REPORTS

1. Secretary Halladay requested that he be permitted to advertise for bids for the sale of the following buildings as soon as practicable:

Old Dairy Barn, Feed Barn, Sheep Barn, and all smaller buildings adjacent thereto which are no longer used, also the barns on Harrison Road now used by the Department of Farm and Horse, and also three silos.

On motion of Mr. Brody, it was voted to approve the above.
2. Request from Secretary Halladay that Mr. Wilkins be allowed to set up an amount of $6000.00 to cover the preliminary survey for the service lines to be laid out in connection with the new buildings. This amount to be supplied from the State Building Appropriation.

On motion of Mr. McPherson, it was voted to approve the above request.

3. Halladay presented request from the Faculty Folk Club that the State Board take over the furniture belonging to them which is housed in the club rooms in the basement of the Women’s Building. An amount of $102.00 is invested by the Club in this furniture.

On motion of Mr. McColl, it was voted that the above matter be left to the President and Secretary with power, with the understanding that any college money used for the purchase of this furniture be taken from the Dormitory fund.

4. Secretary Halladay reported a fire which burned the wooden structure on the College Root Cellar and requested permission to pay the East Lansing Fire Department an amount of $100.00 to be taken from the College Fire Protection fund.

On motion of Mr. Brody, it was voted to allow the above payment.

5. Secretary Halladay reported the acceptance of a bid of $250.00 for the old Farm House, also a bid for the old Veterinary Building of $225.00. Both bids were accepted.

6. Secretary Halladay reported that Mr. Bowd and Mr. Munson have not received any fees in connection with the plans for the new barns and the research laboratory.

On motion of Mr. McColl, it was voted that the Secretary be allowed to pay the usual fee of five per cent to Mr. Bowd and Mr. Munson from the State building appropriation.

7. Secretary Halladay reported the acceptance of a bid for the tearing down of the old water tower at $600.00, the College to have the material.

8. On motion of Mr. Berkey, it was voted to instruct the Secretary to obtain prices on lightning rods for barns and for Agricultural Hall.

9. Mr. Brody reported on the Chatham Housing Situation.

On motion of Mr. McColl, it was voted to approve the plans and specifications for general contracts for heating, ventilating, plumbing and electrical work as prepared by the firm of Malcomson, Higginbotham and Trout and the E. H. Lettle Company for the New Women’s Dormitory, and that the firms have our acquiescence in the letting of the general contract to Reniger Construction Company for $226,873.80; the Heating and Ventilating contract to Freyn Brothers of Detroit, for $52,019.00; and the Electrical contract to Barker Fowler of Lansing for $16,152.00.

On motion of Mr. McPherson, it was voted to authorize the Building Committee to confer with the contracting companies in connection with any necessary adjustments in the contracts for the construction of the Women’s Dormitory.

On motion of Mr. Berkey, it was voted that the Building Committee and the Secretary be authorized to determine the fixed charges which shall be made for utilities in the New Women’s Dormitory.

A clause in the original agreement for the construction of the Women’s Dormitory provides that a fund for repairs and replacements be set aside on the following basis: 8% of the fixtures and equipment and 4% of the building.

On motion of Mr. McColl, it was voted that the custody of this fund remain, by mutual agreement, with the Trustee, and that this change be made in the original agreement.

11. The matters of Night Football, Tennis Courts, and Baseball Bleachers were discussed but no action taken.

The meeting adjourned at 3:10 P.M.
