selfless generosity.

Dr. Eunry W. Morris, President of the W. K. Kellogg Foundation, had lunch with the Board and toured the Kellogg properties with the Board.

The Board adjourned at 12:30 p.m. It was voted to hold the next meeting on Thursday, November 29th at 10 a.m.
