Absent: Dr. Bartlett

1. Discussion of the request of Conrad Springer of the Michigan State Employees Union requesting on behalf of Local 1585, AFSCME AFL-CIO to meet with the Trustees.

After considerable discussion, on motion by Mr. Merriman, seconded by Mr. Harlan, it was voted that the Trustees adhere to the existing policy of not conferring with representatives of the Union and that this responsibility be left as at present with the Secretary as the representative of the Trustees in all contacts with the Union.

Mr. Stevens wished to be recorded as voting "no". The vote was 5 to 1 in favor of the motion.

In a subsequent discussion, it was suggested that consideration be given to the possibility of an Appeal Board to handle cases where the aggrieved employee is not satisfied with the final decision of the Secretary.

It was left that University officers give this matter further thought and that it would be discussed again with the Trustees in December or January.

2. Mr. May recommended that the Board request an appropriation from the next session of the legislature through the State Department of Administration as follows:

   For operation of MSU
   For operation of MSU-O, including library and certain non-recurring items
   For Agricultural Extension
   For Agricultural Experiment Station

   $31,042,112
   1,922,400
   3,249,000
   3,397,400

On motion by Mr. Harlan, seconded by Mr. Vanderploeg, it was voted to approve this recommendation and to authorize the submission of this request.

31. Communication from University Attorney Carr notifying the Trustees of the terms of the will of Jay Samuel Hartt of the Class of 1915:

Mr. Hartt died a resident of Cook County, Illinois, on April 13, 1962. The will was admitted to the Cook County Probate Court on June 1, 1962, with Harris Trust and Savings Bank named Executor/WA. Reduced to its simplest terms, the instrument creates Trust "A" in favor of the surviving widow, Phyllis Ann Hartt, in an amount measured by her right of election against the will. She is given a power of appointment to dispose of the entire corpus remaining at the time of her death. The balance of the estate goes into Trust "B" which names his sister, Sylvia Mona Hartt and his companion, Jane Dempsey, as beneficiaries in a total amount of not less than $15,000.00 per year. Additionally, the trustee is given the right to apply principal and income from this trust of $4,000.00 per year to the surviving widow if her needs require it. Upon the death of all 3 trust beneficiaries, any sum remaining in Trust "B" goes to Michigan State for scholarships or supplementation of faculty salaries within the discretion of the Board of Trustees.

At the time of Mr. Hartt's death, the estate inventoried at $580,000.00, but is currently somewhat less than that because of the market shrinkage. The widow's trust, under Illinois law, will aggregate 5% of the total gross estate. The ages of the beneficiaries are presently 50, 60 and 67. All real estate located in Michigan (a farm in Montcalm County) was held with the wife as a tenancy by the entireties and, therefore, is not included within the will.

32. Communication from Maxwell A. Goodwin of Battle Creek, dated October 9, 1962:

The testimony of the subject men (Professors Lanzillotti and Adams) was anti-American in my opinion, when they gave opinion before the Joint Economic Committee of Congress some time ago.

Granted we all have the right of free speech and thinking and want to preserve it in this fine country, and granted they were speaking personally and not for the institution which pays them.

It follows that they will teach in their classes, the ideas they felt strongly enough to state before congress.

In my humble opinion, their ideas are the opposite of the ideas that built and made this great nation.

They should not be teaching in an institution which represents forward progress. They should not be teaching at Michigan State or any American educational institution.

33. Communication from Mrs. Caroline Bailey expressing her appreciation to the Trustees for the action taken in continuing her husband's salary for a year beyond the date of his death.
