On motion of Mr. Berkey, seconded by Mr. McPherson, it was voted to approve the above item.

15. Mr. Earl Green of the Ann Arbor Trust Company appeared before the Board to complete arrangements for the sale of the Series II Power Plant Bonds that were authorized at the May 17th meeting of the Board.

On motion of Mr. Akers, seconded by Mr. McPherson, it was voted to authorize Mr. Wilkins to purchase $30,000 worth of Power Plant Bonds Series B, using such monies as he has available for investment, and Mr. Hannah, as executor of the Jenison Estate, is authorized to purchase $20,000 worth of these bonds, using funds in the Jenison Estate. The following resolution is approved:

WHEREAS, The State Board of Agriculture has authorized the issuance and sale of Michigan State College of Agriculture and Applied Science Power Plant Bonds, Series A, of the face value of One Hundred Sixty Thousand Dollars ($160,000.00), and has authorized the issuance of Michigan State College of Agriculture and Applied Science Power Plant Bonds, Series B, of the face value of Three Hundred Forty Thousand Dollars ($340,000.00), pursuant to the terms and conditions of a Trust Agreement entered into by and between The State Board of Agriculture, of the State of Michigan, and the Ann Arbor Trust Company, a Michigan Corporation, of Ann Arbor, Michigan, as Trustee, dated December 1, 1939, for the purpose of providing sufficient funds to pay all costs of construction and equipment and other costs incidental to the construction and purchase of necessary facilities to provide sufficient heat, light, power, and telephone service to meet the requirements of Michigan State College of Agriculture and Applied Science; and

WHEREAS, it is necessary that said Michigan State College of Agriculture and Applied Science Power Plant Bonds, Series B, be sold to provide the necessary funds to pay the costs incidental to the purchase and installation of a new electric generator, super-heaters for the present boilers, ash handling equipment, coal handling equipment, water softener, new boiler, erection of a new chimney, necessary changes in the generator foundations, and for other improvements in the electrical distribution system, piping, water, system, etc., necessary to make the heating, lighting, power, and telephone service of Michigan State College of Agriculture and Applied Science adequate to meet the requirements of the same;
NOW, THEREFORE, BE IT RESOLVED that Robert S. Shaw, President of Michigan State College of Agriculture and Applied Science, and John A. Hannah, its Secretary, be and they are hereby authorized to enter into a contract for the sale of Michigan State College of Agriculture and Applied Science Power Plant Bonds, Series B, of the face value of Three Hundred Forty Thousand Dollars ($340,000.00), to execute, sell, and deliver said Power Plant Bonds, Series B, at a price of not less than the face value thereof, plus accrued interest.
